# WELCOME TO COOK COUNTY

Dear Vendor,

Thank you for your interest in doing business with Cook County. The goods and services offered by the vendor community to our County agencies, departments, and separately elected officials are crucial to improving the lives of our residents.

From technology investments to transportation and infrastructure improvements, collaboration between the County and its vendors is key to making Cook County a better place to work and live. It has been an immensely challenging couple of years working through the COVID-19 pandemic. Through it all, our procurement office has worked tirelessly to rise to every challenge including providing the same quality services remotely and our vendors have also stepped up during these extraordinary times.

In my administration's drive to improve services and be more transparent and accountable, our procurement office has worked to streamline the process and make it more open and accessible to vendors and residents. By embracing a more transparent and visible procurement process, vendors, particularly small and minority/ women owned businesses, have greater opportunities to obtain information and resources. We're proud of our work to make it easier for vendors to find and learn about the other contract opportunities available county-wide.

While the Contract Opportunities page of our website provides real-time information about our contract opportunities, you can also gain advance insight into our contract opportunities through this Buying Plan. There's helpful information about our procurement operation in this Buying Plan especially the Upcoming Buying Schedule, and as you'll see we have a robust procurement schedule for the upcoming year.

This Buying Plan, the workshops the procurement office provides, and Procurement's home page are important resources for you to learn about County procurement which will aid you in making the important business decisions you need to make regarding doing business with the County.

Should you have any questions regarding this Buying Plan or the procurement process please feel free to contact the procurement office. Thank you again for your interest in doing business with Cook County.

Sincerely,

Toni Preckwinkle  
Cook County Board President

# GREETINGS AND WELCOME...

## TO THE 2023 COOK COUNTY GOVERNMENT BUYING PLAN

The Office of the Chief Procurement Officer of Cook County (OCPO) is responsible for procuring the goods, services, and construction necessary for the Offices under the President of Cook County and Cook County sister agencies. The OCPO accomplishes this through an open, competitive, and transparent procurement process which seeks to leverage overall County volume to lower costs for the taxpayers of Cook County.

As part of the OCPO's efforts to achieve a competitive procurement process, we undertake outreach efforts including publishing this Buying Plan. The Buying Plan is meant to provide insight into the OCPO's operations. It is also a resource that can answer questions about procurement at Cook County and help parties interested in doing business with Cook County plan for future solicitations. Minority and Woman Owned Business Enterprise participation in County contracts is important, which is why in this plan you will find information from the County's Office of Contract Compliance and a list of the Assist Agencies who you may liaise with for MBE/WBE participation.

In addition to procuring goods, services, and construction, the OCPO also administers the County's surplus auction. You will find information regarding what equipment and material is auctioned and how to participate inside this Buying Plan.

This Buying Plan is not the only resource regarding procurement at Cook County the OCPO We encourage you to also visit our website at [cookcountyiil.gov/procurement](http://cookcountyiil.gov/procurement). Thank you for your interest in doing business with Cook County.

Sincerely,

Raffi Sarrafian  
Chief Procurement Officer

## **Office of the Chief Procurement Officer Overview**

# MISSION STATEMENT

To provide an open and transparent procurement process that promotes maximum competition, delivers procurement opportunities to our community, implements efficient procurement practices, and leverages the County’s overall resources to achieve best value and quality.

## COOK COUNTY PROCUREMENT CODE

The Office of The Chief Procurement Officer (“OCPO”) operates daily according to Chapter 34, Article IV of the Cook County Code of Ordinances, known as the Cook County Procurement Code. To learn more about the Cook County Procurement Code – it can be accessed by navigating to the following URL and clicking on the link for the Procurement Code: [www.cookcountyil.gov/cook-county-procurement-code](http://www.cookcountyil.gov/cook-county-procurement-code).

## WHAT WE DO

The OCPO as mandated by the Cook County Procurement Code, set forth in the Cook County Code of Ordinances, is responsible for procuring the commodities, construction, equipment, services (professional and work), and supplies necessary for the operation of Cook County except for the Cook County Sister Agencies as identified on p. 53.

Additionally, the procurement authority of the Chief Procurement Officer is delegated in the Code in three circumstances:

1. Chief Financial Officer (CFO) – pursuant to Section 34-201 of the Code, the CFO may issue a competitive solicitation for legal counsel and finance professionals required for debt transaction, including but not limited to bond counsel, and underwriters counsel; investment banks; and financial advisors.
2. Department of Emergency Management and Regional Security (DEMRS) – pursuant to Section 26-39 of the Code, in the event of a Disaster Declaration, the Executive Director of DEMRS is authorized to procure services, supplies, equipment, or material as may be necessary for the purposes in view of the exigency.
3. Justice Advisory Council (JAC) – pursuant to Section 2-527 of the Code, the JAC can issue RFPs and RFQs and execute contracts related to violence prevention, intervention, and reduction programs. See Section 9 in this Buying Plan for more information.

