COOK COUNTY ANNUAL
APPROPRIATION BILL

VOLUME 2 | Department Line Item

TONI PRECKWINKLE

PRESIDENT, COOK COUNTY BOARD
OF COMMISSIONERS

HOW TO READ VOLUME II OF THE COOK COUNTY BUDGET BOOK

The Cook County Adopted Budget contains summary information about the adopted appropriations of Cook County Bureaus and Departments. This is the most detailed and comprehensive look at Cook County's numerous departmental budgets and FTE information. A Bureau-level summary of appropriations and positions is followed by information organized by appropriation classification. Volume II also includes information on the mission of each Bureau and Department, highlights from this budget year and goals for the upcoming budget year.

HOW TO READ ORGANIZATIONAL CHARTS

This section contains a sample table to help better understand how to read organizational charts in this budget book. These charts provide details on the structure of each elected and appointed office. These charts are limited to two levels beneath the elected official meaning you will see the name of the elected official, followed by the bureaus under that office and then the departments under each bureau. These charts include information on full-time equivalent (FTE) positions within each office.

The first number represents the FY2024 appropriated FTE count, and the second number represents the change in FTE count in the FY2025 budget.

MISSION

The President of the Cook County Board of Commissioners is the Chief Executive Officer of Cook County. The President oversees the Offices Under the President and is charged with presenting a balanced budget to the Board of Commissioners.

MANDATES

Mandated by Chapter 2, Article II of the Cook County Code of Ordinances.

OPERATIONAL HIGHLIGHTS: 2024 INITIATIVES AND OUTCOMES

Policy Roadmap 2024-2027 - The Policy Roadmap is the county's strategic plan, which outlines a framework for its policy and program priorities. The new roadmap was released in December 2023, and it reaffirms the county's commitment to advancing healthy, vital, sustainable, connected, and safe and thriving communities.

Property Assessment and Tax Working Group - Cook County Property Tax stakeholders and their staff engaged researchers in studying opportunities and developing workstreams for reform. Stakeholders and staff are now implementing recommendations.

Equity in Grantmaking - This Equity Fund Taskforce recommendation helped community-based organizations build capacity and access funding opportunities. Two rounds of "Starting Block Grants" were released. The County held an open call for capacity-building resources and technical assistance, so as to provide in the future for community-based organizations.

OPERATIONAL OPPORTUNITIES: 2025 INITIATIVES AND GOALS

Medical Debt Relief Initiative - The Cook County Medical Debt Relief Initiative is a transformative program to eliminate medical debt for eligible Cook County residents. The program has relieved more than \$380 million in debt to date and is continuing to maximize the investment by making it an operational priority again in FY25.

Digital Equity - Working with the Cook County Council on Digital Equity (CODE) and its subcommittees, Cook County is implementing its Digital Equity Plan, released in October 2023, to advance digital infrastructure, accessibility, safety, and confidence among residents. Initiatives include driving outreach and engagement, developing and implementing a County infrastructure plan, deploying devices, building capacity of libraries and community organizations, and implementing a digital navigator network program.

Community Engagement - Community engagement planning and implementation is being launched via Cook County's ARPA Resident Voices project to call for residents' input and integrate feedback into a plan for program sustainability. This is a step toward advancing Equity in Budgeting strategies across Cook County.

BUDGET HIGHLIGHTS

- The President’s Office has requested no additional FTEs. The President’s Office will continue prioritizing filling existing vacancies to support the FY2025 policy and operational goals, including ARPA and Equity Fund Initiatives.

MISSION

Promote equitable, human-centered, community-driven justice system innovation and practice through rigorous stakeholder engagement, policy work, service coordination, and grantmaking that increases community safety and reduces reliance on incarceration.

MANDATES

Operates consistent with state and county mandates to effect improvement of the administration of justice, 55 ILCS 5-18, State Statute; Sec. 2-473 County Ordinance.

OPERATIONAL HIGHLIGHTS: 2024 INITIATIVES AND OUTCOMES

The JAC grew the grant portfolio to include a cohort of approximately 80 organizations focused on building administrative capacity for long-term sustainability and expansion of services to people returning to communities from detention, jail, or prison; with re-entry services, including housing and basic needs assistance combined with holistic supports. The JAC increased opportunities in survivor-centered recovery and support services for those experiencing domestic, gender-based, or intimate partner violence or gun violence. Community engagement work includes the continuation of a nationally recognized initiative bringing residents with lived experience of the impacts of violence and incarceration together with system personnel in a co-learning fellowship facilitated by nationally recognized and local subject matter experts. Through ongoing collaboration with counterpart agencies within state and city governments, the JAC managed significant pass-thru grant investments in violence prevention organizations as well as coordinated investments to support capacity building and sustainability of existing and emerging service providers in the Community Violence Intervention (CVI) Ecosystem. Ongoing facilitation and contribution to various criminal legal system reforms ranging from pretrial services; expanded access to behavioral healthcare and housing; and innovative youth detention practices and programs.

OPERATIONAL OPPORTUNITIES: 2025 INITIATIVES AND GOALS

Sustain JAC's grantmaking administrative capacity beyond federally funded portfolio services to ensure robust participation in community-based violence prevention services for residents experiencing gun violence and re-entry services for individuals returning from incarceration. Expand focused capacity building support for community-based organizations and coordinate such support along with focused expansion of Community Violence Intervention (CVI) programs in collaboration with federal, state, and city initiatives. Build on community engagement strategies and grantee network with participatory processes that shape investment strategies and legislative initiatives, and with a focus on identifying disparities and advancing racial equity and justice system reform. Provide comprehensive public-facing information, evaluative data and related metrics, education and awareness of criminal justice reform efforts to community stakeholders and residents. Lead and sustain successful interagency, intergovernmental, and civic collaboration in support of criminal pretrial system and juvenile justice system reform.

Performance Metric Name	2022 Actual	2023 Actual	2024 Target	2024 Projection	2025 Target
Percent of grantee sites visited by JAC staff	20.0%	61.0%	100%	70%	100%
Percent of staff time devoted to legislative initiatives	6.0%	12.0%	10%	10%	10%
Percent of staff time devoted to administrative reform initiatives	11.6%	12.7%	10%	10%	10%

BUDGET HIGHLIGHTS

- Sustain staffing levels in grant fiscal and programmatic administration, data evaluation, and community engagement.
- Launch survivor-centered services to address victim and community exposure to gun violence.
- Scale CVI capacity building and direct service programming in coordination with intergovernmental violence prevention portfolio of Government Alliance for Safer Communities (GASC).

MISSION

Supports Bureau of Administration (BOA) departments with policy, personnel and procurement while equipping Cook County offices with services through the Research, Operations and Innovation (ROI), Printing and Graphics Services, Fleet Management, Records and Information Management and Department of Veteran Affairs (CCVA) programs.

MANDATES

Fulfill the duties of the Chief Administrative Officer authorized by state statute (55 ILCS 5/3-1006-14008) Cook County Ordinance (Chapter 2, Administration Article VIII), County Vehicle Policy (Chapter 2, Administration Article V), Departments and Similar Agencies Division 4, Records Compliance (50 ILCS 205/1- Local Records Act), Military Veterans Assistance Act (330 ILCS 45) and Administration Article X Performance Based Management and Budgeting (Chapter 2).

OPERATIONAL HIGHLIGHTS: 2024 INITIATIVES AND OUTCOMES

ROI's Performance Management Strategy Pilot will maximize performance throughout County agencies and provide a holistic picture of operations. It will allow ROI to make data-driven decisions and provide robust reporting. Once complete, the ROI team will develop a schedule to bring all OUP departments into the new strategy and system. ROI started a new fellow process pilot to streamline scope submission, payment of invoices, and procurement and assignment of technology. This pilot is now being evaluated to ensure clarity and efficiency.

The County has outstanding orders for 7 Nissan Leaf SV Plus EVs and 35 Ford Maverick Hybrids. There are 393 fuel-efficient vehicles Countywide, with an additional 42 vehicles on order as indicated above. Once these orders are filled, the total count will be 435 EVs, which is 22% of the fleet.

OPERATIONAL OPPORTUNITIES: 2025 INITIATIVES AND GOALS

CCVA will design, develop and deploy a webform and phone tree system for tracking intake calls. This initiative will create a user interface that facilitates submission of intake call requests via webform while providing efficient navigation through the phone tree for callers. Additionally, it will allow CCVA to track and categorize call data to assist in resource allocation.

Fleet Management will facilitate the transition from the previous AVL/GPS vendor to a new vendor. The AVL/GPS system will provide Cook County with the necessary tools for faster and more efficient dispatching along with real-time and historical data that can be used for a variety of administrative tasks and analysis. Fleet Management will work directly with the vendor and County agencies to facilitate the transition and installation of the new system.

ROI will continue to implement the Performance Management Strategy, which will provide a holistic picture of operations and performance, allowing teams to make data-driven decisions and provide reporting. This will also result in an updated Annual Performance Report structure and a reintroduction of Operational Performance Sessions.

BUDGET HIGHLIGHTS

- ROI will enhance its current platform for performance management reporting to allow for greater transparency and awareness, including departmental dashboards to track KPIs in real time. Records and Information Management, in collaboration with the Bureau of Asset Management, will continue efforts to reduce the County’s storage footprint through the Warehouse Assessment project. Phase 1 of the project is on target to be completed in early FY2025.
- CCVA will continue working with the Bureau of Technology to create a map of Cook County to more precisely assess the Veteran population in our communities to ensure appropriate allocation of resources.
- The Communications Division partnered with the Bureau of Asset Management to reconstruct and modernize the County’s television studio and looks forward to utilizing the space to produce original programming to inform residents of the services the County offers and the programs that it initiates to enhance residents’ lives and promote economic development.

MISSION

To foster healthy, resilient and thriving communities by improving the quality of life, protecting the environment, and promoting sustainability and environmental justice for all Cook County residents and stakeholders.

MANDATES

Enforce Cook County Environment and Sustainability Ordinance (Chapter 30) for environmental permitting and enforcement in suburban Cook County. Implement Illinois EPA intergovernmental agreements on pollution control, inspection and air quality monitoring. Administer federal, state and private grant agreements. Carry out Cook County Board President’s priorities for sustainability and environmental justice.

OPERATIONAL HIGHLIGHTS: 2024 INITIATIVES AND OUTCOMES

The Department of Environment and Sustainability (DES) announced the opening of a household hazardous waste facility in 2025, developed to serve south Cook County residents. It will be constructed by the County’s partner, South Suburban College, near the first-in-the-state Center for Hard to Recycle Materials (CHaRM Center), also operated by the college. The County contributed American Rescue Plan Act (ARPA) funding to build and operate both facilities. This DES initiative is part of larger efforts to raise the County’s waste diversion rate to 45% by 2030, and to serve communities with low recycling rates or do not offer curbside recycling pickup, as detailed in the Department’s Solid Waste Management Plan 2025-2029, passed by the County Board in 2024. DES announced its program to place electric vehicle charging stations in charging station “deserts” throughout the suburbs.

The Department continues issuing permits to over 12,000 businesses annually. DES is increasing the percentage of commercial and industrial businesses that are in compliance with air permitting requirements by no-cost process changes that improve customer service and communications. We continue to make improvements in reducing greenhouse gas emissions from Cook County owned and operated facilities, with an 89% reduction in 2023.

OPERATIONAL OPPORTUNITIES: 2025 INITIATIVES AND GOALS

The Department will continue implementation of ARPA-funded Healthy Homes for Healthy Families program. This initiative provides energy and water efficiency investments; remediation of lead, mold, and indoor air quality issues to income-qualified households. DES will issue grants to small businesses under the Businesses Reducing Impact on the Environment (BRITE) pollution prevention program to help County entities save money on utility bills and reduce their impact on the environment.

DES will continue investing in green infrastructure solutions to flooding, brownfield remediation, resilience hubs, open space and community-led planning for a more resilient climate future. The Department will pursue implementation of the County’s Solid Waste Management Plan, aiming for a waste diversion rate of 45% by 2030, with a commitment of developing curbside recycling programs in communities without them. A new US EPA grant of \$950,000 will expand the Brownfield Revolving Loan Fund, allowing DES to assist more communities with cleanup of contaminated brownfield sites.

In 2025, DES will introduce an Environmental Justice Policy for the County. This policy is being co-developed with a community advisory committee in addition to County agencies, along with extensive public input. It will help assure the meaningful involvement of all County residents in decisions affecting their environment.

MISSION

Ensure public health and safety by performing autopsies and postmortem examinations to determine cause and manner of death for individuals who die in Cook County.

MANDATES

The Medical Examiner’s Office (MEO) was established by the Cook County Code of Ordinances, Chapter 38 Health and Human Services, Article VI Medical Examiner. The abolishment of the Office of the Coroner was authorized by a 1972 referendum.

OPERATIONAL HIGHLIGHTS: 2024 INITIATIVES AND OUTCOMES

The MEO was awarded two National Association of Counties (NACo) Achievement Awards. The MEO was recognized for the implementation of its Grief Counselor Program. The grief counselors assist families in coping with the process involved when a loved one comes to the MEO and provides support services for MEO staff.

The MEO was also recognized by NACo for the Cook County Jail Overdose Prevention Program, which developed strategies for the prevention of overdose deaths in the jail. A three-pronged effort incorporates screening measures, prevention of deaths and intoxication and re-evaluation if an overdose occurs. Particular focus was placed on synthetic cannabinoids.

Missing Persons Day was reinstated in April after a hiatus due to the COVID-19 pandemic. The annual event highlights missing persons cases and brings resources including law enforcement, federal agencies and volunteer organizations together in one place for the benefit of those who are missing a loved one. The 2024 event resulted in the closure of multiple missing person cases and collection of data and DNA samples that will be used in ongoing efforts to locate and identify missing persons.

OPERATIONAL OPPORTUNITIES: 2025 INITIATIVES AND GOALS

In FY2025, the MEO will continue working toward using its DNA instrument to its full potential. The use of this technology has aided in matching DNA collected from donors to missing persons. This objective is intended to reduce the number of unidentified decedents in the care of the MEO as well as to bring closure to families of missing loved ones.

The MEO will further augment the use of opioid and gun-related death data currently being captured to assist policymakers, partner government agencies, law enforcement, hospitals and health professionals in their programs battling the opioid crisis and gun violence.

Planning for the future MEO facility will be a priority, with a focus on modernization to make day-to-day operations more efficient while creating a more conducive working environment for employees. The new facility will also incorporate design features that are sensitive to the needs of families who visit to identify loved ones.

Percentage of postmortem reports completed within 90 days of autopsy	90%	90%	90%	90%	90%

BUDGET HIGHLIGHTS

- Federal grant funding for two investigations positions that are critical to operations.
- Full implementation of incentives to recruit and retain forensic pathologists.
- Opioid settlement funding to support collection and dissemination of opioid data.

MISSION

To enhance the safety and security of Cook County and its residents by working to build capacity to prevent, protect against, mitigate the effects of, respond to and recover from all incidents whether human-caused or natural.

MANDATES

Federal, state and county laws mandate that local governments develop and maintain emergency management capabilities. Stafford Act (42 USC §5121-5208), Illinois Emergency Management Agency Act (20 ILCS 3305 et seq.) and Cook County Emergency Management and Services Ordinance (Chapter 26, Article II).

OPERATIONAL HIGHLIGHTS: 2024 INITIATIVES AND OUTCOMES

In FY2024, the Cook County Department of Emergency Management and Regional Security (EMRS) invested in core elements of its mission by strategically expanding the planning team, adding three employees, broadening training programs for first responders to ensure they are well-equipped to handle crises and disseminating a Notice of Funding Interest (NOFI) to municipal and County partners with an emphasis on supporting projects that enhance regional preparedness, response and recovery efforts. EMRS prioritized projects that addressed the needs of socially vulnerable communities. These initiatives underscore our long-standing commitment of building a more inclusive and resilient Cook County.

EMRS is fulfilling the objectives of the American Rescue Plan Act (ARPA)-funded Emergency Planning Assistance Program (EPAP), which launched in FY2023. This program assists municipal partners and County departments in developing and updating their emergency and continuity plans, supporting them in addressing disasters, emergencies and critical incidents.

The 2024 Cook County Multi-Jurisdictional Hazard Mitigation Plan (HMP) enhanced preparedness and strengthened the County's recovery and mitigation efforts. The HMP update is a critical process that helps anticipate potential disasters, reduce their impact and streamline the recovery process when they occur.

OPERATIONAL OPPORTUNITIES: 2025 INITIATIVES AND GOALS

In FY2025, EMRS will focus on strategic initiatives and funding priorities that strengthen planning, preparedness and recovery capabilities, ensuring a safer and more resilient future for Cook County residents.

EMRS will administer the Cook County Disaster Response and Relief Fund (DRRF) to address current and evolving emergency management challenges. Maintaining the Fund ensures the department can meet associated demands during a declared disaster.

To enhance our preparedness and strengthen catastrophic planning capability, EMRS will merge its preparedness team with planning staff. This integration ensures that the partnerships that EMRS develops are reflected in long-term emergency and continuity plans. This effort is crucial in building a resilient infrastructure that can withstand and quickly recover from disasters.

EMRS will continue the EPAP to ensure that all municipal partners and first responders are equipped with planning and preparedness resources. The department will increase outreach efforts with a targeted focus on socially vulnerable communities. EMRS will offer continuity of operations and continuity of government planning to County offices that have an annex in the Cook County Emergency Operations Plan. This level of comprehensive planning ensures that County services continue without disruption during and after unexpected events.

Performance Metric Name	2022 Actual	2023 Actual	2024 Target	2024 Projection	2025 Target
Percent of municipalities to which EMRS provides planning support	35%	54%	50%	60%	65%
Percent of municipalities receiving communications through EMRS notification systems	95%	97%	95%	97%	100%
Percent of municipalities participating in EMRS training opportunities	12%	24%	25%	30%	35%
Percent of municipalities who have received EMRS-managed physical assets and/or direct investments	13%	12%	2%	6%	10%

BUDGET HIGHLIGHTS

- Strengthen planning, preparedness, and recovery capabilities through strategic initiatives.
- Administer the Cook County Disaster Response and Relief Funds to address evolving emergency management challenges.

MISSION

To accelerate economic growth and foster thriving communities by investing in transportation projects through the region and implementing the County's Long Range Transportation Plan.

MANDATES

Legislative Authorization: Illinois Highway Code – County Administration of Highways (605 ILCS 5/5). The Illinois Motor Fuel Tax “MFT” Law (35 ILCS 505) dedicates 16.74% of the state’s MFT funds to “counties with over 1 million in population.” As a result of the 2019 REBUILD Illinois Capital Bill, the Illinois General Assembly dedicated additional MFT revenues to the County and created the Transportation Renewal Fund.

OPERATIONAL HIGHLIGHTS: 2024 INITIATIVES AND OUTCOMES

The 2024 Invest in Cook program made 35 modally diverse project awards across Cook County. The Department of Transportation and Highways (DoTH) prioritizes equitable project investments and awarded over 60% of its funding to projects in low-to-moderate income communities. These resources are projected to enable \$41.2 million in project activity, leveraging the department’s investment by nearly 525%.

Funding from the American Rescue Plan Act allowed DoTH to identify and advance projects for the one-time \$25 million Invest in Cook expansion and \$20 million Stormwater Management Partnership program. These projects address critical infrastructure needs across the County.

DoTH advanced its first federally funded Highway Safety Improvement Program project to significantly reduce traffic fatalities and serious injuries at intersections with a history of severe crashes. This \$4.2 million dollar project will leverage nearly \$1 million in federal safety funds.