# **WE DO NOT PURCHASE FOR**

Cook County Forest Preserve District, Cook County Health and Hospital System (with the exception of CCHHS construction), Cook County Housing Authority, Cook County Workforce Board, the Cook County Land Bank, City of Chicago, City of Chicago Sister Agencies (e.g., Chicago Housing Authority, Chicago Park District, CTA), other local public agencies such as the Metropolitan Water Reclamation District (MWRD), and the State of Illinois.

# PROCUREMENT METHODS

The procurement methods the OCPO may use to procure the goods, services, and construction include:

## Competitive Solicitations

1. Invitation for Bids – primarily price driven where the award is to the lowest responsible and responsive bidder.
2. Request for Proposals (RFP) – award is to the responsible and responsive proposer(s) whose proposal is scored the highest by an Evaluation Committee based on the evaluation criteria discussed in the RFP. Price is one of the evaluation criteria, but it is not the primary determinant of the basis of award.
3. Request for Qualifications (RFQ) – qualifications based, used to establish a pool of pre-qualified responsible firms eligible to submit a response to a future project or projects solicitation(s). Award(s) to the responsible and responsive submitter(s) whose qualification package(s) are scored the highest by an Evaluation Committee based on the evaluation criteria discussed in the RFQ. Price is not among criteria.

Responsiveness means whether a Bid, Proposal, or Qualification Package complies in all material respects with all the terms, conditions and requirement set forth in the Bid, RFP, or RFQ the bidder submitted all required documents with their bid and completed them. A Bid, Proposal, or Qualification Package may be removed from consideration of award if it does not include all required documents or if the documents are incomplete.

Responsible means the Bidder, Proposer, or Respondent has the capability in all respects to perform fully the contract or to provide the required supplies, equipment, goods, or services, and the integrity and reliability that will assure good faith performance. Factors taken into consideration in determining whether the Bidder, Proposer, or Respondent is Responsible may include quality, financial capacity, past performance, experience, adequacy of staff, equipment, and the ability to perform within the tie frame required for the Procurement. A Bid, Proposal, or Qualification Package may be removed from consideration of award if Bidder, Proposer, or Respondent is found to be non-responsible.

## Comparable Government Procurement

Commonly referred to as “reference contracting” or “piggybacking,” it means the County participating in the contract of another public agency so long as that agency’s contract is for the same or similar supplies, equipment, goods, or services as that sought by the County and the contract was a product of a competitive process.

## Joint Procurement

Pursuant to the Governmental Joint Purchasing Act, 30 ILCS 525, this is where the County and at least one other public agency (e.g., City of Chicago) prepare and advertise together (i.e., jointly) a solicitation.

## Consortium and Group Procurement

These are procurements made pursuant to the County’s membership or participation in a purchasing consortium, so long as the Board has approved the membership or participation, for, at least in part, the purpose of obtaining advantageous pricing and other efficiencies for the County.

## **Innovative Procurement**

This is where the County would use innovative methods of procurement, including, but not limited to, electronic procurement, reverse auctions, electronic bidding, electronic auctions, prequalification, and pilot procurement programs that have no cost to the County.

## **Existing Contracts**

The County has existing contracts that it may use to procure goods, services, and construction.

# **BID, RFP, AND RFQ PROCESS OVERVIEWS**

## **Bid**

As mentioned above, the award is to the lowest responsive and responsible bidder. Bids are reviewed for responsiveness, responsibility, and whether a preference or credit (see p. 51 for details) applies. Unlike an RFP or RFQ, (i) a bid is primarily a price driven award, (ii) a Bid Tabulation prepared and released and made available shortly after the receipt of bids at the OCPO's home page (see p. 23 for detail), (ii) there is no evaluation and scoring of all bids received, and (iii) no contract negotiation.