OPERATIONAL OPPORTUNITIES: 2025 INITIATIVES AND GOALS

Together with key partners, DoTH secured funding to advance major initiatives, such as critical regional roadway and railway improvements along I-490, Touhy Avenue, Elmhurst Road to Mount Prospect Road, which includes the new overpass at the UP-Railroad crossing and Franklin/Green, York Road to Runge Street.

DoTH will continue to focus on preservation and maintenance of County-owned assets. Approximately, 63% of the County’s total roadway lane miles are in fair or good condition with nearly 65 miles of roadway rehabilitation and pavement reconstruction programmed. This reflects DoTH’s commitment to improve roadways that are in a state of disrepair.

DoTH plans to advance a federally funded Highway Safety Improvement Program project to significantly reduce traffic fatalities and serious injuries at intersections with a history of severe crashes. This \$8.75 million project will leverage nearly \$2.2 million in federal safety funds.

Cook County is engaging in conversations led by Illinois General Assembly on the future of transit services in northeast Illinois with the upcoming fiscal cliff facing service providers. Public transit is critically important to the region, providing more than 300,000 Cook County residents transportation to and from work, with 90% of all transit trips beginning or ending in Cook County. Transit equity and improved services through revenue and governance reform remain a top priority.

Performance Metric Name	2022 Actual	2023 Actual	2024 Target	2024 Projection	2025 Target

Percent of Cook County bridges that are in good condition	55%	53%	55%	53%	55%
Number of multi-jurisdictional projects enabled by Cook County	64	95	115	87	135

BUDGET HIGHLIGHTS

- Use federal safety funds to implement the department's second program that will help reduce traffic fatalities and serious injuries at intersections with a history of severe crashes.
- Full funding of technical positions to enable management and delivery of a robust capital program.
- Advance several regionally significant capital projects that will help support local economies, freight logistics, partner agency improvements and equity.

MISSION

The Cook County Law Library promotes equitable access to justice by providing residents, attorneys and public officials with a robust collection of legal information, resources and technology while offering high-quality legal research assistance.

MANDATES

Establish and maintain Law Library that is freely available to all members of the public (55 ILCS 5/5-39001; Cook County Code of Ordinances, Chapter 50, Article II).

OPERATIONAL HIGHLIGHTS: 2024 INITIATIVES AND OUTCOMES

Branch renovations – Maywood branch renovations were completed and updated computers and equipment were deployed in July 2024.

Disability access to justice – The Law Library is in discussion with community organizations interested in providing free legal aid services in Law Library facilities. Disability rights organizations have been notified about the services and accessibility options at the Law Library.

OPERATIONAL OPPORTUNITIES: 2025 INITIATIVES AND GOALS

Law Library Ordinance revisions – Revising the Law Library Ordinance will make acquiring library cards easier for non-attorneys and will codify remote service options.

Consulting and library vision planning – The library hired a consultant to establish a new comprehensive vision for the library’s future. The consultant will begin this work at the beginning of Q4 FY2024.

BUDGET HIGHLIGHTS

- FY2025 revenue calculation is based on an average of FY2023 actual and FY2024 projected revenue. High variance year-over-year and lack of data on court filings presents a significant challenge to revenue forecasting.
- Updated FY2024 revenue projections indicate that the Special Purpose Fund deficit should be eliminated by mid-FY2026.

MISSION

To protect humans and companion animals from rabies and other communicable diseases through education, vaccination, registration, legislation and surveillance and research into wildlife.

MANDATES

Uphold the Animal Control Act (510 ILCS 5), Humane Care for Animals Act (510 ILCS 70), Cook County Animal Control Act Ordinance (Chapter 10) and the federal Pets Evacuation and Transportation Standards Act.

OPERATIONAL HIGHLIGHTS: 2024 INITIATIVES AND OUTCOMES

The Department of Animal and Rabies Control (ARC) awarded the Evanston Animal Shelter \$2 million through the Housing Cook County Animals grant program to build a new facility to open in fall 2024.

First responders from more than 30 agencies participated in training hosted by ARC. ARC is building an online library of educational training videos for animal first responders across Cook County and is creating new content to add to the digital catalog. The site is expected to go live in fall 2024.

Increased the number of free or low-cost Partners in Prevention vaccine and microchip clinics by approximately 25%. ARC included three new partners for the 2024 clinics. ARC also partnered with the County's Department of Veterans Affairs to expand the Vets and Pets vaccine and microchip program to include three clinics in 2024. The 2023 Vets and Pets program received a 2024 NACo Achievement Award.

ARC is procuring a software platform to better manage and analyze data while processing requests in a timely and efficient manner.

Used grant funding awarded by the Department of Emergency Management and Regional Security to procure an animal emergency housing vehicle.

Coyote, otter and other wildlife surveillance projects are ongoing and fully staffed, allowing more information to be collected. A study of feral cats and zoonotic diseases such as leptospirosis was launched in collaboration with the Forest Preserves of Cook County and is ongoing.

OPERATIONAL OPPORTUNITIES: 2025 INITIATIVES AND GOALS

ARC increased the number of free or low-cost Partners in Prevention clinics by approximately 20% and continues to expand the number of clinics offered each year to improve the overall health of household pets and their owners throughout the County. The department will also expand its partnerships with local animal care organizations that assist with the clinics.

Lending a Hand is a new mobile clinic program which provides free rabies vaccines to companion animals of unhoused County residents. The program deployed in June 2024 within identified areas occupied by the unhoused population in municipalities within Cook County.

ARC is reviewing Chapter 10, Animals of the Cook County Code of Ordinances for relevant updates.

BUDGET HIGHLIGHTS

- Procure, furnish and train animal first responders on the mobile emergency animal housing vehicle.
- Hosted three Vets and Pets rabies vaccine and microchip clinics in 2024.
- Collaboration with Illinois Animal Control Association on first responders' program to expand training opportunities for the entire state of Illinois, in-person and at training site. and impact State legislation.
- Upgrading ARC mobile assets to improve capability to transport farm animals within the County.
- "Lending a Hand" provides free rabies vaccinations and microchips for the County's unsheltered population.
- Acquisition of drone technology for search and rescue of stray companion animals for use as needed to support other efforts within the County.
- Continue to fill vacant field, administrative, union and exempt positions which will allow for internal promotion opportunities within the department.

MISSION

The Office of the Chief Financial Officer (OCFO) ensures the fiscal affairs of the County are managed with the goal of long-term fiscal sustainability. The OCFO will use quantitative and qualitative expertise to support financial operations Countywide.

MANDATES

Mandated by Chapter 2, Article V, Division 3 Bureau of Finance of Cook County Bureau of Ordinances.

OPERATIONAL HIGHLIGHTS: 2024 INITIATIVES AND OUTCOMES

In 2024, the OCFO focused on ensuring all ARPA programs are fully obligated. With program leaders, we have implemented a sustainability plan for pandemic relief programs across the County to continue the equitable and transformative work initiated with federal funds. Numerous stakeholder meetings, active inclusion of community voices, the development of a detailed evaluation matrix of each program, and comprehensive monitoring have all supported a benchmark standard of achievement.

In 2024 the OCFO, alongside the Department of Emergency Management, worked with State and City partners to secure over \$70 million in funding for state declared emergencies associated with the influx of new arrivals. This ensured sufficient funds were available to feed up to 15,000 new arrivals every day in 2024.

The OCFO recently launched the Finance Transformation Office (FTO) to provide County departments with enhanced support for strategic and operational initiatives and position them for increased innovation. Initiatives such as the development of a centralized SharePoint site to track progress and notify key personnel of required end-of-year closing activities and a redesign of procurement processes have been completed or are underway. The OCFO is also implementing new software to assist in forecasting labor costs under various scenarios. To date, the County received a rating upgrade from Fitch and closed a bond deal at the end of August.

OPERATIONAL OPPORTUNITIES: 2025 INITIATIVES AND GOALS

The fiscal year 2025 budget provides the resources to implement internal process improvements that increase efficiency and advance innovation. By working closely with the Independent Revenue Forecasting Commission, we intend to improve our forecasting methods and associated documentation. By investing in staff, training, and professional services we hope to leverage the County's borrowing authority to make more strategic investments that generate new sources of revenue. With the expanded capacity, we will support the other departments within the Bureau of Finance (BOF) through the Financial Transformation Office. We have opportunities to shift our focus toward refining procurement and grants management processes. Finally, we will continue our review of ARPA programs to evaluate them as potential candidates for ongoing sustainability, while ensuring that we spend every dollar before the end of the ARPA eligibility period in 2026.

BUDGET HIGHLIGHTS

- Maintains 2024 staffing levels to ensure progress on strategic priorities.
- Invests in staff by providing professional services and technology that will improve financial decision making.
- Sustains critical levels of staff to provide analytics related to federal funding.
- Continues investments in our analytical strength to support on-going and ad-hoc analysis for timely, accurate and objective analysis.

To efficiently administer and equitably enforce compliance with Cook County Home Rule taxes while providing courteous and professional service to the public. To process Cook County fines, fees, and license applications in an accurate and timely manner.

MANDATES

Various Articles of Chapter 74 – Taxation; Uniform Penalties, Interest and Procedures Ordinance, Article III of Chapter 34 – Finance; A portion of the administrative tasks in Chapter 54 – Licenses, Permits and Miscellaneous Business Regulations.

OPERATIONAL HIGHLIGHTS: 2024 INITIATIVES AND OUTCOMES

CITATION MANAGEMENT SYSTEM

Completed the payment processing portion of Citation Management and assisted with the integration for Administrative Hearings.

INTEGRATED TAX PROCESSING SYSTEM (ITPS)

Department of Revenue (DOR) will complete four Compliance programs in ITPS including the new Individual Use Tax billing program .

PAYMENT PROCESSING

DOR completed the conversion of various systems to the new ACH payment processing solution used by DOR banking partner.

DOR will also work with other County agencies to facilitate their use of ACH for payment acceptance.

OPERATIONAL OPPORTUNITIES: 2025 INITIATIVES AND GOALS

Complete a major upgrade of the Integrated Tax Processing System which will bring several enhancements to the system allowing for greater efficiency and flexibility for processing returns and registrations.

Procure and train a tobacco-sniffing canine and assign a handler to our Tobacco Unit to support our Field Investigators in their search for contraband tobacco products.

Complete a Request for Proposal (RFP) for credit/debit card processing and work with a selected vendor to implement a processing solution to collect revenue on behalf of all associated agencies.

DOR will continue to participate in the design and implementation of the ongoing Countywide Citation Management System project.

Work with the Illinois Department of Revenue on a more streamlined process for collecting Individual Use Tax for retail purchases outside of Cook County but within the State of Illinois.

MISSION

Risk Management is responsible for the cost-effective and customer-focused administration of employee benefits, workers' compensation programs, and general liability programs across all County employers in accordance with local, state, and federal requirements.

MANDATES

745 ILCS 10/9-103 – Illinois Local Governmental and Governmental Employees Tort Immunity Act

55 ILCS 5/6-24002 – Counties Code

The administration of strategy and activities associated with Cook County's liability and losses, including those related to the workers' compensation and employee benefits programs, and as directed by the Counties Code, Illinois State Statutes, and Federal Code that have been delegated to the Department of Risk Management.

OPERATIONAL HIGHLIGHTS: 2024 INITIATIVES AND OUTCOMES

The Department continued to review current programs, vendor administration, and plan services. Implemented outcomes are as follows:

- New health and group benefits consulting services, unemployment compensation claims program administration, and risk management information system contracting initiatives.
- Focused on technology to assist with customer outreach, enhanced data exchange between the Bureau of Finance and Cook County State's Attorney's Office, and streamlined practices around shared collaborative platforms and tools.
- Continued focus on member education and benefits literacy for County employees. Increased participation at health fairs by 75% with over 500 employees attending. Added popular pre-retirement webinars featuring both pension fund and deferred compensation content to the roster of available benefits education events.

OPERATIONAL OPPORTUNITIES: 2025 INITIATIVES AND GOALS

Enhance Voluntary Benefit carriers to better meet the needs of County employees at lower costs.

Continue to increase Employee Assistance Program utilization by encouraging County leaders to utilize services in response to critical incidents.

To enhance service delivery at a lower cost, the department plans to strategically align service providers to negotiate better rates and consistent service quality, including new contracting initiatives for:

- Group Term Life Insurance Benefits
- Workers' Compensation for Managed Care Claims Administration
- Administrative Services for Patient Arrestee Medical Bills
- General Liability and Auto Claims
- Actuarial consulting services for self-insured workers' compensation and other liability claims
- Insurance Brokerage Services (Municipal Liability, Medical Malpractice, and Managed Care Excess of Loss Insurance - CountyCare)
- Insurance Brokerage Services (Property and Cyber Liability)
- Employer-Sponsored Dental Benefits

MISSION

The Department of Budget and Management Services promotes fiscal responsibility by preparing, managing, and executing the County's budget.

MANDATES

Adheres to state statutes governing the budget process (55 ILCS 5/6-24001-24007). Each year prepares and issues a Preliminary Budget Forecast on or before June 30th and submits the Executive Budget Recommendation to the Cook County Board of Commissioners by October 31st (Cook County Code of Ordinances Section 2-930 through 2-937).

OPERATIONAL HIGHLIGHTS: 2024 INITIATIVES AND OUTCOMES

Department of Budget and Management Services (DBMS) has been leading the fiscal management of over seventy ARPA community initiatives by reviewing expenditure performance and the related compliance, while working closely with the Office of Chief Financial Officer (OCFO) to determine sustainability plans for each of the community initiatives. In order to incorporate voices from County residents to inform the County's ARPA sustainability plan, DBMS, in collaboration with the President's Office, developed a community survey, which was released in August. DBMS will report the survey results in winter 2024.

In FY2022, DBMS launched a project to identify a modern budgeting system for the County. In FY2024, DBMS completed the Request for Proposal (RFP) to identify the most qualified budget planning solution. DBMS will start configuration of the solution in FY2025. Further, DBMS has also been working to identify a qualified third-party firm that provides consulting services related to grants management including the areas of compliance, business process improvement, policy development and grants training. DBMS launched the project (Grant Infrastructure Optimization; GIO) and will work with various County Agencies to improve the County's grant infrastructure and management process.

OPERATIONAL OPPORTUNITIES: 2025 INITIATIVES AND GOALS

In FY2025, DBMS works to enhance the current grants management and countywide budget planning infrastructure. DBMS will lead the GIO project working with countywide stakeholders to assess the current grant infrastructure and develop the business process improvement plan and related policies. DBMS will also work closely with Bureau of Technology (BOT) and stakeholders to configure and implement the new budget planning solution to go live in FY2026 for FY2027 budget development.

DBMS expanded the data management and analysis division in FY2024. The data division will develop multiple dashboards to facilitate the DBMS employees' data consumption and application of the data to inform budgetary decisions.

MISSION

Supervise the fiscal affairs of Cook County by maintaining the accounting records, general ledger (GL), financial reporting (FR), accounts payable (AP), payroll and garnishments (PG) (i.e. disbursing and reconciling the County's multibillion dollar budget.)

MANDATES

The Office of the Cook County Comptroller operates in accordance with Section 2 of the Cook County Code of Ordinances.

OPERATIONAL HIGHLIGHTS: 2024 INITIATIVES AND OUTCOMES

The Office of the County Comptroller not only ensured that the County's Annual Comprehensive Financial Report (ACFR) was delivered on time, but also received the Government Finance Officers Association's Certificate of Achievement for Excellence in Financial Reporting. Additionally, the office successfully implemented GASB No. 96 Subscription Based Information Technology Arrangements (SBITAs), which increases the usefulness of governments' financial statements.

In FY2024, the Comptroller's Office implemented a system to track, manage and process employee reimbursements in a more efficient manner.

OPERATIONAL OPPORTUNITIES: 2025 INITIATIVES AND GOALS

Implementation and training of employee reimbursements software (iExpense).

Implementation of a Purchasing Card program to improve the purchasing process while ensuring appropriate oversight of spending.

The general ledger and financial reporting teams will continue working with county-wide departments to implement best practices to reduce audit adjustments and reduce inefficiencies in the decentralized daily County-wide accounting systems and in the monthly and year-end closings over the coming years and follow up with departments on resolving their audit findings.

The Comptroller's office is working with the Bureau of Finance Departments, Bureau of Technology and CCH Finance team to close the month within 45 days of month end within EBS to ensure timely monthly reporting and year end close.

Reduce financial report audit and Single Audit findings FY25, and issue the Annual Comprehensive Financial Report by 5/31/2025.

The Accounts Payable (AP) section has continuously enforced internal procedures to process payments within 10 working days of invoice receipt in the Comptroller's queue in EBS to be in compliance with the Local Government Prompt Payment Act. While, per the Act, the Comptroller has 30 days to pay invoices once received, In 2024 AP averaged 9 days, which is an improvement from the prior year's 10 day average processing time.

BUDGET HIGHLIGHTS

- Effectively recruiting to fill positions in the Comptroller's Office to meet the mission, mandates and goals of the office.
- Continued implementation of employee reimbursement software (iExpense).
- Continue efforts to pay invoices within 60 days.

MISSION

To increase the pool of qualified diverse vendors who are in a position to participate in Cook County contracting opportunities. To promote racial parity, contract diversity and continued transparency with industry best practices.

MANDATES

The OCC operates in accordance with Cook County Ordinance Sections 34-237, 34-238; 34-260 - 300.2.

OPERATIONAL HIGHLIGHTS: 2024 INITIATIVES AND OUTCOMES

The Office of Contract Compliance (OCC) worked with Deloitte to conduct a job architecture and design assessment to optimize the department organizational design. OCC has successfully added headcount to better complete ad-hoc tasks leading to strategic growth, centralize administrative functions, along with adding additional management to assist with process improvement and improve workflows. These additions set the foundation for a cultural promoting teamwork and collaboration.

Over the past year, the Strategic Initiatives Division focused on increased visibility, educational initiatives and revitalized engagement. Through these efforts OCC increased outreach participation by 15%, leading to 75 newly certified vendors.

Since launching our educational vendor programming initiative, the department launched a monthly series entitled "Contract Connections" which offers valuable webinar trainings as well as our official department YouTube channel that serves as a virtual classroom for on-demand learning. This along with our Eventbrite page has acquired close to 200 subscribers. Our live training webinars have averaged 60% of the registration number in attendance, with an additional 20% engaged in on-demand learning. Furthermore, our educational initiative has promoted better positioning within the vendor community, opening doors for a broader range of businesses to thrive through contract readiness.

OPERATIONAL OPPORTUNITIES: 2025 INITIATIVES AND GOALS

Effective December 1, 2024, commensurate with the start of fiscal year 2025, the Office of Contract Compliance has been fully integrated into the Office of the Chief Procurement Officer.

MISSION

To provide an open and transparent procurement process that promotes maximum competition, delivers procurement opportunities to our community, promotes contract equity, increases the number of qualified diverse vendors to participate in contract opportunities, implements efficient procurement practices, and leverages the County’s overall resources to achieve the best value and quality.

MANDATES

The Office of The Chief Procurement Officer (OCPO) is governed by the Cook County Procurement Code, codified at Chapter 34, Article IV, Divisions 1-10, Sec. 34-120 through 34-365.