## **RFP**

As mentioned above, the award(s) are made to the responsive and responsible proposer(s) that score the highest based on the evaluation criteria in the RFP. Unlike a Bid, (i) price is not the primary determinant in the scoring, it is among the evaluation criteria which also distinguishes it from a RFQ, (ii) an Evaluation Committee is convened to review and evaluate the responsive proposals, (iii) the Evaluation Committee may, as part of its evaluation, request oral presentations from any proposer, (iv) the Evaluation Committee may request a Best and Final Offer, (v) contract negotiations with the highest scoring proposer(s), and (vi) a register of firms that submitted a proposal released at the OCPO's home page upon completion of the procurement.

## **RFQ**

As mentioned above, award(s) to the responsible and responsive submitter(s) whose qualification package(s) are scored the highest by an Evaluation Committee based on the evaluation criteria discussed in the RFQ. Unlike the RFP, (i) qualifications-based evaluations, price is not among evaluation criteria, and (ii) price negotiated during contract negotiations.

# **CONTRACT AWARD AND EXECUTION PROCESS**

Whichever procurement method is used (i) if the contract value is up to an amount less than \$150,000, then the contract award can be presented to the Chief Procurement Officer for execution, or (ii) if the contract value equals or exceeds \$150,000, then the contract must be presented to the Board of Commissioners for their approval before the Chief Procurement Officer can execute the contract.

# REGISTER ONLINE WITH THE OCPO

During the fall 2021, the OCPO transitioned to a new procurement system, Bonfire. This system enables the OCPO to transition from its former vendor database to a new one in Bonfire. Accordingly, vendors are encouraged, if they have not already, to register with the OCPO in Bonfire. Please note that the OCPO's vendor database is separate from the County's MBE/WBE Directory.

Registering with the OCPO in its Bonfire system will provide the following benefits:

1. View and download the solicitation for any contract opportunity identified at our Current Contract Opportunities page.
2. View the Download List of firms that have registered for any solicitation identified at our Current Contract Opportunities page.
3. Receive automatic emails notifications when we advertise a solicitation in your area of interest (in the registration you will be asked to identify the codes for your area(s) of interest) or issue an addendum for a solicitation that you downloaded.

To gain the benefits mentioned above, register with the OCPO by taking the following steps:

1. Go to <https://cookcountyil.bonfirehub.com/portal/?tab=openOpportunities>
2. Once at the Bonfire Procurement Portal, click on the "Log in/Register" button in the upper right corner of the page to begin the registration process.

We also make resources available to help you navigate through our Bonfire system at the following links:

- Article regarding how to access the solicitation and submit your Bid, Proposal, or Qualification Package

*Creating and Uploading a Submission – Bonfire Vendor Support (gobonfire.com)*

- Video regarding vendor registration and submitting a Bid, Proposal, or Qualification Package

*Vendor Registration – Bonfire Vendor Support (gobonfire.com)*

- Email Bonfire support with questions or technical issues regarding registration, accessing a solicitation, viewing the Download List, or submitting a Bid, Proposal, or Qualification Package at [support@gobonfire.com](mailto:support@gobonfire.com)

# CURRENT CONTRACT OPPORTUNITIES

At this page, you can see in real-time all of our current contract opportunities. Solicitations are added to this page when the advertisement is published in the Chicago Tribune, and they are removed when the solicitation due date and time has been reached. To download and view any of them, you must be registered with the OCPO (see p. 32 for details).

The OCPO is not the only agency in the County that makes available contract opportunities. The County Sister Agencies also advertise contract opportunities for their needs. To learn about the contract opportunities for our County Sister Agencies, we provide a button at the top of our Current Contract Opportunities page that in one click will take you to the real-time list of contract opportunities for that County Sister Agency. By registering with us, you'll be able to download solicitations for the Cook County Sister Agencies whose contract opportunities we're hosting on our page.

The contract opportunities for these Cook County sister agencies are hosted on our Contract Opportunity page.

The link for each Cook County sister agency will take you to their contract opportunity page. You'll need to register separately on those pages to download their contract opportunities.