OPERATIONAL HIGHLIGHTS: 2024 INITIATIVES AND OUTCOMES

- Procuring the construction, goods, professional services, and work services for the Offices Under the President and the Offices of Elected Officials. In 2024, OCPO processed 322 items, and OCPO remains committed to advancing process improvements. Examples include:
- Expanded use of Letters/Statements of Interest to streamline the Request for Quote (RFQ) process.
- Launched Service Level Agreements for open projects.
- Developed email blasts to vendors registered in Bonfire to notify them of contract opportunities.
- Provided training on topics such as specification development, contract management, and Economic Disclosure Statement compliance.
- Expanded outreach through the third annual Pathways to Cook County summit, expanding the Strategic Engagement and Outreach team, hosting workshops on how to do business with the County, and launching Contract Connections, a YouTube channel that serves as a virtual classroom for on-demand learning.

OPERATIONAL OPPORTUNITIES: 2025 INITIATIVES AND GOALS

- Operational merger of the OCPO and the Office of Contract Compliance.
- If Code revisions are adopted, a reduction in procurement cycle and certification processing times.
- Complete Economic Disclosure Statement digitization project to simplify the EDS completion process for vendors.
- Implement a digitized Utilization Plan which includes M/WBE documentation.
- Launch a Small Local Business Enterprise initiative and certification program that complements the M/WBE program.
- Increase and improved data collection, reporting, and benchmarking.
- Launch a small procurement program.

MISSION

To align Cook County's policies, practices, and processes to its position as an employer of choice through collaboration, valuing diversity, and leveraging subject matter expertise in all HR functional areas to support Bureaus and Departments in Offices under the President.

MANDATES

Sections 44-45 of the Cook County Code of Ordinances establish the responsibilities and functions of the Bureau of Human Resources. The Cook County Employment Plan governs the County's hiring process managed by the Bureau.

OPERATIONAL HIGHLIGHTS: 2024 INITIATIVES AND OUTCOMES

To further the Department of Human Resources 'Employer of Choice' initiative, the Department implemented a job architecture system for Offices Under the President ("OUP") that provides enhanced recruitment and career pathing for employees; an updated classification and compensation system that ensures market alignment and standardization of the compensation schedule County-wide; and SharePoint sites for all OUP departments to access their own job descriptions. The new job architecture system resulted in market-relevant titles, and the compensation system enhances recruiting and retention.

The Department launched a new performance management system, and made critical enhancements to the County's applicant tracking/application system. The new performance management system is a necessary tool to aid the Department in instituting the new employee evaluation process and surveys to gauge employee sentiment. The Taleo enhancements project, which automates manual processes and improve the end-user experience, completed Phases 2 and 3.

OPERATIONAL OPPORTUNITIES: 2025 INITIATIVES AND GOALS

- For FY2025, the Department will implement a new employee evaluation process, strengthen the County's talent pipeline and develop a professional development framework for the procured training courses. The Department will also continue to monitor all division activities for opportunities for improvement.
- The Talent Pipeline initiative will begin in FY2025, as the Department is actively recruiting personnel with expertise for implementation. Meanwhile, the Department continues to leverage existing partnerships established with high schools, colleges and universities through the Internship Placement Process. For professional development, the Department continues to partner with the Office of the Chief Procurement Officer to procure vendors for additional training content and certification programs.

Performance Metric Name	2022 Actual	2023 Actual	2024 Target	2024 Projection	2025 Target
Percent of OUP Employees who have Completed all Mandated Compliance Trainings	100%	98%	100%	100%	100%
Percentage of Open EEO Investigations Closed	-	-	90%	90%	90%
Average Employee Tenure	12.6	11.24	11.0	11.0	11.0
Average Time to Fill Positions	99	98	90	90	90
Number of New Hires in OUP	342	409	425	441	375

BUDGET HIGHLIGHTS

- Sustained necessary staffing levels for successful management of recruitment and talent pipeline efforts.
- Reduced critical vacancies due to robust recruiting and marketing efforts.
- Allocated additional resources to support the expansion of the County's professional development program.
- Transferred expenses associated with Bureau-level administrative, operational, and compliance related functions to new department.

MISSION

The Employee Appeals Board is charged with hearing all appeals of any career service employee (not represented by a union) for disciplinary action relating to discharge, demotion or suspension (for a period of more than ten days) upon the request of the employee to assure fair and equitable treatment.

MANDATES

Section 44-49 of the Cook County, Illinois - Code of Ordinances governs the structure and responsibilities of the Employee Appeals Board.

KEY ACTIVITIES AND SERVICES

The Employee Appeals Board consists of members appointed by the President of the County Board for a term of six-years or until their respective successors are appointed. The Employee Appeals Board conducts a hearing for all appeals by any career service employee (not represented by a union) pertaining to discharge, demotion or suspension for a period of more than ten days or as assigned by the Chief of Human Resources for suspension of ten days or less upon request of the employee.

MISSION

To facilitate the bargaining of collective bargaining agreements (CBA), ensure effective union and management relations, enforce and interpret contract language and administer contractual processes as they relate to management of union personnel in Cook County.

MANDATES

The Illinois Labor Relations Board governs the functions administered by the Department of Labor Relations.

OPERATIONAL HIGHLIGHTS: 2024 INITIATIVES AND OUTCOMES

For FY 2024, the Department of Labor Relations' goals were to train managers, mitigate litigation costs, and foster labor peace. Labor relations will continue to train new managers on contract language in the collective bargaining agreements to ensure effective union and management relations while continuing to administer contractual processes as they relate to the management of union personnel in Cook County Government; reduce the arbitration case load and mitigate high-ticket litigation; and prepare the labor environment for successor bargaining.

The Department of Labor Relations continues to mitigate high-ticket litigation avoiding millions of dollars of potential costs. Manager training begins third and fourth quarter.

OPERATIONAL OPPORTUNITIES: 2025 INITIATIVES AND GOALS

For FY 2025, the Department of Labor Relations' primary goal is to prepare the labor environment for successor bargaining and commence successor bargaining County-wide.

MISSION

The Bureau of Technology (BOT) provides cost-effective and easy-to-use services for Cook County residents and County employees.

MANDATES

Ordinance 14-1481; Resolution 17-2732; Resolution 13-2002; Ordinance 16-2289; Ordinance No. 16-3977, as updated by Ordinance 20-1076; Chapter 2, Article IV, Division 2, Subdivision II, §2-220; Resolution 17-6199; Ordinance 18-5634; Ordinance 20-4415; Ordinance 23-0557

OPERATIONAL HIGHLIGHTS: 2024 INITIATIVES AND OUTCOMES

BOT made significant strides in FY2024. BOT expects to retire the mainframe and AS/400 in FY2024. This milestone marks the culmination of a decade-long modernization effort, transitioning critical applications to contemporary platforms.

Working in conjunction with Human Resources, BOT has continued to make great strides with hiring. Using updated job descriptions, more competitive salary offers, and an attractive telecommuting policy, BOT has hired dozens of new staff members in the areas of cybersecurity, application development and support, quality assurance, change management, and information technology architecture.

In FY2024, BOT developed Artificial Intelligence (AI) use guidelines for County employees to use the technology appropriately for productivity and reduce risks to the County. In FY2024, The Information Security Office closely coordinated with the Cook County Clerk’s Office to support election security during the Presidential Primary Election and upcoming Presidential General Election and completed acquisition of a Governance, Risk and Compliance (GRC) contract to conduct security control assessments on Cook County information systems.

The Enterprise Applications and Data Analytics teams helped launch the arpa.cookcountyil.gov, showcasing the allocation of \$1 billion in American Rescue Plan Act funds. Additionally, Geographic Information Systems (GIS) and Data Analytics created the Digital Equity Score and accompanying map.

OPERATIONAL OPPORTUNITIES: 2025 INITIATIVES AND GOALS

Looking ahead to FY2025, BOT is poised to advance several key initiatives. The Information Security Office is leading a working group to develop an AI Risk Management Framework policy to incorporate into future assessments, ensuring AI risk is addressed and managed. This proactive approach will position Cook County at the forefront of responsible AI adoption in government operations.

In FY2025, BOT will implement an enterprise-wide hosting and disaster recovery solution which will assist with Information Technology (IT) infrastructure consolidation and disaster recovery solutions for critical infrastructure and applications in the event of a disaster. BOT will also implement enterprise Identify and Access Management (IAM) and enable IAM for software applications across the County to improve security while also simplifying the sign-in process to improve user experience. IAM is a fundamental component of Cook County IT strategy, playing a crucial role in ensuring the security, efficiency, and compliance of IT operations.

BOT Data Analytics will spearhead a comprehensive engagement to assess and document all Office Under the President (OUP) electronic data assets. The team will also begin procuring and implementing a centralized, cloud-based database for data assets across OUP departments. Building on FY2024’s mainframe retirement, BOT will focus on optimizing and enhancing newly modernized systems.

MISSION

The Bureau of Economic Development's mission is to enhance quality of life for Cook County residents through transformative and equitable economic and community development.

MANDATES

Within the Bureau, the Office of Economic Development (OED) leads the strategic management of the Departments of Planning and Development, Building and Zoning and Zoning Board of Appeals. The OED drives the County's policy initiatives and programs to support small businesses, key sectors, and talent solutions, and address income inequality while leveraging public and private resources.

OPERATIONAL HIGHLIGHTS: 2024 INITIATIVES AND OUTCOMES

Initiative 1: Implement ARPA and Equity Fund programs to further resiliency and equity for residents and businesses. OED has successfully continued to proactively and adaptively manage 26 ARPA and Equity Fund programs. The Bureau has also distributed 60% of its \$293.7M ARPA allocation.

Initiative 2: Support Community Development to improve equity and capacity building in Cook County. OED has continued to successfully manage the Guaranteed Income Pilot, lead Cook County Legal Aid for Housing and Debt to be an award-winning program that is changing the court system, replace 87 lead service lines at home-based childcares, and is expanding the reach of the successful new 211 system.

Initiative 3: Implement Economic Development programs that build resiliency and help the region thrive. OED successfully provided advising services to 4,766 entrepreneurs, issued grants to 3,000 small businesses in Cook County to aid recovery, trained nearly 400 residents through workforce programs, launched a Social Equity Cannabis Grant program, and is developing plans to improve access to capital for supplier businesses.

Initiative 4: Continue to build out BED's operational, program management, and financial infrastructure. In FY24, OED hired 15 staff, aligned ARPA and Equity fund programs with new financial and performance management systems, trained staff on new grants management systems, and began bimonthly convening lunch and learns.

OPERATIONAL OPPORTUNITIES: 2025 INITIATIVES AND GOALS

Initiative 1: For Residents, OED will continue to emphasize initiatives that improve access to social services and increase economic mobility, with goals to increase the utilization of the 211 system in suburban communities, continue building the backbone of a Community Information Exchange, complete the Cook County Promise Guaranteed Income Pilot and begin assessing future program options for the County, and implement several water affordability programs.

Initiative 2: For Businesses, OED will launch the Chicagoland Solar Collaborative and continue the suite of sector driven ARPA programs supporting manufacturing, tourism, and the arts. OED will deepen its small business assistance services and launch an access to capital pilot, continuing investments in Cook County's small businesses and the organizations that support them. OED will further its workforce training partnerships and begin an intra-agency effort to develop "good job" standards to guide investment and program priorities.

Initiative 3: For Communities, OED will continue its work to support the local governments and non-profits that help the County's residents and businesses thrive. Specifically, OED will accelerate implementation of programs like LeadCare Cook County, which replaces lead service lines at high-risk facilities, and continue the Transforming Places place-based initiative in five suburban areas, including the newest neighborhood network in Summit.

BUDGET HIGHLIGHTS

- To date in FY2024, OED has served over 70,000 Residents and 4,700 Businesses through its ARPA, Equity Fund, and Corporate programs.
- BED has obligated approximately 90% of the \$293.7M total ARPA allocation and is committed to obligating 100% by the end of FY2024.
- BED has enhanced its financial infrastructure by strengthening program monitoring and compliance activities as well as continuing to support external partners with fiscal and programmatic technical assistance.
- The Bureau successfully launched a nationally recognized Interactive Financial Dashboard reporting tool to proactively track and monitor ARPA program spending, in FY2024.

MISSION

The Cook County Department of Planning and Development (DPD) is committed to cultivating vital communities by fostering economic opportunities and business development, preserving, and expanding the supply of affordable housing, and providing subsidies to critical supportive services.

MANDATES

Three Federal regulations govern the entitlement grants that are provided to Cook County via an annual formula from the U.S. Department of Housing and Urban Development (HUD). These grants include: HOME, CDBG and ESG and target suburban Cook County. Sec. 74-583 (Ord. No. 08-0-53, 10-1-2008; Ord. No. 09-0-28,5-5-2009).

OPERATIONAL HIGHLIGHTS: 2024 INITIATIVES AND OUTCOMES

The Department’s work supports the new Policy Roadmap and the Bureau’s strategic plan, with specific work in creating affordable housing, transforming the homeless system to provide more dignified and successful care, making social services more accessible and available, supporting businesses in reinvesting in our communities, and providing resources to and building the capacity of local governments and nonprofits. DPD completed the fourth year of a five-year Consolidated Plan with HUD. HUD awarded additional CDBG, ESG and HOME resources to Cook County to address unique needs the pandemic created in Cook County’s neediest communities. In addition to annual “Entitlement Grants”, DPD continued to work with Covid-19 allocations known as: CDBG-CV, ESG CV, ARPA-SLFRF and HOME-ARP. The ESG-CV grant to address homelessness was fully expended and closed.

DPD was successful in securing and distributing \$15,000,000 from the State of IL through the final phase of the Rental Assistance program which focused on Eviction Prevention. Existing nonprofit partners were provided additional ARPA funds to support their operations, assist DPD as case management experts and link Cook County’s most vulnerable residents to resources for daily life and shelter. The initiative also acquired two hotels to serve as fixed-site shelters and transitional housing as DPD continued to implement the Preventing Homelessness Initiative combining services with housing.

OPERATIONAL OPPORTUNITIES: 2025 INITIATIVES AND GOALS

DPD continues to work with local, state and federal partners to define policy and programs, and facilitate housing stability across Cook County in line with the Policy Roadmap and Bureau Strategic plan. DPD will continue to collaborate with partner agencies to align our federal resources and identify additional funding through programs that seek to stimulate reinvestment, improve quality of life for Cook County residents and further equitable economic vitality for the most vulnerable residents, businesses and communities. This will enable the Department to invest in affordable housing providing more units to renters, grow the number of homeowners, small businesses, and capacities in critical social service agencies assisting Cook County’s homeless residents.

In 2025, the focus will be to complete pandemic-funded programs that are facilitating significant progress on policy priorities to increase the stock of affordable housing and transform the homeless system, such as new fixed-site shelters, modular housing and transitional housing. To continue to progress on the priority to assist businesses in reinvesting in our communities, DPD will expand self-sustaining programs such as Commercial Property Assessed Clean Energy. DPD will continue to evolve our Public Service portfolio to focus on key needs and develop a new 5 Year Consolidated Plan and Comprehensive Economic Development Strategy for our federal funding.

BUDGET HIGHLIGHTS

- DPD anticipates collecting \$100,000 in revenue from property tax incentive application fees by the end of FY2024.
- Increased allocation of staff time to federal grants received to support staff expansion in critical grant-funded program areas.
- DPD is projected to serve 57,500 persons in Cook County with CDBG, HOME, ESG and ARPA funding.

MISSION

The Department of Building and Zoning promotes the health, safety, and welfare of Cook County residents by performing responsible and timely inspections of buildings and properties and enforcing all applicable building codes and zoning ordinances.

MANDATES

Except for single-family residences, the Department must inspect annually, semi-annually, or otherwise such buildings, structures, equipment, sites and uses for which a certificate of compliance (occupancy) or business license has been issued including all multiple dwellings of four or more units.

OPERATIONAL HIGHLIGHTS: 2024 INITIATIVES AND OUTCOMES

The work of the Department of Building and Zoning supports the Policy Roadmap's priorities for Vital Communities and the Bureau's strategic plan, specifically the strategy to support economic & community development in unincorporated Cook County. To meet these goals and better serve residents, businesses, and communities, Building and Zoning continues to improve its current processes and procedures. Our Department's ongoing efforts include working closely with the Bureau of Technology (BOT) and our consultants to enhance the web-based permitting system that launched at the end of FY2016. The equipment and hardware necessary to support this system receive frequent updates and maintenance, as needed. We will continue working with BOT and our consultants to expand our electronic, web-based, building permit, and inspection process. This system will continue to improve the efficiency of our staff and will result in a higher level of customer service, transparency, and accountability. The Department also continued to advance its initiative to inspect multifamily buildings in unincorporated Cook County, improving health and safety for our residents.

OPERATIONAL OPPORTUNITIES: 2025 INITIATIVES AND GOALS

The Department continues to improve current processes and procedures by working closely with the Bureau of Technology and its consultants to enhance its web-based permitting and inspection system. In FY2025, the Department will continue working with the associated building trades to implement and expand their building code regulations to address and promote green technology and to provide current and consistent guidelines that best serve the County's constituents. This also advances County and Bureau priorities to promote sustainable and vital communities.

Percent Change in Number of Permits Issued	-1%	1%	5%	1%	1%
Percent Change in Number of Permit Applications Received Electronically	34%	5%	-2%	1%	0%

BUDGET HIGHLIGHTS

- The Department conducts 2,139 Annual Task Force Inspections by two teams of four Inspectors per year, throughout the 65-square miles of Unincorporated Cook County in addition to all Cook County Forest Preserve property, generating approximately \$550,000 annually in Revenue.
- The Department issued 1,200 Permits YTD with an average of 172 issued Permits per month, with an expected projected revenue of \$3.8M at the end of FY2024.

MISSION

The mission of the Zoning Board of Appeals is to preserve community safety and property values in unincorporated Cook County by assisting in the enforcement of land development standards in compliance with the Cook County Zoning Ordinance and Comprehensive Land Use Plan.

MANDATES

Cook County Zoning Ordinance Article 13.3.2.

Expedite zoning relief applications in a timely manner, serve public notices for applications pursuant to the requirements of the Cook County Zoning Ordinances and Illinois Open Meetings Act, arrange and conduct public hearings for zoning relief applicants seeking, submit findings of facts and recommendations to the Cook County Board of Commissioners, record and archive applications documents from the public hearing.

OPERATIONAL HIGHLIGHTS: 2024 INITIATIVES AND OUTCOMES

The work of the Zoning Board of Appeals supports the Policy Roadmap's priorities for Vital Communities and the Bureau's strategic plan, specifically the strategy to support economic & community development in unincorporated Cook County.

In FY2024, the ZBA continued to provide exemplary service to zoning appeals applicants of unincorporated Cook County by conducting its public hearings in a transparent, and equitable process. All applications were processed and expedited in a timely manner. The ZBA mailed over 3,000 public notices to residents of Cook County through July 2024 and processed and conducted hearings for 36 applications. In FY2024, the number of applications has exceeded FY2023, with 36 applications as of July 2024; as we have a 63% increase in cases this year, compared to mid-FY2023 and expect this trend to continue. We have processed and hosted public hearings for more complicated cases, which take more time due to the complexities involved with Map Amendments and Special Use Applications. Over the past year we have had more community engagement which is a result of inviting impacted businesses and residents to participate in the appeals hearings virtually. The number of days for completing the appeals process continues to hold steady, which was below the targeted 45 days for Variance Applications.

OPERATIONAL OPPORTUNITIES: 2025 INITIATIVES AND GOALS

In FY2025, the ZBA aspires to provide exemplary service by conducting public hearings timely, equitably, and transparently. ZBA is committed to providing notices in a timely manner, consistent with the requirements of the Zoning Ordinance, thus decreasing costs of completing public notices.

Further, ZBA strives to improve the appeals process through joint collaboration with Building and Zoning. In doing so, streamlining the appeals process and amending changes to the Zoning Ordinance. These efforts align with the Policy Roadmap priorities for Vital and Open Communities and Bureau priorities to support equitable economic vitality overall, and reinvestment in existing communities and unincorporated areas specifically.

BUDGET HIGHLIGHTS

- ZBA continues to reduce operating costs, including office supply cost, due to the department goal to use more technology.
- ZBA has observed an 80% decrease in paper usage by utilizing digital forms.

MISSION

The Bureau of Asset Management serves as a steward of County assets and optimizes the asset life cycle through Real Estate, Capital Planning, Facilities Management, and Energy Management. The Bureau’s mission is to build equitable and sustainable communities for all residents.

MANDATES

(Sec. 2-361) Real Estate: Recommendations for Sale, Purchase or Lease.

(55 ILCS 5/3-14003 & 5/3-14004) Creation of a department of construction, maintenance and operations.

(55 ILCS 5/2-5009) Supervise the care and custody of all county property.

OPERATIONAL HIGHLIGHTS: 2024 INITIATIVES AND OUTCOMES

ELECTRIC VEHICLE CHARGING STATIONS - To support deployment of the County’s electric vehicle (EV) fleet, the Department has completed the purchase and installation of five relocatable solar EV charging stations at the DOC Campus and Maywood Campus. Additionally, the Department successfully solicited and received Board approval for turnkey vendors to design, install, and maintain EV charging stations across the County. The initiative primarily focuses on Level 2 Dual-Port Pedestal charging stations.

BUILD UP COOK - Through Build Up Cook, the Department completed a needs assessment, executed IGAs, and obligated \$30.5 million in ARPA funding to improve critical infrastructure and public facilities in 26 under-resourced suburban communities through capacity building and construction support. The program also secured \$12.1 million in funds for lead water service line replacement (LSLR) in four of those communities.

CLIMATE GOAL ACHIEVED - Cook County has a goal to reach a 45% carbon emissions reduction for buildings by 2030 from a 2010 baseline. In FY2024, the County reported a 48.9% reduction through FY2023, achieving the goal 7 years ahead of the target date. All Departments in the Bureau helped achieve this goal through energy efficiency projects addressing electricity and natural gas. Cook County will continue its reduction efforts in FY2025 with approximately 7 MW of solar planned across numerous buildings in the portfolio.

OPERATIONAL OPPORTUNITIES: 2025 INITIATIVES AND GOALS

COUNTY BUILDING PROJECTS - The Department is continuing a multi-year program redesigning multiple floors in the County Building with the planned completion of construction and occupancy for the new Board Room, Commissioner Offices, and Offices of the President spaces on the 5th and 3M floors. In addition, the award and commencement of the modernization of the County Clerk’s Office on the 1st floor will occur. Lastly, the design for Bureau of Human Resources, Bureau of Technology, and Department of Facilities Management re-stack on 7th & 8th floors will commence.

BUILD UP COOK - Through Build Up Cook, the Department will advance 52 construction projects in 24 communities. The program will also continue to provide capacity building support through a workshop series, capital planning, and securing additional funding for LSLR, water infrastructure, and public facilities improvements.

ASSET MANAGEMENT SYSTEM - The Asset Management System implementation to reengineer most internal processes will be completed in FY2025 for use of the system. The Asset Management System will provide a unified lifecycle management solution across Departments and will result in efficient operational management.

MISSION

To maintain and operate Cook County facilities for the general public and Cook County Departments in a cost-effective manner and provide safe, reliable and clean facilities that support the business and services of the County.

MANDATES

(55 ILCS 5/2-5009) Any county executive elected under this Division shall: (j) supervise the care and custody of all county property including institutions and agencies.

(55 ILCS 5/3-14003) Department of construction, maintenance and operation.

OPERATIONAL HIGHLIGHTS: 2024 INITIATIVES AND OUTCOMES

INTERIOR BUILDING ASSET INVENTORY

Facilities Management has completed 20% of the Interior Building Asset Inventory with full completion expected within the fiscal year. Facilities Management is utilizing professional services toward the inventory of all building service equipment, which includes chillers, hot water tanks, compressors, etc. This data will include manufacturer, year, serial number, and model of assets used at each building. The data gathering will be utilized in our forthcoming asset management system.

INTERGOVERNMENTAL — INFRASTRUCTURE AND MAINTENANCE IMPROVEMENTS

Facilities Management has completed several Municipal projects and provided support during emergent infrastructure issues. One such project was the replacement of the Village of Dixmoor’s pump house infrastructure that services water distribution for the Village.

WORKFORCE/TRAINING

Facilities Management has established a successful partnership with Local 399 and completed its goal of 20 Operating Engineer Trainee hires. The Trainee program was established to provide an inclusive training program which creates a path to become a licensed Engineer upon completion within 3 years or less. County physical plant and associated equipment has proven to be optimum training ground for Operating Engineers. One Trainee has already been tested for licensing and was successfully moved toward a career path.

OPERATIONAL OPPORTUNITIES: 2025 INITIATIVES AND GOALS

COUNTYWIDE TOUCHSCREEN TECHNOLOGY

In partnership with the Bureau of Technology, Facilities Management is finalizing scope requirements for a Countywide Digital Concierge Platform/Touchscreen Technology. This technology will increase County transparency for the public and staff, allowing for wayfinding, posting of County announcements and specific building related information. The platform will be multilingual and accommodate vision impairment.

RECYCLING

Facilities Management continues to make enhancements to recycling and recycling awareness in County facilities. This includes initiative to create a robust recycling program to capture plastic, glass, and metal cans.

ASSET MANAGEMENT SYSTEM

Facilities Management will transition the Work Order System to the new Asset Management System in conjunction with the remainder of the Bureau.

MISSION

The mission of the Office of the County Auditor (OCA) is to provide independent and objective assurance and consulting services designed to add value and improve County operations while promoting transparency and accountability in government.

MANDATES

The OCA operates in accordance with the County Ordinance, Chapter 2, Article IV, Division 6, Auditor, Sec. 2-311, which grants the OCA the authority to conduct audits Countywide.

OPERATIONAL HIGHLIGHTS: 2024 INITIATIVES AND OUTCOMES

The OCA's first initiative was to expand audit coverage by increasing the number and scope of audits. We have made strides to increase our audit coverage, by conducting reviews of areas not previously audited, but due to staff limitations, we were limited in our success. We were able to use our resources to complete our mandated audits and add value by providing statuses on select ARPA projects financial and monitoring compliance.

Our second initiative was to increase staff training, which we were able to successfully complete. OCA was also able to procure group training sessions, which allowed for inclusion of individuals from other departments and bureaus to take part in virtual compliance and ethics training sessions.

OPERATIONAL OPPORTUNITIES: 2025 INITIATIVES AND GOALS

EXPAND AUDIT COVERAGE

The OCA will continue to work to expand audit coverage throughout the County by increasing the number and scope of audits performed. By increasing the number of controls tested, OCA can assist in strengthening the County's overall internal controls and better use allocated resources (e.g., people, time and money). To increase testing, human capital will be necessary. OCA plans on achieving this goal by continuing to work with the Bureau of Human Resources and Office of Procurement to bring on additional resources.

STAFF TRAINING

The OCA will continue to monitor training opportunities for staff for professional development and possibly other departments and bureaus to increase internal control knowledge. A goal each fiscal year is to utilize free training whenever possible. As new staff are on board, OCA is seeing more training is necessary to develop staff.

Performance Metric Name	2022 Actual	2023 Actual	2024 Target	2024 Projection	2025 Target

Percent of Audits Completed within Budgeted Hours	50%	58%	80%	57%	75%
Percent of Implemented Audit Recommendations In Compliance	80%	100%	70%	80%	70%

BUDGET HIGHLIGHTS

- To augment staffing, OCA will engage with consulting services to assist with our audit coverage.
- OCA will continue to monitor staff and office expenses.
- Appropriate training opportunities will be offered to departments and bureaus to increase internal control knowledge.

MISSION

The mission of the Department of Administrative Hearings is to conduct fair, efficient and impartial hearings of ordinance violations issued by Cook County agencies, board, commissions, departments, and the Cook County Forest Preserve.

MANDATES

§ 2-901: Establishes an office of Cook County government to be known as Administrative Hearings which shall provide an independent central panel of adjudicators authorized to conduct administrative adjudication proceedings for departments, agencies, boards, and commissions of the county.

OPERATIONAL HIGHLIGHTS: 2024 INITIATIVES AND OUTCOMES

The Department of Administrative Hearings’ new citation management system went live in November of Fiscal Year 2023. In FY24, Administrative Hearings on-boarded county stakeholder departments with our new e-ticketing system. The Sheriff’s Police, Forest Preserve Police, Animal Control, Public Health and Transportation & Highways have all been on-boarded and are currently writing e-tickets to Administrative Hearings. E-ticketing allows county stakeholder departments to automatically upload citations to our new citation management system. The automated transmission of data reduces manual inputting errors and increases efficiency and accuracy. In FY24 our new online resident portal also went live which allows Cook County residents to look up case information to pay any outstanding fines. These two initiatives are in line with our Open Communities initiative in the Cook County Policy Roadmap.

Administrative Hearings is on track to hear approximately 13,000 cases in FY24. This is an approximately 8% increase from Administrative Hearings’ goal of 12,000 cases. Administrative Hearings is on track to have an average time to disposition for Sheriff and Forest Preserve tickets of 46 days, which is near our FY24 target of 45 days.

OPERATIONAL OPPORTUNITIES: 2025 INITIATIVES AND GOALS

In FY25, Administrative Hearings will continue to onboard county stakeholder departments to our new citation management system. Administrative Hearings anticipates on-boarding the remaining county stakeholder departments with e-ticketing capabilities by the second quarter of FY25. Automating the transmission of citation data between county departments will lead to greater efficiency, accuracy, and dependability of the information exchanged.

FY25 will also see increased functionality of our new resident portal for Cook County residents. By the fourth quarter of FY25, county residents will be able to file motions, schedule hearing dates, and pay their fines online using the new portal. This again aligns with the Open Communities initiative of the Cook County Policy Roadmap.

Administrative Hearings will also upgrade the audio/visual hardware in at least one of our hearing rooms. This will improve the quality of remote hearings for both in-hearing room participants as well as those participating remotely. These upgrades will make it easier for Cook County residents and county stakeholder departments to participate in remote hearings.

Administrative Hearings anticipates adjudicating approximately 13,000 cases in FY25.

Number of Cases Adjudicated	10,392	11,558	12,000	13,000	13,000

BUDGET HIGHLIGHTS

- Administrative Hearings completed a new online resident payment portal for citations.
- Administrative Hearings' budget request is a decrease from FY24.

MISSION

The Department of Human Rights and Ethics (DHRE) works to 1) promote human rights and equality in Cook County, and 2) increase public confidence in ethical conduct among its officials, employees, appointees, and those doing business with the County.

MANDATES

Chapter 42 (Human Rights) and Chapter 2, Art. VII (Ethics) of the Cook County Code of Ordinances and Chapter 13 of the Forest Preserve Code of Ethical Conduct. Cook County Code §§ 2-560 et seq. and 42-30 et seq. Through investigations, training, and policy analysis and recommendations, DHRE enforces the following County ordinances: Ethics, Human Rights (including the Just Housing Amendment), Minimum Wage, Paid Leave, and Living Wage.

OPERATIONAL HIGHLIGHTS: 2024 INITIATIVES AND OUTCOMES

In FY2024, DHRE supported the shift from the Earned Sick Leave Ordinance to the Paid Leave Ordinance and an amendment to the Ethics Ordinance to support administrative efficiency.

DHRE implemented a streamlined Case Management System (CMS), which features a consolidated online human rights complaint form and provides greater access to Board of Ethics (BoE) disclosure and request forms, encouraging compliance and transparency. Lastly, BoE with the Bureau of Technology and the Comptroller’s Office published the “Doing Business Database” to promote self-auditing of campaign contributions.

DHRE prioritized outreach efforts in FY2024, adding two Outreach and Training Coordinators to meet increasing needs. In FY2023, DHRE responded to 1,036 human rights inquiries (an increase of 377 over FY2022). In the first half of 2024, DHRE has updated and issued 27 guidance materials and hosted 71 outreach events (compared to 57 at this point in 2023).

DHRE supported fair housing and labor protection initiatives, including Equity Landscape Review Report publication, a research partnership with Roosevelt University to measure the impact of the Just Housing Amendment a fair housing Pace bus advertisement campaign and joining an interagency Healthy Work Partnership.

84 human rights complaints were filed in FY2023, a 740% increase from 2020, affirming the impact of continued outreach and policy efforts. In the first half of FY2024, 42 complaints were filed.

In FY2023, DHRE issued 88 ethics staff advisory opinions, gave 63 ethics trainings (an increase of 5 over FY2022) and responded to 326 ethics inquiries. As of July 15, 2024, trained 1,675 employees and officials, an increase of 654 trainees at this point in 2023.

OPERATIONAL OPPORTUNITIES: 2025 INITIATIVES AND GOALS

DHRE will continue to expand data infrastructure supported by the department-wide efforts and leveraging the CMS. Increased outreach efforts and Open and Vital Policy Priorities have created a need for more intentional and improved data collection for DHRE continued utilization of the CMS will be critical to ongoing departmental success. DHRE will continue its research partnership with Roosevelt University, which will enable DHRE to generate policy insights and inform housing and labor enforcement best practices.

In FY2025 DHRE will continue its data-driven, multi-faceted outreach plan. DHRE will significantly increase outreach efforts in alignment with requests from community groups and stakeholders to raise awareness regarding vulnerable worker protections, fair housing and the Just Housing Amendment. It is critical that DHRE’s operations and goals are informed by community needs and that Cook County residents know their human rights. Further, DHRE plans to issue new guidance materials regarding dual employment and social media usage, as DHRE continues creating a culture of compliance in Cook County.

DHRE will fill all outstanding vacancies, bringing together a staff of fifteen dedicated, purpose- driven human rights and ethics professionals.

Average time to provide staff advisory opinions	4.2	2.0	3.0	2.2	2.5

BUDGET HIGHLIGHTS

- DHRE will continue to expand its outreach initiatives for public and County awareness of human rights and ethical obligations in 2025.
- DHRE will continue its research partnership with Roosevelt University to measure the impacts of Cook County’s housing protections for individuals with criminal justice involvement.
- DHRE will utilize the Case Management System to streamline its procedures and increase data integrity in reporting.
- DHRE will create efficiencies via revised procedures and integration of additional staff, resulting in increased timeliness of matters handled by the department.

MISSION

To administer transparent, impartial, accurate and accessible elections; to manage voter registrations; to safeguard the right to vote; and to inform voters of balloting options including Early Voting, Vote By Mail, and Election Day Voting.

MANDATES

Administer all elections in the City of Chicago in keeping with the Illinois Election Code, federal statutes and case law. Responsible for: registration records and voter history; candidate objection hearings; printing ballots and programming voting systems; preparing and transporting all election supplies; securing polling places; training and assigning poll workers; and, tabulating and reporting results.

OPERATIONAL HIGHLIGHTS: 2024 INITIATIVES AND OUTCOMES

The Board administered the March 19, 2024 Presidential Primary Election and is actively conducting the November 5, 2024 Presidential General Election; managed two Electoral Board sessions with over 100 objections filed to candidates, including the new Chicago Elected School Board office; launched a new and accessible ChicagoElections.Gov website designed by voter feedback and includes automatic translation in over 80 languages; introduced new e-pollbooks on March 19th with increased functionality and assistance for poll workers and voters; implemented new tracking systems for Vote By Mail ballots; worked with the U.S. Department of Justice, Equip for Equality, and city agencies toward achieving 100% ADA-compliant polling places by November 2024; and increased the number of precincts that receive Limited English Proficiency (LEP) assistance and bilingual staffing on Election Day.

OPERATIONAL OPPORTUNITIES: 2025 INITIATIVES AND GOALS

In FY2025, the Board will finish administering the November 5, 2024, Presidential Election and prepare for the 2026 Midterm Elections. The Board will continue to identify additional city precincts that could benefit from consolidation, reducing the overall costs for poll workers and Election Day materials. In 2025, the Board will: conduct a voter mailing canvass to all 1.6 million registered voters to properly check and clean the rolls; create new poll worker and voter training videos centered around new equipment and digital tools; prepare for development of a Chicago Elections mobile app; continue to develop the new ChicagoElections.Gov website, including voter turnout mapping and joint vote totals between the County and City; and register voters and recruit election judges at events throughout the year in coordination with community partners.

BUDGET HIGHLIGHTS

- Provides for regular operations and proactively prepares for the 2026 Midterm Elections.
- Continues to invest in Vote By Mail, Early Voting, Vote Centers, and new technologies for voters.
- Implement additional changes to Chicago Elected School Board districts from Illinois legislators.
- Meets rising costs for hirings, trainings, cartage, equipment, software, paper, and postage.

MISSION

County Commissioners are elected officials who oversee county activities and work to ensure that citizen concerns are met, federal and state requirements are fulfilled, and county operations run smoothly.

KEY ACTIVITIES AND SERVICES

- The Cook County Board of Commissioners is the governing board and legislative body of the county. It is comprised of 17 Commissioners, each serving a four-year term and is elected from single member districts. Each district represents approximately 300,000 residents.
- The Board of Commissioners is responsible for the management of the affairs of Cook County.
- For each fiscal year, the board must adopt a resolution, termed the "Annual Appropriation Bill" in which the board appropriates funds for the operations of the County.

MISSION

County Commissioners are elected officials who oversee county activities and work to ensure that citizen concerns are met, federal and state requirements are fulfilled, and county operations run smoothly.

KEY ACTIVITIES AND SERVICES

- The Cook County Board of Commissioners is the governing board and legislative body of the county. It is comprised of 17 Commissioners, each serving a four-year term and is elected from single member districts. Each district represents approximately 300,000 residents.
- The Board of Commissioners is responsible for the management of the affairs of Cook County.
- For each fiscal year, the board must adopt a resolution, termed the "Annual Appropriation Bill" in which the board appropriates funds for the operations of the County.

MISSION

County Commissioners are elected officials who oversee county activities and work to ensure that citizen concerns are met, federal and state requirements are fulfilled, and county operations run smoothly.

KEY ACTIVITIES AND SERVICES

- The Cook County Board of Commissioners is the governing board and legislative body of the county. It is comprised of 17 Commissioners, each serving a four-year term and is elected from single member districts. Each district represents approximately 300,000 residents.
- The Board of Commissioners is responsible for the management of the affairs of Cook County.
- For each fiscal year, the board must adopt a resolution, termed the "Annual Appropriation Bill" in which the board appropriates funds for the operations of the County.

MISSION

The OIG's mission is to detect and deter corruption, fraud, waste, mismanagement, unlawful political discrimination and other misconduct in the operation of Cook County Government, the Forest Preserves of Cook County and the Metropolitan Water Reclamation District of Greater Chicago.

MANDATES

Continues to meet the goals set forth in the OIG Enabling Ordinance. The OIG administers approximately 900 complaints annually for investigative action. Provides training and instruction to County employees on the functions and mission of the OIG, employment harassment and discrimination and other forms of unlawful practices affecting Cook County government.