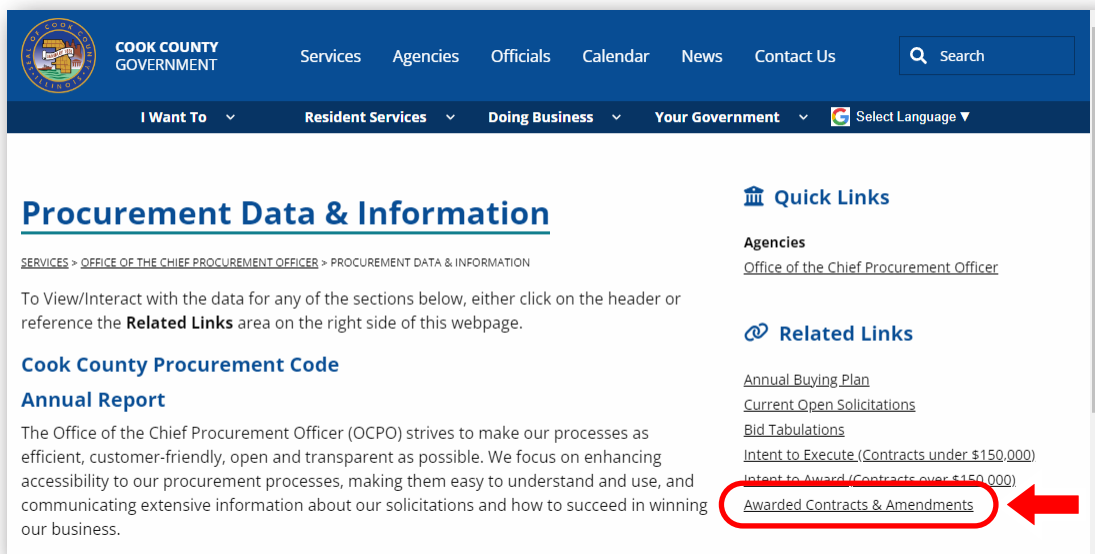

# OPEN DATA–CONTRACT AND AMENDMENT LIBRARY

We make available at our home page a database or library, called Open Data, of our active and inactive contracts with their corresponding amendments. This library is useful for a number of reasons including to learn about a current contract in advance of preparing a bid or proposal. Though our needs can change from one contract to the next, you can get an idea of our current service or goods requirements and the current pricing.

1. Navigate to [www.cookcountyil.gov/procurement](http://www.cookcountyil.gov/procurement)
2. Select “Procurement Data & Information”

3. Select Awarded Contracts & Amendments

- Search the database by any criteria for an awarded contract or amendment. In this example, we searched for “unarmed security”. What is shown here are the first two of a few contracts for unarmed security services.

You can also search by any of the columns in the dataset, for instance Contract Number, Description, Vendor Name, Department, etc.

The screenshot shows the Cook County Government Open Data portal. At the top, there is a search bar with the text "unarmed security" entered. Below the search bar, there are navigation links: "Data Home", "Cook County Website", and "Contact Us". The main heading is "Procurement - Awarded Contracts & Amendmen...". Below this, there are social media icons and a "Sign In" button. A search bar with "unarmed security" is highlighted with a red circle and a red arrow pointing to it. Below the search bar, there are tabs for "More Views", "Filter", "Visualize", "Export", "Discuss", "Embed", and "About". The main content is a table with the following columns: "Contract Nu...", "Vendor Num...", "Vendor Name", "Amount", "Description", and "Syst". The table contains three rows of data:

Contract Nu...	Vendor Num...	Vendor Name	Amount	Description	Syst
2045-18168		RUSH SOLUTIONS	\$988,213.12	UNARMED GUARD SECURITY SERVICES FOR JTDC GA...	10/2
1825-17682		MONTERREY SECURITY CONSULTANTS INC	\$7,037,358.30	UNARMED SECURITY	10/1
EMRS-CV011	20331978	WHELAN SECURITY OF ILLINOIS INC	\$1,533,860.54	UNARMED COVID COMPLIANCE SECURITY	02/0

- To view a contract or amendment, click on the hyperlink in the “Category” column, and a PDF of the contract or amendment should appear.

# OPEN DATA–BID TABULATIONS

We make available at our home page the Bid Tabulations for current and prior bids. They are made available as part of Open Data in an interactive database that is searchable. Access the Bid Tabulations interactive database by the following steps:

1. [www.cookcountyil.gov/procurement](http://www.cookcountyil.gov/procurement)
2. Select “Procurement Data & Information”

3. Select “Bid Tabulations”

4. Search the Bid Tabulations database

## **Preparing for Contract Opportunities**

# LEARN WHEN WE MAKE A CONTRACT OPPORTUNITY AVAILABLE

There are several ways you can learn when we make a contract opportunity available:

1. Current Contract Opportunities page at our home page. This is the real-time list of all available contract opportunities. The list is updated the day the advertisement is published in the Chicago Tribune. The top of the page also has buttons for our County Sister Agencies and selecting an agency's button will take you to the real-time list of their contract opportunities.
2. Email Alerts. Register with the OCPO to receive automatic email alerts when we advertise a solicitation in your area of interest.
3. Chicago Tribune. An advertisement for each contract opportunity is published in the Classifieds section the day the solicitation is made available.