OPERATIONAL HIGHLIGHTS: 2024 INITIATIVES AND OUTCOMES

In 2023, the OIG received a total of 818 complaints for OIG consideration. The number of complaints received yearly has generally trended upward since the inception of the OIG in 2008 (for example 417 complaints in 2017 and 600 complaints in 2019). As of July 25, 2024, the OIG has received 456 complaints. In 2021, the OIG adopted practices incorporating increased use of technology to continue to meet our mandate in an effective manner. Currently, OIG staff have the capacity to administer most case activity through the OIG case management system.

OPERATIONAL HIGHLIGHTS: 2025 INITIATIVES AND GOALS

The OIG will continue to focus its resources toward identifying fraud, waste, corruption, mismanagement, unlawful political discrimination, and other misconduct in Cook County government and those doing business with Cook County. This office will continue to focus available resources on those areas of importance to Cook County government including procurement matters, effective personnel management and identifying areas to improve functionality throughout the government. These activities support the efficient use of Cook County resources and promote honesty, professionalism and transparency in the operation of Cook County government.

BUDGET HIGHLIGHTS

- The OIG will upgrade its case management software to the latest system. This will increase the efficiency of the case management system and maintain confidentiality of OIG case files.
- The OIG is planning to have all employees certified through the Association of Inspectors General Training Institute.
- The OIG budget is primarily personnel costs consisting of salary and benefits.

MISSION

The Cook County Land Bank Authority (CCLBA) will acquire, hold properties in the name of Cook County, and transfer interest in real property throughout Cook County to promote redevelopment and reuse of vacant, abandoned, foreclosed, or tax delinquent properties; support targeted efforts to stabilize neighborhoods; and stimulate residential, commercial, and industrial development consistent with the goals established by local government partners and other community stakeholders.

MANDATES

CCLBA was established in 2013 by Cook County, Illinois – Code of Ordinances, Part II Land Development Ordinances, Chapter 103, Land Bank Authority, Sections 103-1 through 103-71 to use available resources to facilitate the return of vacant, abandoned and tax-delinquent properties to productive use thereby combating community deterioration, creating economic growth, and stabilizing the housing and job market.

OPERATIONAL HIGHLIGHTS: 2024 INITIATIVES AND OUTCOMES

FY2024 projected goals for the CCLBA include acquiring 500 parcels, creating approximately \$30,000,000 in community wealth, and selling 80% of all properties for homeownership.

These initiatives result in better stabilized neighborhoods, increased family stability, a stronger tax base, and wealth creation.

As of August 31, 2024, acquisitions are at 479 which is 96% of the goal of 500 properties. Community wealth has reached 80% of goal, sales for homeownership are at 89% (cumulative), and our aged inventory has been reduced by 13%.

Land Bank partnerships with municipalities for various housing and economic development projects have surged, totaling \$1.6M this year. This includes partnerships with the CTA Redline, and other municipalities like Calumet City, Maywood, Evergreen Park, Matteson, Franklin Park, and Markham.

OPERATIONAL OPPORTUNITIES: 2025 INITIATIVES AND GOALS

PROPERTIES ACQUIRED

CCLBA has set a goal to target property acquisition in areas of market activity, acquiring 500 properties based on location and community impact.

COMMUNITY WEALTH (CUMULATIVE PERCENTAGE OF ANNUAL GOAL)

CCLBA has set a goal to achieve 80% of its community wealth goal (\$30,000,000). CCLBA anticipates selling 250 properties to homeowners, community developers, non-profit organizations, and community development corporations. Their collective redevelopment is projected to generate \$30,000,000 in community wealth.

PERCENTAGE OF PROPERTIES SOLD FOR HOMEOWNERSHIP

CCLBA has set a goal to sell 80% of its homes for homeownership, most through small developers. CCLBA will continue extending the Homebuyer Direct Program, working with homebuyers, real estate professionals, and lenders to match properties needing rehab with homebuyers.

REDUCE AGED INVENTORY

CCLBA has set a goal to reduce the amount of aged inventory by 15%, thereby reducing associated maintenance and operational costs.

Performance Metric Name	2022 Actual	2023 Actual	2024 Target	2024 Projection	2025 Target
Percentage of Properties Sold for Homeownership (Cumulative)	85%	88%	80%	80%	80%
Community Wealth (Cumulative Percentage of Annual Goal)	100%	100%	75%	100%	100%
Properties Acquired (Cumulative Total of Annual Goal)	800	748	850	500	500
Reducing Aged Inventory	N/A	11%	15%	15%	15%

BUDGET HIGHLIGHTS

- CCLBA estimates that our FY2025 revenue will be slightly lower than FY24 revenue. We attribute this to a decrease in municipal sale opportunities.
- In FY24, we are on pace to exceed our revenue goal of \$5.5M as FY24 sales are at 109% with \$6,018,351 as of 8/31.
- Legal service needs have increased due to a higher volume of tickets, citations, and demolition court activity. Our Survey's Operations, and Reports, have experienced an increase in surveys.
- CCLBA anticipates selling at a continued strong pace of 25-30 parcels per month that translates to approximately 250 parcels per year. While this forecast will net approximately \$5M in program income, this does not include the millions added back to the tax rolls and corresponding community wealth created from taking a vacant and abandoned parcel into a thriving occupied home or businesses within Cook County.

MISSION

The Veterans Assistance Commission of Cook County (VACCC) is a trusted partner offering immediate financial aid and comprehensive services. We pride ourselves on dynamic advocacy and outreach, ensuring Veterans and their families receive timely, efficient support and the benefits they deserve.

MANDATES

Operates under the legal framework established by the Veterans and Service Members (330 ILCS 45) Military Veterans Assistance Act. Operations are also governed by various regulatory documents and ordinances that includes, VACCC By-Laws, VACCC Policies and Procedures, Cook County’s “Ordinance Regarding the Veterans Assistance Commission of Cook County,” Cook County’s Ethics Ordinance and the Office of the Independent Inspector General Ordinance.

OPERATIONAL HIGHLIGHTS: 2024 INITIATIVES AND OUTCOMES

In FY24, the Veterans Assistance Commission of Cook County (VACCC) remained committed to enhancing and expanding vital services for Veterans. Despite having only three full-time staff members, the VACCC effectively assisted 2,227 Veterans in Cook County, demonstrating remarkable efficiency and a tenfold increase in outreach efforts.

The VACCC has made exceptional strides in utilizing its vacant office space, collaborating with dedicated partners to provide additional free services to Veterans. These partnerships, with over 55 community organizations and local governmental agencies, have further reinforced the VACCC’s commitment to comprehensive support for Veterans in need.

The organization has also strengthened its leadership by electing highly qualified individuals to its Executive Board, ensuring strategic vision and continued success. Additionally, the VACCC has increased its visibility within the JDTC building through the installation of exterior and interior signs, marking a significant milestone. Thematic panels honoring Veterans’ service have also been installed outside the office entrance, creating a landmark that enhances awareness and reflects the importance of their service.

The VACCC continues to be a vital partner for Veterans in Cook County, consistently evolving and adapting to meet the needs of the Veteran community while making a lasting, positive impact.

OPERATIONAL OPPORTUNITIES: 2025 INITIATIVES AND GOALS

The VACCC plans to fill current vacancies to meet the urgent needs of Veterans in Cook County, which has the largest Veteran population in Illinois. This expansion will work towards improved quality of life for Veterans, and strengthened support networks.

The VACCC has also optimized workspace efficiency and developed intergovernmental partnerships to secure dedicated spaces for VSOs within various government facilities, ensuring efficient operations. Additionally, the VACCC is in the third phase of securing Congressional Appropriations for a new Economic Development Center in suburban Cook County to improve access to benefits for suburban Cook County Veterans.

These initiatives demonstrate the VACCC’s commitment to serving Veterans throughout Cook County, with proposed budget increases reflecting its dedication to expanding services and staffing to meet the evolving needs of the Veteran community. The VACCC aims to ensure Veterans’ ongoing well-being and success beyond their military service, complementing the existing financial services and benefits already provided.

BUDGET HIGHLIGHTS

- The VACCC has consistently provided significant financial assistance to Veterans. In FY23, the VACCC allocated 104% of its budget, using reserves to deliver uninterrupted aid to 2,227 Veterans—a 74% increase from the previous year. Looking ahead to FY25, the VACCC anticipates a budget that supports rising demands for service, expanded outreach, and investments in skilled staff, ensuring continued support for Cook County Veterans and their families.

MISSION

Establish universal access to the world's best care and health services for all Cook County residents, regardless of the ability to pay, so all may live their healthiest life.

MANDATES

Mandated as part of the Cook County Health and Hospitals System in Cook County Code of Ordinances Chapter 38, Article V.

OPERATIONAL HIGHLIGHTS: 2024 INITIATIVES AND OUTCOMES

Health System Administration (HSA) provides the administrative oversight and support function for the overall Health System and is comprised of key programs such as Information Systems, Finance, Human Resources, Revenue Cycle, Strategy, Equity and Inclusion, Legal & Compliance, Public and Government Relations, and others. These departments help CCH continue to achieve progress towards health care transformation through implementation of the Impact 2023 Strategic Plan. Approved by the CCH Board and Cook County Board of Commissioners in (year), the plan guides and implements CCH's strategy of providing high quality healthcare, growing to serve and compete, fostering fiscal stewardship, investing in resources, impacting social determinants of health, and advocating for patients.

In 2024, HSA focused on responding to the influx of new arrivals and providing healthcare for asylum seekers, through a mobile health team. CCH established a new Life Sciences Department, which will administer the management of extramural grants from pre-award through post-award. HSA also invested in capital equipment including an inventory management system, Cermak pharmacy equipment, a mobile MRI, ultrasound machines, and endoscope replacement. Additionally, CCH hosted over 700 participants in the Cook County Behavioral Health Summit and awarded \$44M in "Stronger Together" ARPA-funded Behavioral Health grants.

OPERATIONAL OPPORTUNITIES: 2025 INITIATIVES AND GOALS

STRENGTHEN BUSINESS FUNCTIONS

In 2025, HSA includes investments in Revenue Cycle, Human Resources, and Supply Chain initiatives to increase revenue, expand hiring and optimization, and drive operational efficiencies. These initiatives look to improve hiring processes and employee retention programs, improve employee engagement scores; streamline the procurement process; and maximize billing, medical coding, and revenue recovery and maximization services.

GRANT FUNDING

CCH will continue to provide services for behavioral health, maternal childhood, workforce development, housing, mental health, breast cancer prevention, and juvenile justice programming, including CCH grants that support training for clinical staff, aiding individuals impacted by violence and substance abuse. These efforts are made possible through CCH partnerships with Illinois Department of Public Health (IDPH), Illinois Department of Human Services (IDPH), Department of Justice (DOJ), HRSA, City of Chicago, and other local community source funding.

MISSION

To provide high quality, timely, and cost-efficient healthcare services in a correctional setting in accordance with acceptable community standards, accreditation, and regulatory requirements as a continuum of care within CCH and the community.

MANDATES

Mandated as part of the Cook County Health and Hospitals System in Cook County Code of Ordinance Chapter 38, Article V.

OPERATIONAL HIGHLIGHTS: 2024 INITIATIVES AND OUTCOMES

Cermak Health Services received accreditation from the National Commission on Correctional Healthcare (NCCHC) in 2024. Committed to improve efficiency and transparency, Cermak implemented multiple strategies to improve operations by positioning the organization for reaccreditation in March 2026. Service line dashboards and key performance indicator were also aligned to parallel Cermak's key performance metrics to drive process improvements. Cermak also implemented several efficiency measures, including a new electronic submission processes to deliver timely data and report requests; created The Cermak Change Management Group to prioritize analytic team resources and scheduling; implemented a new Environment of Care process to electronically report housekeeping and cleanliness status; moved to an electronic signature technology to reducing time and paper documentation demands; and phased in a Telehealth service to maximize the use of technology to provide efficient, effective, and safe services.

OPERATIONAL OPPORTUNITIES: 2025 INITIATIVES AND GOALS

In FY2025, Cermak will initiate an application process for the National Commission on Correctional Healthcare NCCHC Mental Health Program Accreditation. Mental Health staffing realignment will also continue, increasing the number of patient programming hours while allowing for better oversight to Clinical practice. The completion of the telehealth services initiative will also continue, resulting in the retrofit of all remaining viable sub-specialty clinics in 2025. There will also be an expansion of electronic signature technology in other clinical areas to reduce demand for paper documentation.

Cermak will continue to provide relief to the Opioid epidemic by continuing its Narcan Discharge Program, which provides education to patients at risk for opioid overdose in the community. Patients who successfully complete the program are provided Narcan upon discharge for a future life-threatening emergency. More than 8,000 naloxone kits have been issued, with 12,075 patients receiving naloxone administration education. Additionally, the Substance Use Disorders (SUD) program will continue for patients with substance abuse disorders (SUDs), allowing access to Medication Assisted Treatment (MAT) and Assisted Outpatient Treatment (AOT) programs at Cermak as they transition back to the community. Approximately 30-40 people with SUDs are admitted to the Cermak program daily, with an average of 128 patients in the treatment program on a given day.

Performance Metric Name	2022 Actual	2023 Actual	2024 Target	2024 Projection	2025 Projection

Number of Scheduled and PRN Medications Administered by a Nurse	2,607,151	2,404,869	2,706,371	2,300,594	2,300,594
Average number of patients on Mental Health Caseload per day	2,702	2,377	2,491	2,100	2,100
Percent of patients with P-Level status (on Mental Health Caseload) per day	45%	43%	44%	43%	43%
Doses of medication dispensed	5,210,908	4,742,898	5,200,000	4,724,132	4,724,132

BUDGET HIGHLIGHTS

- Staffing and programmatic realignment to meet clinical needs of increased Mental Health population at the jail.
- Initiate the process for NCCHC Accreditation of the Cermak Mental Health Program.
- Continued expansion of telehealth services with the intent of maximizing technology through efficiently, effectively, and safely providing for patients at Cermak.
- Continued Medicaid enrollment for patients entering the facility, in line with potential to leverage of proposed Reentry Section 1115 Waiver.

MISSION

To provide integrated trauma-informed health services to the youth at the Cook County Juvenile Temporary Detention Center, promote health education for self-care, and establish community linkages for soon-to-be-released residents that exceed community and regulatory standards of care.

MANDATES

Mandated as part of the Cook County Health in the Cook County Code of Ordinance Chapter 38, Article V.

OPERATIONAL HIGHLIGHTS: 2024 INITIATIVES AND OUTCOMES

JTDC continued to provide outstanding care, maintained a low health-related resident grievance rate of 0.17 per 100 residents, underscoring an expressed commitment to addressing resident concerns. JTDC administered a Resident Satisfaction Survey which provided invaluable insights for improving the quality of care and services rendered. Further, JTDC enhanced discharge planning by giving residents "Release" packets containing community resource information for medical, dental, and mental health services.

JTDC expanded the Trauma Informed Initiative which now includes anti-racism and Equity Committee implemented Positive Youth Development principals, including the launch of the Child and Adolescent Strengths Assessments (CASA).

Further, JTDC aligned health policies with the new Illinois Public Act - End of Youth Solitary Confinement Act. The Behavioral Health program continued to enhance clinical training programs and was a recipient of the 2024 Outstanding Training Site Award issued by the Association of Chicagoland Externship and Practicum Training (ACEPT). JTDC Health Services provided comprehensive Narcan training for JTDC employees and trained clinical staff in evidence-based interventions, collaborated with C.O.R.E. and taught medical practitioners how to perform Rapid HIV testing, ensuring efficient and accurate healthcare services.

OPERATIONAL OPPORTUNITIES: 2025 INITIATIVES AND GOALS

JTDC Health Services will continue working with custody staff to ensure medical, dental, and mental health clinics are sufficiently staffed and equipped to provide discharged residents with resources to access ensuring health care services within all of our community clinics.

JTDC will advocate for immunization to increase vaccination rates and to develop individualized care plans for youth with chronic medical/mental health conditions, and or special health needs. JTDC is committed to ensuring that these youth receive appropriate attention, medications, and follow-up care during their detention.

To maintain NCCHC accreditation status, JTDC is scheduled for annual AOIC and IDJJ audits in 2025. The Behavioral Health program will establish internship opportunities in clinical psychology and will continue providing training opportunities for clinical staff. JTDC will expand efforts to enhance substance abuse treatment and linkage opportunities.

MISSION

To deliver quality health services with dignity and respect regardless of a patient's ability to pay; partner with communities and providers to enhance the health of the public; and advocate for policies promoting the physical, mental, and social well-being of Cook County's citizens.

MANDATES

Mandated as part of the Cook County Health and Hospitals System in Cook County Code of Ordinance Chapter 38, Article V.

OPERATIONAL HIGHLIGHTS: 2024 INITIATIVES AND OUTCOMES

ACHN expanded Asylum seeker services with the CDPH, and incorporated vaccine administration at the Landing Zone to facilitate shelter placement. Over 80,000 new arrivals were transported for healthcare needs such as initial visits, primary care, specialty care, emergency room visits, diagnostics, and procedures. The Virtual Immediate Care clinic expanded its reach to new and existing patients, offering comfort and convenience from home, while strategically marketing and positioning the Express Care clinic.

ACHN was awarded first place for the 2024 AITP, Chicago's Most Effective Technology team award. The Bronzeville Health Center is scheduled to open in Fall 2024, which will consolidate family medicine, pediatric primary care, rehab, psychiatry, and behavioral health services from the Sengstacke clinic at Provident. ACHN initiated the implementation of value-based care strategies aimed at improving patient outcomes and optimizing incentives within negotiated payor contracts. In 2024, the behavioral health division expanded therapist and social worker teams using ARPA funding to improve accessibility and comprehensive care for patients with complex mental health needs. Neurosciences also expanded their outpatient programs to include specialties like multiple sclerosis and neuropsychology.

Over the past few years, patient experience response rates have risen with the overall Top Box score of 69.2%, nearing the highest YTD goal. ACHN's surgical and medical clinics also expanded session availability by onboarding more providers and enhancing access to care. Further, ACHN initiated the Palm Vein Kiosk project to enhance patient experience and reduce check-in waiting times. The registration quality insurance initiative implemented has improved accuracy and response rates in correcting insurance errors, reducing registration denials and enhancing accuracy overall. Cook County Health's first optical shop is set to open by the end of the year.

OPERATIONAL OPPORTUNITIES: 2025 INITIATIVES AND GOALS

ACHN Cancer Center will expand clinical trials and modernize radiation oncology and mammography services to provide state-of-the-art care. ACHN's primary focus remains on integrating value-based care strategies within our community, continuing to develop and transition to a population-based healthcare model, creating access, optimizing workflows, and enhancing the patient experience. These ongoing initiatives are designed to significantly improve the quality of care and are scheduled to be operational by the end of the fiscal year.

Our future goal is to expand plastics and vascular services to Sengstacke. Specialty care will continue to focus on expansion projects with bariatrics and pain services in scope for Provident. A behavioral health intake center will be established to provide immediate access to behavioral health services, centralizing assessments and linking patients to services within CCH and the community. ACHN will launch immediate care at the Arlington Heights clinics including an imaging suite. The Cocoon Pregnancy Model, aimed at improving health outcomes for women and babies, including new arrivals and African American populations will be implemented. ACHN will expand maternal fetal medicine services to establish a community-based model, collaborating with external providers who need high-risk prenatal care services and may refer patients to CCH Mom and Baby. ACHN plans to further develop prior authorization for medical (appointments/procedures?) and medications, centralize triage nurse center, and expand external provider portal and referrals. Overall, ACHN is committed to improving processes and working in partnership across the CCH system to decrease registration errors and improve quality and efficiency of care provided.

BUDGET HIGHLIGHTS

- Increased \$1 million budget allocated to implement doula services, supporting prenatal, postpartum, and newborn care.
- Re-awarded \$5 million (HRSA-Health Resources & Services Administration) Healthy Start grant to implement the evidence-based Cocoon Pregnancy Model.
- Expanded Kaizen Health for non-emergency transportation including the Refugee, replacing the dedicated fleet model from 2017. Patient transport has significantly increased over the past two years, exceeding peak volume in 2019. FY25 is expected to transport 30% more patients than in 2019.
- The Cancer Center expanded supportive oncology services to include behavioral health and dietary to improve care access, coordinate across specialties, raise screening awareness, and increase clinical trials participation.

MISSION

To provide the highest quality care for persons infected or affected by infectious diseases with respect, dignity, and compassion without regard to their ability to pay; to ensure a client-centered and consumer-guided environment; and to seek to better understand and to prevent these diseases through education and research.

MANDATES

Mandated as part of the Cook County Health System in Cook County Code of Ordinances Chapter 38, Article V.

OPERATIONAL HIGHLIGHTS: 2024 INITIATIVES AND OUTCOMES

The Core Center Cook County HIV Integrated Programs (CCHIP) is the main public safety net HIV clinic in the Chicago metropolitan area. We are the single largest provider of HIV care and prevention in the Midwest, offering longstanding experience in research.

In FY2024, CCCHIP served over 6,003 unduplicated persons living with HIV and diagnosed 132 HIV positive patients with 121 linked to care (92%). CCHIP viral suppression rate exceeded 90% during 2023-2024 with 99% of patients prescribed antiretroviral regimens.

CORE also expanded HIV Bilingual services in 2024 as a response to new arrivals diagnosed with HIV. CORE/Cook County HIV Integrated Program submitted a system-wide protocol and received approval for a new policy and implementation for DoxyPEP for post-exposure prophylaxis against bacterial sexually transmitted infections.

CORE/Cook County HIV Integrated Cabenuva program included injectable long-acting antiretroviral therapy, expanding access across ACHN sites, with nearly 400 patients enrolled. The program outcomes were presented at IDWeek (the largest infectious diseases conference in the US, and one of the largest worldwide). CORE also partnered with CCH Pulmonary department to implement new service line at the CORE facility.

OPERATIONAL OPPORTUNITIES: 2025 INITIATIVES AND GOALS

- Establish Anal Dysplasia clinic to start FY2025.
- Expansion of Women Clinic services and supportive case management.
- CORE/Cook County HIV Integrated Program will partner with a Gender Affirming Trans Organization to host trainings/workshops to raise awareness and improve gender-affirming care across CCH.

BUDGET HIGHLIGHTS

- Capital planning for facility renovations, approaching final stages for a start date.
- Onboard CORE Center research staff for expansion of Infectious Disease Clinical Trials Portfolio.

MISSION

To optimize and achieve health equity for Cook County residents through leadership and collaborations, focusing on health promotion and prevention, while advocating for and ensuring the environment and social conditions necessary to advance physical, mental, and social well-being.

MANDATES

Ordinance Establishing the Cook County Department of Public Health (December 10, 1945). Certified Local Health Department Code (77 Ill. Adm. Code 600.100 et seq.); Local Health Protection Grant Rules (77 Ill. Adm. Code 615.100 et seq.) governing programs including Narcan/Opioid Prevention, Ground Water Protection, Safe Drinking Water, Lead Poisoning Prevention and Response, Vector Surveillance and Control, and Vaccines for Children.

OPERATIONAL HIGHLIGHTS: 2024 INITIATIVES AND OUTCOMES

In FY2024, CCDPH focused on infrastructure development, capacity building, and incrementally building towards bolstering our core capabilities and service areas in alignment with the foundational public health services. CCDPH continued to conduct communicable disease outbreak investigations in high-risk settings, maintained routine environmental health inspections, and nursing case management programs. The agency held 10 COVID/Flu vaccine clinics in collaboration with ACHN and CountyCare, which administered 650 vaccines. CCDPH built on the success of its Building Healthier Communities Behavioral Health initiative by partnering with four additional community-based organizations and five school-based partners to expand programs providing positive youth development and mental health services to suburban Cook County’s most vulnerable communities. The agency leveraged approximately \$9 million in funding from the Centers for Disease Control and Prevention, the American Rescue Plan Act (ARPA), and other grants, to increase access to prevention services and resources, advance a more racially and socially equitable local food system, address worker rights, health and safety, and build community capacity to implement programs and change policies and systems for health equity. CCDPH also convened a highly successful hospital-based Infection Preventionists conference with 120 attendees. The agency implemented several community initiatives to promote testing and treatment for sexually transmitted infections, inclusive and safe streets, a more racially and socially equitable local food system, and worker rights. Several successful educational campaigns were executed to increase awareness and value for CCDPH and emerging public health priorities.

OPERATIONAL OPPORTUNITIES: 2025 INITIATIVES AND GOALS

In FY2025, CCDPH will continue working to build infrastructure and strengthen workforce through implementation of its 3-year strategic plan. The agency will continue monitoring and responding to current and emerging public health threats. CCDPH aims to strengthen community engagement and partnership practices with community power building organizations towards advancing health equity and racial justice in suburban Cook County. CCDPH will continue to expand its work in behavioral health, including collaborations with the State of Illinois, and agencies across suburban Cook County working towards a complete crisis care continuum and a robust behavioral health workforce; augment health-related data and the Cook County Health Atlas; and explore opportunities to reduce maternal and infant mortality. Other priorities include identifying a modernized office location to consolidate the department’s resources, strengthening the CCDPH brand and value, monitoring progress of suburban Cook County’s community health improvement plan, and continued implementation of various community-serving programs.

Performance Metric Name	2022 Actual	2023 Actual	2024 Target	2024 Projection	2025 Target
Cost per referrals contacted	\$364	\$4,921	\$5,000	\$4,000	\$4,500
Percent of high-risk infant APORS (Adverse Pregnancy Reporting System) referrals received that are contacted for follow-up by the Public Health Nurse within 14 calendar days of referral	70%	82%	85%	75%	80%
Cost per county residents served	\$6.46	\$5.05	\$6.00	\$5.41	\$6.00
Number of infectious disease detected (non-COVID) and mitigated	25,001	28,154	25,000	24,944	25,000
Percent of food establishments with isolated illness complaints within a contracted community or unincorporated Suburban Cook County that are inspected within 2 business days of receipt of complaint	100%	100%	100%	95%	95%

BUDGET HIGHLIGHTS

- Critical staff capacity is sustained to meet the mandates and needs of CCDPH's jurisdiction.
- Funding will continue to support jurisdiction-wide collection and dissemination of critical public health data.
- Initiatives that build healthier communities and advance racial and health equity will continue to be advanced.

MISSION

To manage comprehensive Medicaid benefits for Cook County residents enrolled in CountyCare health plan. In addition, the department aims to efficiently administer the infrastructure to implement all aspects of the Health Plan as required by federal and state authorities.

MANDATES

Implement all Medicaid health plan requirements as defined by the County Managed Care Community Network (County MCCN) agreement with the Illinois Department of Healthcare and Family Services (HFS) and Federal CMS requirements.

OPERATIONAL HIGHLIGHTS: 2024 INITIATIVES AND OUTCOMES

CountyCare is a Medicaid health plan providing benefits to enrolled members. Membership initiatives have aimed to retain and increase CountyCare membership, including assisting members with the re-determination process to maintain Medicaid eligibility. This initiative has helped grow CountyCare to be the largest Medicaid managed care plan in Cook County, with over 425,000 members enrolled.

CountyCare continues to develop new medical cost action plan initiatives to deliver savings opportunities and cost strategies across all areas of the health plan. Initiatives have resulted in administrative efficiencies and improvements in medical costs.

OPERATIONAL OPPORTUNITIES: 2025 INITIATIVES AND GOALS

CountyCare membership is a major cost driver for medical claims and administrative expenses. CountyCare strives to grow and retain membership while monitoring cost to achieve per member per month (PMPM) revenue and expense targets. In FY2025, the average membership per month is estimated to be 392,301. CountyCare will further implement cost savings and cost-control strategy measures aimed at member costs as well as increasing medical and pharmacy utilization at CCH.

Performance Metric Name	2022 Actual	2023 Actual	2024 Target	2024 Projection	2025 Target
Number of member months (per quarter)	5,188,251	5,403,734	4,368,667	5,080,824	4,707,616
Percentage of claims paid in less than 30 days	89%	92%	90%	99%	90%
CCH Net Impact Per Member	\$23	\$22	\$26	\$24	\$30
Medical Loss Ratio	92%	97%	92%	93%	93%
Cost per member served	\$519	\$559	\$605	\$595	\$673

BUDGET HIGHLIGHTS

- Increase membership of 392,301.
- Continuous implementation of cost reduction strategies.
- Improve utilization of CCH facilities.

MISSION

Establish universal access to the world's best care and health services for all Cook County residents, regardless of the ability to pay, so all may live their healthiest life.

MANDATES

Mandated as part of the Cook County Health and Hospitals System in Cook County Code of Ordinance Chapter 38, Article V.

OPERATIONAL HIGHLIGHTS: 2024 INITIATIVES AND OUTCOMES

As the flagship of Cook County Health, John H. Stroger, Jr. Hospital remains at the forefront of new therapies and innovations in healthcare. The 450-bed teaching hospital serves as the hub for specialty and sub-specialty care for CCH and continues to maintain a strong commitment to the health care needs of Cook County's underserved population, offering a full-range of medical services for all segments of the community. Stroger Hospital is also one of the busiest Level 1 trauma centers and emergency rooms in the nation.

In 2024, Stroger completed its triennial survey by The Joint Commission and was named the first in Illinois and tenth in the nation for most inclusive hospital by the Lown Institute Hospitals Index, underscoring its commitment to equity and inclusion. Once again, Stroger was recognized by U.S. News and World Report as a high performing organization in treating chronic obstructive pulmonary disease (COPD), pneumonia, heart attack, heart failure, and kidney failure, and also holds certifications and recognitions in trauma, cardiology, and oncology care. Additionally, Stroger Hospital maintained its grade of "B" for Leapfrog Hospital safety grade, was recognized as one of the best Hospitals for Cancer Care by the national Women's Choice Awards, achieved IDPH Perinatal Level III re-designation, and began its first robotic assisted surgery in March 2024.

OPERATIONAL OPPORTUNITIES: 2025 INITIATIVES AND GOALS

- Ensuring the highest quality service and best clinical outcomes for our patients every day.
- Developing systems of care and education that provide for an excellent patient experience. Supporting and investing in our workforce to attract and retain the best talent and foster teamwork.
- Growth in Surgical Services by continuing to focus on growing its surgical volume and robotic program, as well as utilizing additional operating rooms and OR optimization.
- Growth in Neurosciences by opening a Neurocritical ICU, continuing to focus on offering a higher level of sophisticated neurologic care and building a strong referral network.
- Expansion of the Oncology Service Line by continuing to develop system-wide coordinated programs with cancer screening, and outreach for referrals for cancer treatment, cancer prevention and survivorship, with transition to primary care.
- Growth in the Cardiovascular Service Line by increasing access to cardiac procedures such as Cardiac Electrophysiology (EP) Lab & Transcatheter Aortic Valve Replacement (TAVR). As Stroger continues to see an increase in Specialty Care Provider visits, the Hospital will expand Cardiac EP services and TAVR.
- Investing in Capital to continue to evaluate and allocate capital funding to major projects, building or infrastructure improvements.

Performance Metric Name	2022 Actual	2023 Actual	2024 Target	2024 Projection	2025 Target
Number of Stroger hospital visits	179,222	194,241	187,000	198,074	200,000
Mail order turnaround time (Days)	3	3	3	3	3
Number of surgery cases	11,403	11,327	11,436	11,354	12,154
Cost per surgery case	\$4,882	\$4,561	\$4,450	\$5,461	\$6,615

BUDGET HIGHLIGHTS

Stroger will continue to invest in key services and specialty care access through:

- Continuing investment in the cardiovascular, neurology, and oncology service lines.
- Installing mobile MRI units and construction of permanent MRI expansion.
- Implementing of a contract with a durable medical equipment provider to provide better support to patients going through physical therapy.
- Developing mail order pharmacy modernization.
- Updating progress on critical metrics related to patient throughput or average length of stay.
- Investing in Stroger’s campus inclusive of: Summer Safety Plan, Stroger Hospital Modernization plan; Elevator Modernization; and Hektoen/Polk/Durand Demolition Project.

MISSION

The mission of the Cook County Assessor’s Office is to deliver accurate and transparent assessments of all residential and commercial properties. We serve every community in the County through ethical stewardship within the property tax system.

MANDATES

- Value 1.9 million parcels located in Cook County and administer Appeals and Certificates of Error in accordance with the Illinois Constitution of 1970, the Property Tax Code (35 ILCS 200/1.1 et. seq.) and Cook County Code of Ordinances (Ordinance Chap. 74, Art. II, Div. 1, Sec. 74-31 et. seq. and Div. 2, Sec. 74-60 et. seq.).
- Provide taxpayer assistance via the administration of exemptions through the Property Tax Code Article 15. (35 ILCS 200/15).

OPERATIONAL HIGHLIGHTS: 2024 INITIATIVES AND OUTCOMES

In FY 2024, the CCAO is reassessing the City of Chicago, which contains 52% of the total PINs in Cook County and presents many complexities for our valuation work. We continue to release public data and methodologies for both our residential and commercial valuations. Additionally, the CCAO redesigned the annual Reassessment Notice that is mailed to homeowners, using plain language techniques and graphics to help better explain what the notice means.

The CCAO continues to run a proactive outreach program to homeowners, business owners, local municipal leaders, taxing bodies, and organizations in order to increase awareness of the assessment process and how it relates to local development and other community issues. These efforts are bolstered by new hires in civic engagement, including an additional Spanish-speaking liaison.

Across departments including valuations, taxpayer services, and data, the CCAO has hired new staff, reducing the office's vacancy rate and improving performance both in internal and taxpayer-facing roles.

In early 2024, the CCAO released a Strategic Plan that will guide our work across several years, with a particular focus on data integrity, distinguished service, and teamwork culture.

Through collaboration with other offices in the Cook County property tax system, the CCAO completed assessments and appeals on schedule, ensuring that second installment tax bills were issued in a timely manner to homeowners.

OPERATIONAL OPPORTUNITIES: 2025 INITIATIVES AND GOALS

In FY25, the Cook County Assessor’s Office budget supports the department’s core mission of reassessing specifically the 2025 North Triennial Reassessment in the northern part of Cook County. GIS tools such as change detection software and enhanced data on permits and construction are crucial to this mission. To support this goal, the CCAO plans to continue its hiring in valuations, field inspections and permits.

The CCAO will continue to optimize its application period for exemptions, ensuring that the office is able to efficiently and thoroughly process them while providing property owners with sufficient time to submit the required documentation.

The CCAO will implement a new customer service system to help track taxpayer inquiries, a measure supported by integrating the county’s property tax offices into iasWorld that will help streamline the administration of appeals and exemptions.

BUDGET HIGHLIGHTS

- Implement live chat on the CCAO website to answer property owners' questions.
- Implement a new electronic queueing system for in-person taxpayer visits.
- Provide additional outreach events for homeowners and small business owners including affordable housing providers.
- Continue an awareness campaign about CCAO services to homeowners including exemptions.
- Provide new tablets for field inspectors to streamline data entry and update property characteristics.

MISSION

The Cook County Board of Review (CCBOR) is charged by the Illinois State Legislature to review all assessment appeals in Cook County and make corrections, as it deems equitable. Our goal is to provide accurate and fair analysis of assessment appeals to allow the timely distribution of tax revenue.

MANDATES

The Cook County Board of Review is mandated by Illinois Statutes 35 ILCS 200/9-5, 116-110 and 16-125.

OPERATIONAL HIGHLIGHTS: 2024 INITIATIVES AND OUTCOMES

The CCBOR's primary goal in FY2024 was to optimize our processes to accelerate the 2023 tax appeal session to guarantee that tax bills return to their standard schedule. We were successful in meeting all of our targets and deadlines, which allowed for the timely delivery of second installment tax bills for the first time in three years.

The CCBOR implemented several technology initiatives in 2024. Through the seamless integration of our OnBase system with the Cook County Assessor's Office (CCAO) iasWorld system, we eliminated the need to extract data from the legacy mainframe. The CCBOR successfully transmitted revised valuation data back to the CCAO during the 2023 tax appeal session, demonstrating effective communication between both systems.

The CCBOR also launched an electronic Certificate of Error (CofE) process. This new process expedites the internal review of CofE applications received from the CCAO, offers an immediate delivery vehicle, and reduces paper usage.

In May, the CCBOR implemented GovQA to enhance the efficiency of our FOIA process. The software provides numerous advantages for both the agency and the public, such as data protection via encryption and redaction tools. The system ensures transparency by offering self-service features that facilitate access to commonly requested information and enable the monitoring of requests. The automation of workflows and the minimization of manual data entry lead to cost savings and allow staff to use their time more efficiently.

OPERATIONAL OPPORTUNITIES: 2025 INITIATIVES AND GOALS

Maintaining a consistent and timely appeal schedule is the CCBOR's primary goal for FY2025. The CCBOR is dedicated to collaborating with our partner agencies in the property tax system to uphold a standard tax year schedule in order to prevent the adverse impacts of delayed property tax bill issuance and to ensure predictability for all stakeholders.

Our 2025 technology enhancements will include the integration of a comparable tool, which will utilize automation to process and view multiple comparable properties. The CCBOR will continue making data available on the open data portal, while also exploring alternative methods to enhance transparency. Lastly, the CCBOR will continue to restructure our workforce and build resilience by providing employees with the information, tools, resources and experiences they require to succeed.

MISSION

The Cook County Clerk’s Office is committed to providing quality and efficient services for the purchasing of vital records, recording of land records, collection of delinquent taxes, governing elections, and recording of County Board proceedings.

MANDATES

Cook County Automation Fee in Section 2-174 as set out in Section 32-1 is to be retained in a special fund designated as the Clerk’s Automation Fund to pay costs related to the automation of functions performed by the Clerk. In addition, the recording of land records by the Clerk’s Office is established by the Illinois Counties Code (55 ILCS 5/3-5001 et. seq.; 55 ILCS 5/4-12002; 55 ILCS 5/4-12002.1; 55 ILCS 5/4-12004) and the Cook County Code of Ordinances.

OPERATIONAL HIGHLIGHTS: 2024 INITIATIVES AND OUTCOMES

The Clerk’s Office continues its advocacy for Cook County taxpayers by providing quality and efficient service to the public. The office implemented a new Clerk Recording System (CRS) to enhance efficiency, reduce recording lag times, and increase productivity. A Scan and Demand initiative was launched to digitize historical land records from 1871 to 1984. Additionally, online access to Cook County land maps was made available for easy accessibility. The March 2024 Presidential Primary Election was a success. The office successfully implemented an upgraded electronic poll book system for checking in voters at polling places and early voting centers. For the first time, a third-party payroll and employee management solution for the 10,000 election workers, eliminating pension deductions taken from their payroll. A partnership with the Palatine Township Office and Vital Records offers convenient online and in-person ordering requests. The office also completed the implementation of the Edgewise product to prevent ransomware infections and is committed to successfully administering the 2024 Presidential General Election.