## PLANNING FOR OUR CONTRACT OPPORTUNITIES

You do not have to wait for us to advertise a solicitation to get an idea about: (i) what we purchase, (ii) when we purchase, (iii) what we pay and the prices bid, and (iv) our service or commodity needs, and legal requirements. Using the information in this Annual Buying Plan and the content made available at our home page 24/7/365 you can plan and strategize for our contract opportunities in advance of solicitation advertisement.

### What We Purchase

- This Annual Buying Plan identifies the goods and services that we anticipate purchasing during the upcoming fiscal year.
- The library of our active contracts in Open Data, identifies the goods and services that we use. The database is searchable by parameters including key word(s), department name, and vendor name.
- The list of departments we purchase for at p. 6 also provides a general idea of the services and commodities we purchase.

### When We Purchase

- To get a general idea, the library of our active contracts in Open Data identifies the start and end dates for all contracts and their corresponding amendments.

For an annual forecast, this Annual Buying Plan identifies the quarter or quarter range during which we anticipate advertising the solicitation identified. We also make available an interactive version of the Schedule of Anticipated Purchases which enables you to filter the schedule and export it to Excel.

- Real-time, the Current Contract Opportunities page identifies the solicitations that are currently advertised. If you register with the OCPO, then you can receive auto email notifications when we advertise a solicitation in your area of interest.
- Keep in mind that our needs are fluid, and our plans may change. Also, we may use existing County contracts or any method permissible by our Code to procure goods and services.

## **What we pay and prices bid**

- Learn about what we pay on our contracts. Search for any contract in your area of interest in our library of active contracts (see p. 28 for details) and look at the line items or Compensation section. There, you will see the pricing detail for each contract. Also, look at the corresponding amendments, because there could be a change to the pricing during the contract term.
- Learn about the prices bid the last time we advertised the contract. Search the Bid Tabulation database, also in Open Data, to see the overall bid price by each bidder for the contract (see p. 30 for details).

## **Description of our Services and Commodity needs and Legal Requirements**

- Description of services or commodity. Search the library of our active contracts in Open Data for a contract that you are interested in and look at either the Detailed Specifications, Special Conditions, Statement of Work, or Scope of Services.
- Legal Requirements. Search the library of our active contracts in Open Data for a contract that you are interested in and look at the boilerplate.
- Keep in mind that our needs are fluid, and our requirements may change.

# **SECTION 5**

## **Solicitation Download List Utilization**

# ASSESSING SOLICITATION COMPETITION AND NETWORKING

You can use the information at our Current Contract Opportunities page to get an idea of your competition on a solicitation and to network on the solicitation, as well.

- Solicitation Competition. If you are thinking submitting a response to one of our solicitations and want to see who your competition on that solicitation could be, the Download List will show you that information.
- Solicitation Networking. If you are thinking of being a prime on a solicitation and want to identify possible subcontractors, including MBEs and WBEs, then the Download List can be a resource, because it provides the names and contact information of everyone who has downloaded the solicitation. Conversely, if you are thinking of being a subcontractor on a solicitation and want to team with a prime, then the Download List can be a resource, because it provides the names and contact information of everyone who has downloaded the solicitation.

## **Submitting a Response to a Solicitation**

# INSTRUCTIONS FOR SUBMITTING A BID, PROPOSAL, OR QUALIFICATION PACKAGE ELECTRONICALLY

The responses to the OCPO’s solicitations, including those anticipated purchases in Section 2, will be submitted electronically, through our procurement system known as Bonfire. Accordingly, you will need to be registered with Bonfire, as discussed in Section 3, to submit a Bid, Proposal, or Qualification Package.

To register in our Bonfire system, use the following link:

<https://cookcountyil.bonfirehub.com/portal/?tab=openOpportunities>

Once at the Bonfire Procurement Portal, click on the “Log in/Register” button in the upper right corner of the page to begin the registration process.

To view any solicitation that is listed at our Current Contract Opportunities page or to view the corresponding Download List, you will also need to be registered in our Bonfire system.

Please note that to gain all functionality mentioned above you only are required to register once in our Bonfire system.