OPERATIONAL OPPORTUNITIES: 2025 INITIATIVES AND GOALS

The focus of the Clerk’s Office during FY2025 will continue to be efficiency in operations, advocacy, cybersecurity and accuracy. The Property Fraud Unit will assist individuals who are victims of fraudulent recordings against their properties and coordinate law enforcement efforts on their behalf. The Clerk’s Office offers Property Fraud Alert to make homeowners aware of any recordings against their Property Index Number (PIN) via text, e-mail, or phone. The Veterans Service Office assists military veterans and their families with the recordation and retrieval of their military discharge papers as well as managing the Military and Veteran’s Discount Program. The Clerk also will continue its popular community outreach programs to inform Cook County residents about how to protect themselves from property fraud and how to transfer their property in an efficient and cost-effective manner after their death. The Clerk plans on making enhancements to its online district portal in Tax Services as a part of the IPTS implementation, including standalone improvements to fully automate levy submissions by taxing bodies. The Clerk expects sales of Vital Records to increase with the 2025 deadline for the state’s REAL ID program approaching.

BUDGET HIGHLIGHTS

- Customers will be able to apply for and receive a marriage license without having to visit Vital Records Offices.
- Implementation of Cashiering system for Tax Service Division.
- Expand payment types for the redemption process.
- Develop an online portal for Tax Service Division that will accept payments and deliver records for the tax buyer/seller operation.
- Implement indexing, including AI-OCR based auto-indexing.

MISSION

The County Treasurer's Office (CCTO) is responsible for collecting, safeguarding, investing and distributing property tax funds.

MANDATES

The CCTO is mandated to print and mail property tax bills, collect upwards of \$16.10 billion each year in taxes from owners of more than 1.8 million parcels of property and distribute those tax funds to approximately 2,200 local government agencies.

OPERATIONAL HIGHLIGHTS: 2024 INITIATIVES AND OUTCOMES

The Treasurer's Office provides taxpayers with the most convenient options to pay their taxes and view their tax information.

CCTO continues to increase tax payment options to make it easier for taxpayers to pay tax bills. This has resulted in increased usage of online payments, branch payments, and Community Bank Payments.

CCTO has worked with other County Agencies to create the web portal, www.cookcountypropertyinfo.com, that provides tax information from other tax offices under one website. The portal continues to see an increase in visits and is very useful to taxpayers as they see property tax information from the County Assessor and County Clerk.

OPERATIONAL OPPORTUNITIES: 2025 INITIATIVES AND GOALS

TIMELY MAILING OF TAX BILLS

CCTO is required to mail taxpayers a 1st and 2nd installment tax bill in a timely manner. In order to meet this obligation, the goal is to complete printing, folding and inserting of property tax bills in envelopes within 14 days per installment.

COLLECTION OF PROPERTY TAX PAYMENTS

In Cook County, the County Treasurer oversees the second-largest property tax collection and distribution system in the United States which accounts for the collection of \$16.10 billion each year in taxes from the owners of more than 1.8 million parcels of property.

DISTRIBUTION OF PROPERTY TAXES

The Treasurer's Office is responsible for the distribution of the tax funds to approximately 2,200 local government agencies that have the jurisdiction to collect taxes. The agencies include school districts, villages, cities, townships, park and forest preserve systems, libraries, public health and safety agencies, election authorities, economic-development agencies and bonds to pay for public-works projects.

Performance Metric Name	2022 Actual	2023 Actual	2024 Target	2024 Projection	2025 Target
Number of online payments	578,270	1,255,137	750,000	TBD	750,000

Tax Payer Satisfaction - Excellent Service rating percentage	96%	98%	96%	96%	96%

BUDGET HIGHLIGHTS

- FY2025 will be the 24th consecutive year that the CCTO has reduced it's operating budget.
- Technological improvements allow this office to reduce costs, headcount and improve services.
- The CCTO is committed to implementing improvements that will further reduce costs and increase services.

MISSION

The Office of the Chief Judge is the administrative office serving the Circuit Court of Cook County. The office supervises non-judicial employees who provide wide-ranging services to the Circuit Court, to litigants and to the general public, including judicial support, probation, guardianship, juvenile detention, clinical, and other support.

MANDATES

Chief Judge Evans has general administrative authority over the Circuit Court, including administrative functions. The Office of the Chief Judge provides services to the judiciary, litigants and the public. The OCJ also supervises non-judicial court departments. Cook County funding for the Circuit Court is required pursuant to 55 ILCS 5/5-1106.

OPERATIONAL HIGHLIGHTS: 2024 INITIATIVES AND OUTCOMES

In 2024 the court continued the full implementation of the Pretrial Fairness Act (PFA). This is reflected in the court’s redesigned website which now features weekly statistics on court attendance and the rates at which defendants avoid new charges and attend required court appearances while on pretrial release. The dashboard is updated weekly to support transparency, inform the public of how the PFA is being implemented at the local level, and facilitate long-term evaluation and assessment of outcomes over time.

The court continued and expanded its support for the Cook County Legal Aid for Housing and Debt (CCLAHD) program includes the Early Resolution Program (ERP) and the Mortgage Foreclosure Mediation Program (MFMP) by expanding funding support from the mortgage foreclosure mediation special purpose fund. The CCLAHD hotline opened in November 2020, and the in-court services for the ERP started in January 2021. The ERP program now provides both pre-court and in-court services for parties involved in residential eviction cases, consumer debt cases, and tax deed sales. In addition, MFMP is in the process of being rebooted to full capacity. Currently, the hotline and legal aid component are in operation. Anyone subject to a foreclosure filing can call a hotline and schedule appointments with a HUD-certified housing counselor and with legal aid for free legal advice.

OPERATIONAL OPPORTUNITIES: 2025 INITIATIVES AND GOALS

The top priorities for the office for 2024 and 2025 will be the full implementation of a new jury administration system, as the court migrates all of its systems off of legacy and outdated mainframe and AS400 hardware. Further, the court intends to enhance its data analysis and analytical capabilities to comply with Illinois Supreme Court time standards and reporting for all divisions. In so doing the court management will be able to focus its efforts on court operations to evolve in the coming years through the introduction of new technologies to address the operational challenges and changes in the post-pandemic court, and supported by the Illinois Supreme Court (Rules 45, 241). Other significant priorities for the office for the coming year will include a comprehensive enhancement of the camera-video operations at the JTDC, further implementation of trauma-informed mental health services with a focus on cognitive behavioral therapy in the court’s adult and juvenile probation operations, the use and enhancement of new case management systems in probation and Public Guardian operations, expansion of services at restorative justice community courts and problem-solving courts, and enhancements for the new DUI case evaluation and monitoring program for DUI defendants.

BUDGET HIGHLIGHTS

- Deploying new resources to meet the Reimagined Youth Detention initiative.
- Investments in Cognitive Behavioral Therapy services for youth and adult clients.
- Investments in strategic planning and operations analytics.
- Investments in IT resources for evolving technology innovation and to address new Supreme Court mandates.

MISSION

Probation is the presumptive sentence for most criminal offenses and the component of the criminal justice system whose primary mission is rehabilitation. The Adult Probation Department (APD) supervises sentenced individuals, assesses pretrial risk, and supervises pretrial defendants.

MANDATES

APD operates in accordance with Illinois Compiled Statutes: 730 ILCS 110, Probation and Probation Officers Act; 730 ILCS 115, Probation Community Service Act; 725 ILCS 185, Pretrial Services Act; the Cindy Bischof Law; and 725 ILCS 5/110-5 and 725 ILCS 5/110-10, Code of Criminal Procedure of 1963, determining the amount of bail and conditions of release.

OPERATIONAL HIGHLIGHTS: 2024 INITIATIVES AND OUTCOMES

As of June 2024, APD had an active caseload of about 16,000 individuals on probation and about 5,500 individuals supervised by the Pretrial Services Division. The department’s core programs include pretrial services, standard probation, electronic monitoring, and staffing for the Circuit Court’s problem-solving courts. Adult Probation has continued to implement evidence-based practices, including an expansion of cognitive behavioral interventions for people on probation. Large training initiatives have also supported the development of staff skills around the use of Core Correctional Practices and the department is in compliance with training mandates from the Administrative Office of the Illinois Courts.

The department piloted an electronic signature process for a small number of forms and began to develop additional electronic workflows to reduce the dependence on paper forms and manual processes. This helped the department understand how some workflows and processes can be improved and streamlined, and also helped identify how other paper-intensive processes can be digitized.

Pretrial Services successfully shifted resources to support the Pretrial Fairness Act (PFA) and has continued to provide accurate and complete information to the courts to make release decisions. Success rates for both the supervised population and the curfew monitoring population remained high after the PFA was implemented, even as both populations increased.

OPERATIONAL OPPORTUNITIES: 2025 INITIATIVES AND GOALS

Adult Probation will continue to support the implementation of evidence-based practices, focusing on cognitive behavioral interventions and Core Correctional Practices. These initiatives will support the department’s core operations, including in-person reporting, field work, and in-person training.

Adult Probation will continue to support the courts as they respond to the significant changes presented by the PFA. This will include providing staffing and resources for initial appearance and detention hearings, providing staffing for completing pretrial risk assessments and supplemental interviews, and providing support for monitoring conditions of release. Adult Probation will continue to pursue its goal of completing the Public Safety Assessment for 100% of individuals before their initial appearance hearing or detention hearing.

Adult Probation will continue to monitor performance and outcomes for its operations through an expansion of research and evaluation activities. Having updated outcome information on key programs like electronic monitoring, treatment services, and regular supervision operations will help the department understand the effectiveness of its programming and provide guidance on working towards its mission of instilling responsibility, providing opportunities, and creating a safer community.

Performance Metric Name	2022 Actual	2023 Actual	2024 Target	2024 Projection	2025 Target

Cost per Public Safety Assessment, direct salary and payroll fringe costs	\$168	\$164	\$220	\$284	\$244

BUDGET HIGHLIGHTS

- Continued investments in treatment and supportive interventions for individuals under supervision.
- Investments in staffing and hiring to continue effective supervision of individuals in the community.
- Training and skill development to support the department's next generation of leaders.

MISSION

The Judiciary Department of the Circuit Court of Cook County administers and supports the operations of the Circuit Court and its non-judicial offices. The Department budget funds a variety of court-related services to the judiciary and litigants.

MANDATES

The Circuit Court of Cook County is a state trial court, the largest of the 24 judicial circuits in Illinois. The Court's approximately 400 judges serve residents in several court locations throughout Cook County. Court operations are funded by both the State of Illinois and Cook County as required by the Illinois Constitution and Illinois statutes, as well as by minor court fees, contract reimbursements and grants.

OPERATIONAL HIGHLIGHTS: 2024 INITIATIVES AND OUTCOMES

2024 represents the first full year of court operations to meet the requirements of the Pretrial Fairness Act (PFA). Additionally, in 2024 the court redesigned its website which now features weekly statistics on court attendance and the rates at which defendants avoid new charges and attend required court appearances while on pretrial release. The online PFA dashboard provides a cumulative summary of several initial decision points for criminal cases filed in the court since the PFA took effect on Sept. 18, 2023. The dashboard is updated weekly to support transparency, inform the public of how the PFA is being implemented at the local level, and facilitate long-term evaluation and assessment of outcomes over time. The dashboard also presents data on all misdemeanor and felony case filings in Cook County, including statistics on all defendants who are cited and released by police and the types of offenses alleged to have been committed by those detained or on pretrial release.

Additionally, court operations have largely returned to pre-pandemic levels in 2024. In all 2023, the trial courts requested that the Office of Jury Administration supply jurors for a total of 1,962 trials (23.2% increase from FY22), involving 1,048 civil cases and 914 criminal cases. In just the first six months of 2024, trial courts have requested jurors for 1,039 cases (75% increase from FY23), 540 civil and 499 criminal cases.

OPERATIONAL OPPORTUNITIES: 2025 INITIATIVES AND GOALS

The court has continued its commitment to remote operations in certain circumstances and for certain types of proceedings, in-line with the strong support for remote proceedings affirmed by the Illinois Supreme Court, coupled with the Supreme Court's continued funding support for the Illinois Court Technology Modernization Program.

The court has entered year 3 of initiative NT715, Strengthening Chicago's Youth Juvenile Justice Collaborative Expansion (SCY), a joint effort with Lurie Children's Hospital to divert justice-involved youth into community-based services as an alternative to prosecution. Program funds of \$7,100,000 over 48 months supports the collaborative expansion from an 11-police-district service area in Chicago to all eligible youth across Cook County. The goals of this project are: to reduce violence and minimize justice involvement of youth who have experienced past violence or trauma or are at increased risk of exposure to violence; and to provide trauma-informed care coordination for more than 1,100 justice-involved youth residing in Cook County, including youth on diversion or youth granted deferred prosecution. Services will include intake, assessment, connection to evidence-based programming and pro-social services, emergency assistance, family support services, and post-discharge monitoring. Funds will be used to fund a family support project for collaborative providers, and a program evaluation.

BUDGET HIGHLIGHTS

- Increased cost allocations for current mandated services and facilities. Certain support costs such as supplies for the judiciary, have risen to address the dual effects of inflation and return-to-work dynamics.
- Security for the storage of electronic devices at the George Leighton Criminal Division courthouse, pursuant to GAO 2013-05 are expanded with the introduction of PFA detention hearings on weekends and holidays.
- No changes in judicial position counts for 2025.

MISSION

The Office of Public Guardian represents society's most vulnerable people who are targets for exploitation and abuse. The department represents abused and neglected children, children in highly contested custody cases, and acts as guardian for mostly older adults with disabilities and their estates.

MANDATES

Chief Judge of the Circuit Court appoints the Public Guardian to serve for individuals who are adjudicated disabled and have no appropriate person to act as their guardian. 755 ILCS 5/13-1 et seq. In abuse/neglect proceedings, every child must be appointed counsel. 705 ILCS 405/1-5; 2-17. In proceedings involving the support, custody, visitation, parentage, or welfare of a minor, the court may appoint an attorney as a representative under 750 ILCS 5/506.

OPERATIONAL HIGHLIGHTS: 2024 INITIATIVES AND OUTCOMES

The Public Guardian's Office is recognized as one of the premier law offices in the country representing children, providing guardianship services, and representing the elderly and people with disabilities. The Adult Guardianship Division serves as guardian of the person and/or estate for adults with cognitive disabilities who have estates of \$25,000 or more. The Division utilizes legal, clinical, social work, general guardianship, financial and administrative personnel to manage the guardianships of approximately 800 people served, 140 real properties, and \$100 million in assets. The current division caseload is approximately 45 per guardian although the American Bar Association recommends an ethical caseload of 20. More than 30% of the people served live in the community, which is on target for FY2024. The Juvenile Division represents approximately 6,000 abused and neglected children at every phase of Juvenile Court proceedings. Child clients are represented in DCFS administrative proceedings, appeals, educational matters, and other proceedings. The Domestic Relations Division serves approximately 800 children as the child representative in hotly contested custody cases.

OPERATIONAL OPPORTUNITIES: 2025 INITIATIVES AND GOALS

With budgets as a concern, fee collections are a priority for services provided to adults with disabilities served as well as child clients. Before the pandemic, fees collected had increased significantly from \$1.44 million in 2004 to \$4.35 million in 2019. Collections declined in 2020 to \$1.73 million due to the COVID-19 crisis as well as the elimination of one-time recoveries realized in 2019. Collections have started to rebound and are expected to be \$2.5 million in 2024. Other department performance goals include: The Adult Guardianship initiative to serve 800 clients and keep 30% of clients living in their communities; and the Adult Guardianship Financial Recovery initiative to recover \$1 million in stolen assets next year.

BUDGET HIGHLIGHTS

- More than 30% of clients live in the community.
- Generated \$4.8 million in fees during FY2023 and the first six months of 2024.
- The Adult Guardianship Financial Recovery unit recovered more than \$3.4 million in stolen assets for clients in FY2023 and the first six months of 2024.

MISSION

The Forensic Clinical Services Department provides the court with independent and unbiased forensic evaluations, testimony and other consultations regarding adult criminal defendants, conducted pursuant to orders of the court.

MANDATES

Forensic evaluations are conducted pursuant to court order, and the results of evaluations and clinical opinions, submitted in written form or oral testimony are submitted directly to the court. The Clinic uses a multi-disciplinary model in the delivery of clinical services, including psychiatric, psychological, and social service elements. The Clinic provides the court with independent clinical opinions crucial to judicial decision-making.

OPERATIONAL HIGHLIGHTS: 2024 INITIATIVES AND OUTCOMES

The Office of the Chief Judge’s Information Services Department collaborated with Forensic Clinical Services to develop a new Case Management System, FCS CMS, in 2024. This new system is designed specifically to meet the needs of the Forensic Clinical Services Department and delivers far more efficient and timely management of the nearly 200 active cases processed at Forensic Clinical Services at any given time throughout the year.

Despite a local and national shortage of mental health professionals, in FY2024, Forensic Clinical Services successfully filled three of the five vacant, essential positions at Forensic Clinical Services; one licensed social worker, one staff psychiatrist, and one staff psychologist.

OPERATIONAL OPPORTUNITIES: 2025 INITIATIVES AND GOALS

Forensic Clinical Services will continue to collaborate with the Office of the Chief Judge’s Information Services Department in 2025 to expand the case management system, FCS CMS. Expansion is expected to include additional useful, targeted reporting as well as an entirely new function for scheduling court-ordered evaluations and court-ordered testimonies.

Hiring qualified professional staff in the two remaining vacant positions remains a priority in 2025 to meet the operational needs of the Department.

MISSION

The Social Service Department of the Circuit Court of Cook County (SSD) is a community corrections and court service agency mandated to monitor adult felony and misdemeanor offenders and help them satisfy court-ordered conditions thereby restoring offenders to “useful citizenship”.

MANDATES

The department follows mandates of the Illinois Supreme Court, the Circuit Court of Cook County, and the Illinois Legislature to assess, monitor, and direct adult felony and misdemeanor offenders in satisfying the court-ordered conditions and payment of restitution, and penalties pursuant to the Probation and Probation Officers Act, 110/.01-110/18. The department employs evidence-based practices to reduce recidivism and provide safer communities.

OPERATIONAL HIGHLIGHTS: 2024 INITIATIVES AND OUTCOMES

During Fiscal Year 2024, the Social Service Department (SSD) grew with the Pretrial Fairness Act; with the elimination of monetary bail, SSD is seeing a 60% increase in post-release monitoring. In FY2024, a new Restorative Justice Community Court (RJCC) was added in Sauk Village. SSD is anticipating the same success in this new court that has been seen in the courts in Englewood, Avondale, and North Lawndale. Expanding this successful program contributes to the department’s mission of reducing recidivism and empowering an emerging adult population with the opportunity of engaging in services within their communities.

In preparation for field work, SSD provided initial training in nonviolent crisis intervention, OC spray usage, and home contact/field safety in addition to in-depth training on policy and procedures. Ongoing training will be sought out and offered as staff’s fieldwork continues. Included with the expansion of training; SSD added 10 additional internal facilitators for parenting classes; available to clients assigned to SSD and APD. Management training will be offered for supervisory and administrative staff to increase responsiveness to new staff, and as current staff grow into new roles.

In FY2024, the department increased staff in locations previously understaffed, resulting in increased responsiveness to community safety. Further, staff is now able to develop more specialized case plans which closely align with the expressed goals and directives from the AOIC.