We also make resources available to help you navigate through our Bonfire system at the following links:

- Article regarding how to access the solicitation and submit your Bid, Proposal, or Qualification Package

*Creating and Uploading a Submission – Bonfire Vendor Support (gobonfire.com)*

- Video regarding vendor registration and submitting a Bid, Proposal, or Qualification Package

## **Contract Compliance**

The mission of the Office of Contract Compliance (OCC) is to ensure the full and equitable participation of minority, women, and veteran-owned businesses (MBE/WBE/VBE) in the procurement process as both prime and sub-contractors for Cook County Government and Cook County Health and Hospitals Systems (CCH). The OCC seeks greater inclusion of MBE, WBE and VBEs on County and CCH contracts by conducting outreach activities to the business community about the County's Program. The Office of Contract Compliance (OCC) certifies Minority-, Women-, Veteran-, Service-Disabled Veteran- and Persons with a Disability-owned Business Enterprises (MBE/WBE/ VBE/SDVBE/PDBE); sets contract goals; reviews contract utilization plans, monitors current contracts within the Diversity Management System (DMS) and ensures that all Cook County purchases comply with the Cook County Minority and Women-owned Business Enterprise Ordinance.

OCC works closely with Cook County departments and elected officials to encourage greater inclusion of certified M/WBE businesses on Cook County procurements.

The Office of Contract Compliance thoroughly investigates and periodically reviews all applications to ensure certification eligibility.

#### CERTIFICATION REQUIREMENTS

- 51%+ Ownership by Socially and Economically Disadvantaged Women/Minorities
- Owners Personal Net Worth capped at \$2 Million + Consumer Price Index (Currently ~\$2.3Million)
- Business cannot exceed US Small Business Administration Size Standards (Based on 5-year average)

All applications for certifications must be done online through OCC's Diversity Management System. The Office of Contract Compliance monitors M/WBE participation in the following three categories (1) Goods and Services, (2) Construction, and (3) Professional Services.

The Office of Contract Compliance ("OCC") participates in various outreach events throughout the year to market the County's upcoming contracting opportunities and encourage potential vendors to consider learning more about doing business with the County.

The Office of Contract Compliance maintains a comprehensive webpage with information about certifying your business and links to contracting opportunities and assist agencies.

## **Justice Advisory Council Opportunities**

The Cook County Justice Advisory Council implements Cook County Board President Toni Preckwinkle's public safety policy and criminal and juvenile justice systems reform efforts, ensuring systematic community supports to increase public safety.

As mentioned in Section 2, the OCPO's procurement authority is delegated to the JAC in Justice Advisory Council pursuant to Section 2-527 of the Code which says the JAC can issue RFPs and RFQs and execute contracts related to violence prevention, intervention, and reduction programs.

To learn about these opportunities, you can sign up for the JAC's email distribution list by sending an email to [JACInfo@cookcountyil.gov](mailto:JACInfo@cookcountyil.gov) For additional information, contact Wynetta Scales at [Wynetta.Scales@cookcountyil.gov](mailto:Wynetta.Scales@cookcountyil.gov).

Please note these contract opportunities for violence prevention, intervention, and reduction programs are not the only contract opportunities the JAC has, and the OCPO makes these other opportunities for the JAC available at its home page as discussed in Section 3.

## **Procurement workshops**

Throughout FY23 the OCPO will be releasing workshop content through videos posted on our home page. This way, vendors can learn at their own pace during whatever time works for them about procurement at the County. We also intend to have live virtual workshop sessions where vendors can ask questions specific to their business and have those questions answered.

Below is a list of the Workshop videos we intend to make available at our home page, and please note that Workshop topics are fluid and can change.

## **PROCUREMENT 101 – DOING BUSINESS WITH COOK COUNTY**

- Overview of the goods and services the OCPO purchases
- How to learn about upcoming contract opportunities
- How to plan for contract opportunities

## **Public Surplus Auction**

Did you know that the OCPO sells surplus equipment, vehicles, and other assets that are no longer needed by the County or are underutilized? The sale of these surplus assets happens through an online auction that is open to the public for bidding.

Year-to-date for FY22 our Public Surplus Auction generated over \$270,000 in revenue. Most of the auctioned items are vehicles and heavy equipment.

To view and bid on a current auction, and view past auctions, bidders must register via the Public Surplus Auction page: [www.cookcountyil.gov/service/public-surplus-auction](http://www.cookcountyil.gov/service/public-surplus-auction).

Winning Bidders pick up the titles at the time they go to pick up the auctioned vehicle from Cook County Sheriff's Vehicle Services at: 901 West 26th Street, Lagrange Park, IL.

Should you have questions regarding the auction website or any of the auctions, please email **OCPO.Events@CookCountyil.gov** or contact the Procurement Office at **(312) 603 - 5377**.