OPERATIONAL OPPORTUNITIES: 2025 INITIATIVES AND GOALS

The expansion of the Restorative Justice Community Courts program allows SSD to work within the community and with outside vendors to expand the benefits to each community in which they reside. The Pretrial Fairness Act has demonstrated the need for additional casework officers working at first appearance hearings and to expand the post release program, in order for justice involved individuals to remain out of custody while awaiting a sentencing hearing.

SSD anticipates an expanded onboarding process to benefit the transition of staff into new roles and newly hired individuals. To address the need for continuing education, SSD will evaluate the scheduling for new staff to allow time to accommodate the materials and to continue to meet the needs of clients, as well as the expanded offering and availability of trainings for existing staff to improve continuity of staffing and overall job satisfaction.

Throughout its short time within the Social Service Department, the DUI Evaluation and Monitoring Program (DEMP) unit has drastically improved service delivery to meet the court’s needs for pre-sentencing alcohol and drug evaluations for traffic related charges. In FY2025 the unit intends to offer the ability to complete evaluations for Secretary of State hearings for the purpose of reinstating driving privileges for clients who have successfully completed their court ordered supervision and treatment.

Total cost per client in the diversified caseload in the fiscal period	\$816	\$640	\$750	\$750	\$750

BUDGET HIGHLIGHTS

- Average monthly caseload for post-release staff increased 60% due to the Pretrial Fairness Act.
- An additional 10 Parenting facilitators were trained to offer classes to SSD and APD clients.
- DEMP completed 5,800 evaluations within the court-ordered time frame of 2 weeks.

MISSION

The mission of the Juvenile Probation and Court Services Department is to keep all court-involved children in the community, where they can receive equitable, focused, individualized intervention and opportunities to prevent further system involvement and harm.

MANDATES

The Department operates in accordance with the laws governing its functions, including but not limited to, the Illinois Juvenile Court Act (705 ILCS 405/1 et seq); the Probation and Probation Officers Act (730 ILCS 110/0.01 et seq); and with the standards, rules, and policies promulgated by the Administrative Office of the Illinois Courts.

OPERATIONAL HIGHLIGHTS: 2024 INITIATIVES AND OUTCOMES

In FY2024 the Department sustained newly implemented programs and monitored the impact on operations and results. The Family Navigators program, in particular, has shown promise to enhance the experience of families who support court-involved youth.

The Pretrial Services area of operations increased capacity in FY2024 to support the increasing demand from the court to connect youth to supportive services as soon as possible. Operational changes revealed that case management and case planning require updating. The Aligned Partner program is a promising practice to the future of programs and services offered to juvenile court-involved youth and families.

The Juvenile Probation and Court Services Department delivered supportive services to youth in the Juvenile Temporary Detention Center through a system of identifying and aligning service providers who offer needed interventions in secure custody and in the community. This method of partnering for supportive services ensures that the skills youth receive while in secure custody can be received when they return to their community neighborhoods, following release from the JTDC.

OPERATIONAL OPPORTUNITIES: 2025 INITIATIVES AND GOALS

In FY2025, the Department will execute the goal of implementing the "Reimagine Youth Detention" initiative pilots and enhancing these areas of Department operations: (1) Pretrial Services, (2) Probation Services, (3) Probation Practices, and (4) IT/Data Management/Quality Management. The Department will enter into partnerships for strategic planning and implementation assistance, professional development, continuous quality improvement, and DEI technical assistance.

The Department has partnered with the Annie E. Casey to pilot the "Family-engaged case planning" model. The Department will redesign its case management model to improve services to youth who are at high risk of victimization by violence. Enhancing the practice model to address areas of social determinant need proposes that youth will be less likely to engage in future offending behavior.

The Department must investment in technical assistance and professional development to support successful delivery of services. The Department will focus on staffing pretrial services, probation services, and quality management, and IT infrastructure to provide the court with timely and reliable information about the matters presented to the court.

MISSION

The JTDC community provides a safe and secure environment that offers the highest quality of integrated services where youth are challenged to make positive changes.

MANDATES

JTDC complies with the Juvenile Justice Delinquency Prevention Act, American Correctional Association, Illinois Criminal Justice Information Authority Abused and Neglected Child Reporting Act of 1975 325 ILCS 5/4, National Commission on Correctional Health Care, Administrative Office of the Illinois Courts (AOIC), Prison Rape Elimination Act of 2003, (PREA).

OPERATIONAL HIGHLIGHTS: 2024 INITIATIVES AND OUTCOMES

Installed energy-efficient lighting to reduce the facility’s carbon footprint. Created a Resource Guide for residents which highlights services for residents after release. Identified alternatives to room time for detained youth. Precious Blood Ministry of Reconciliation (PBMR) certified staff to conduct Restorative Justice Peace Circles. Developed a curriculum for daily cognitive behavioral groups. Acquired new technology to address dietary needs of residents. Input, collect and track data concerning the meals in accordance with the National School Lunch Program (NSLP) requirements. The JTDC Kitchen department provided over 100 different special diets to accommodate medical, dental, therapeutic, and religious safety requirements. Monitored compliance with Collective Bargaining Agreements, Memorandums of Understanding (i.e., Chicago Public Schools, Resilience) and Data Sharing Agreements. Expanded training to partner agencies (Office of the Public Defender, State’s Attorney’s Office, etc.) Established a quarterly publication, INSPIRE, to highlight the work of JTDC. Finalized the curriculum for JTDC Leadership Academy. Met the Supreme Court of Illinois’ Committee on Probation Education (COPE) and AOIC compliance training requirement. Implemented a millimeter wave body scanner for entire facility including residents, volunteers, staff and visitors. Met and exceeded AOIC Detention Standards and fully complied with NCCHC standards.

OPERATIONAL OPPORTUNITIES: 2025 INITIATIVES AND GOALS

In 2025 the JTDC plans to continue to provide safe and secure housing for over 2500 pre-adjudicated youth ordered to JTDC. Recruit, hire and train personnel. Expand vocational opportunities for JTDC residents (Cosmetology, Shoe Shine training, HVAC and Plumbing). Purchase and maintain operational equipment (freezers, computers, video surveillance cameras, body cameras, bulletproof vests, x-ray inspection machine, resident furniture, digital inventory software). Renovate to ensure facility wide compliance with PREA, ADA and City of Chicago Code (bathrooms, entrances, showers, housing units). Certify staff trainers (AOIC Mental Health First Aid, AOIC Core Correctional Practices, and American Red Cross CPR/First Aid). Provide contracted mental health services for JTDC staff. Meet and exceed AOIC and IDJJ Detention Standards. Seek NCCHC reaccreditation.

MISSION

As the keeper of records, this Office endeavors to deliver an efficient, modernized, and transparent experience to the community. All interactions and information provided to the public and stakeholders shall be disseminated by a professional workforce that represents the community.

MANDATES

The Clerk of the Circuit Court of Cook County's (CCC) primary function is to attend court sessions and maintain all records of the court. CCC serves as the administrative arm of the Court and is also responsible for all financial duties relating to the court system which includes collecting fines, restitution, child support, and fees. CCC also disburses funds to the appropriate designated entities.

OPERATIONAL HIGHLIGHTS: 2024 INITIATIVES AND OUTCOMES

In all operational areas of the Clerk of the Circuit Court's Office, processes have been reengineered and consolidated. This has enabled the staff to be cross-trained in all areas of responsibility, improving customer service and minimizing specialized assignments. Cross-training of staff will continue to further improve efficiencies in the office.

OPERATIONAL OPPORTUNITIES: 2025 INITIATIVES AND GOALS

The Clerk of the Circuit Court's Office will continue in all operational areas, including the recent launch of the Domestic Violence Center. The incoming administration will establish new goals for FY2025 and beyond.

MISSION

The Office of the Public Administrator of Cook County administers estates of deceased Cook County residents. The mission of the Public Administrator is to efficiently and securely administer the estates of decedents as required by law pursuant to the Illinois Probate Act.

MANDATES

Illinois Probate Act - 755 ILCS 5/1 et seq.

OPERATIONAL HIGHLIGHTS: 2024 INITIATIVES AND OUTCOMES

To date in FY 2024, the Public Administrator’s Office (PA) has generated over \$4,294,778 in fees, court costs and funds to unknown heirs. The PA’s current (FY2024) budget is \$1,722,267. At the close of Q3 2024, the PA’s fees alone will have generated \$1,549,736 to the County Treasurer. This revenue represents 91% of the budget appropriated for FY 2024, demonstrating the PA’s ability to self-fund. Over \$17,300,000 has been returned to heirs and beneficiaries via estate administration in FY 2024.

OPERATIONAL OPPORTUNITIES: 2025 INITIATIVES AND GOALS

The Public Administrator has requested and received approval from the Chief Judge Tim Evans to procure a blanket bond for the estates the PA manages. This practice will significantly reduce bond premiums paid by individual estates and the initial premium will be repaid in full as estates are closed.

The PA works to facilitate wrongful death and survival actions for decedents in Cook County. To date in 2024, the PA has assisted in the recovery of nearly \$5.5 million for heirs and estates through wrongful death settlements.

The PA also manages, secures, lists, and sells decedents’ real property located in the County. Thus far in 2024, the PA has closed sales on 22 residences and is managing an additional 49 properties.

Performance Metric Name	2022 Actual	2023 Actual	2024 Target	2024 Projection	2025 Target

Cost per Investigation	\$852	\$941	\$800	\$785	\$800
Number of Probate Cases Pending	408	403	400	490	450

BUDGET HIGHLIGHTS

- The PA has returned over \$17 million to heirs and beneficiaries in 2024.
- At the close of Q3, the PA will have returned 91% of the revenue target for FY2024.
- To date in FY2024, the PA's deposit total is \$4,294,778, which exceeds the FY2024 budget goal by (249%).

MISSION

The mission of the Law Office of the Cook County Public Defender is to protect the fundamental rights, liberties, and dignity of each person whose case has been entrusted to us by providing the finest legal representation.

MANDATES

U.S. Constitution, Amen.VI: "In all criminal prosecutions, the accused shall enjoy the right...to have the Assistance of Counsel for his defense." Also: 55 ILCS 5/3-4006; 725 ILCS 5/113-3; 705 ILCS 405/1-5; Cook Cty. 2017-01

OPERATIONAL HIGHLIGHTS: 2024 INITIATIVES AND OUTCOMES

REDUCE WORKLOADS TO ENSURE ZEALOUS ADVOCACY OF CLIENTS

In FY24, the Law Office continued to make incremental progress toward meeting national workload standards by successfully hiring new attorneys, pre-licensed attorneys, investigators and other employees.

ENHANCED TECHNOLOGY

Over the past few fiscal years, the Law Office has sought to reduce the life cycle of employee computers and will continue to work with BOT and Budget to accomplish this goal. To address electronic discovery challenges, the Law Office finalized contracts with Axon and NICE. The Law Office is also collaborating with Clarity Partners to complete a technology audit.

PRETRIAL FAIRNESS ACT IMPLEMENTATION

The Law Office worked closely with all Cook County criminal court stakeholders to successfully implement the Pretrial Fairness Act. So far, research supports that the process has resulted in a lower jail population and more meaningful hearings.

OPERATIONAL OPPORTUNITIES: 2025 INITIATIVES AND GOALS

In FY25, the office will prioritize filling budgeted vacancies, continuing to incrementally work toward meeting national workload standards.

Over the past few fiscal years, the Law Office has sought to reduce the life cycle of employee computers and will continue to work with BOT and DBMS to accomplish this goal. In addition, the Law Office will start the development process for a new case management system, expand the technology available in our Professional Development Division, build out our Trial Technology team, and purchase STRMix for our Forensics Division.

The Law Office will lease additional space near the Maywood Courthouse location and develop a strategy to address broader overcrowding issues.

The Law Office will utilize the Recruitment and Retention Bonus Program authorized by the Cook County Board of Commissioners to increase retention of current employees.

BUDGET HIGHLIGHTS

- Expand legal and non-legal personnel to reduce caseloads and workloads.
- Invest in new technology and computers to ensure access, efficiency and effectiveness.
- Initiate a retention bonus program to increase staff retention.
- Acquire additional space to address space issues at the Maywood Courthouse.

MISSION

The Cook County Sheriff's Office (CCSO) works to improve the quality of life of County residents by treating them with dignity and respect, providing them with a safe environment, and offering services to support communities and stop the cycle of violence & incarceration.

MANDATES

Illinois Constitution (Ill. Const. 1970, art. VII, § 4), 55 ILCS 5/3, 725 ILCS 5/107-16, 735 ILCS 5/2-202, 730 ILCS 5/5-8-1.2, 50 ILCS 705, 42 U.S.C. § 1997.

OPERATIONAL HIGHLIGHTS: 2024 INITIATIVES AND OUTCOMES

CCSO remained committed to public safety through innovation, robust community engagement initiatives and strategic positioning of resources in areas most impacted by crime. The first half of FY24 compared to the first half of FY23 evidence an: 18% decrease in shootings and a 14% decrease in total homicides in Austin; a 50% decrease in total homicides in Near North; a 15% increase in firearms recovered; and a 30% faster recovery time in 78% of hijacked vehicles.

CCSO continued non-traditional law enforcement and community engagement initiatives. There have been 1,000 catalytic converters etched since the program's inception. The Community Engagement team has served 61,245 participants since FY22.

CCSO has solidified its standing as a national leader through expansion of the Treatment Response Team (TRT) & Co-Responder Virtual Assistance Program (CVAP). Currently, 33 agreements are in place with suburban agencies to adopt the CVAP program. By year end, 30% of suburban agencies will adopt the program. Since being established in 2019, the unit has received a total of 3,156 referrals.

Sheriff Dart proposed passage of legislation in Springfield which eliminated out-of-pocket expenses for first responders seeking mental health treatment, a significant achievement towards assisting individuals who have been exposed to traumatic and dangerous situations.

OPERATIONAL OPPORTUNITIES: 2025 INITIATIVES AND GOALS

In FY25, CCSO will continue collaborating with suburbs and Chicago towards reducing violent crimes and for expanding community engagement. CCSO will continue to build connections between law enforcement and the people we serve and will expand CVAP, TRT and the Community Resource Center. Sheriff Dart will continue to deploy resources to those communities hardest hit by violence.

CCSO's 24/7 real-time Vehicle Tracking team will continue to assist all County, State, and federal agencies working in our area of responsibility to track vehicles more quickly after a carjacking, increasing the chances of catching the offenders and stopping the vehicles from being used in additional crimes.

CCSO will continue to collaborate with other law enforcement partners on the Retail Theft Task Force. CCSO will deploy a helicopter for a variety of mission profiles including incident response and situational awareness, emergency response, and search and rescue operations.

BUDGET HIGHLIGHTS

- The Sheriff’s Office will continue to collaborate with the suburbs and the City of Chicago to reduce violent crime and expand community engagement.
- The Sheriff’s Office will deploy a helicopter for a variety of mission profiles including incident response and situational awareness, emergency response, and search and rescue operations.
- The Treatment Response Team (TRT) will continue to expand and create community-based pathways to treatment.

MISSION

Sheriff's Administration supports Sheriff's Office operations. Functional areas include Human Resources, Legal, Training, Education and Operational Policy, Use of Force Review, Vehicles, Quality Improvement, Data Driven Strategies, Peer Support, Finance, Supply Chain and Building Management and Construction.

MANDATES

Ill. Const. 1970, art. VII, § 4, Ill Admin Code Section 701.10, 50 ILCS 705, 50 ILCS 5/3-6007, Ord. No. 16-1983, 10-26-16, Local and State Records Act, Illinois Administrative Code, 42 U.S.C. § 1997, 720 ILCS 5/7-1

OPERATIONAL HIGHLIGHTS: 2024 INITIATIVES AND OUTCOMES

While significant recruitment challenges persist in the field of corrections & law enforcement, the CCSO HR continued to cast a wide recruitment net, educating the public through multiple avenues to showcase the many opportunities CCSO has to offer. Due to these efforts, CCSO's hiring has increased 50% since FY22.

HR implemented many strategies that include embedding recruitment in our community engagement efforts, increasing media opportunities like billboards throughout the state, and further developing relationships with universities to expand our internship program.

Staff Wellness and Peer Support continued to expand the support services provided to staff by focusing on emotional, mental, and physical wellness.

In FY24, HR implemented a performance management software to give all employees the opportunity to realize their highest potential.

In FY24, the DDSI Unit launched a Business Liaison Team dedicated to building a business intelligence platform for investigation and analysis of retail theft incidents in targeted areas in the suburbs and Chicago's Michigan Avenue District.

OPERATIONAL OPPORTUNITIES: 2025 INITIATIVES AND GOALS

In FY25, the Sheriff's Administration will continue to provide support to the operational units and provide efficient, effective, innovative, and fiscally responsible services throughout the Office.

HR will expand the implementation of the performance management software office wide. Staff Wellness and Peer Support will continue to increase employee resources. Supply Chain will continue our green initiatives and Prescription Drug Take Back Days to further our efforts in being environmentally responsible. Legal will continue to implement strategies and promote occupational safety to limit and prevent injuries and reduce cost. Quality Improvement will continue to work with the operational units to monitor and review processes and recommend policy revisions and operational improvements. The Training Academy will continue to provide state of the art training for all staff that promotes professionalism, crisis intervention and de-escalation, while expanding leadership and staff development.

MISSION

The Office of Professional Review (OPR) conducts investigations of administrative and criminal allegations of employee misconduct, fraud, abuse, and violations of integrity laws that govern the Sheriff's Office.

MANDATES

Illinois Constitution (Ill. Const. 1970, art. VII, § 4), 50 ILCS 725

OPERATIONAL HIGHLIGHTS: 2024 INITIATIVES AND OUTCOMES

In 2024, OPR continued conducting thoughtful, independent, and thorough investigations. The unit also continued meeting its goal of reducing the time it takes to complete investigations. OPR continued to meet with other departments within the Sheriff's Office to enhance and improve overall policies and procedures, conducted a training on department head investigations, and improved communication with complainants and accused employees in an effort to reduce misconduct. OPR provided the Cook County State's Attorney's Office an overview of its operations for them to gain a better understanding of the investigative process.

OPERATIONAL OPPORTUNITIES: 2025 INITIATIVES AND GOALS

In 2025, OPR will continue to work to reduce the length of time it takes to complete investigations having implemented a new case management system. OPR will continue to efficiently investigate Individuals in Custody grievances. OPR directors will also meet regularly with operational department heads to discuss trends in complaints and cases and recommendations for areas of improvement.

OPR will maintain cooperative relationships with outside law enforcement partners and prosecuting agencies to complete thorough criminal and administrative investigations. OPR is a critical part of ensuring that the Sheriff's Office operates with integrity and respect for the people of Cook County.

MISSION

The Bureau of Information and Technology plans, implements, maintains, and secures the Sheriff’s Office’s technology enterprise according to these principles: transparency, collaboration, integration, cloud-smart, resiliency, sustainability, continuity and “best-fit” procurement practices.

MANDATES

Illinois Constitution (Ill. Const. 1970, art. VII, § 4)

Criminal Justice Information Security Policy (FBI CJISD-ITS-DOC-08140-5.8)

OPERATIONAL HIGHLIGHTS: 2024 INITIATIVES AND OUTCOMES

The Bureau of Information and Technology (BOIT) focused its 2024 efforts on continuing successful implementations including modernization, application and data integration, compliance and vendor relationship management, and data security. The primary targets for modernization included forward-looking investment in modern technologies that will hold or increase ROI for the near and long-terms. A key modernization strategy has been migration to the cloud & reducing the hardware footprint and investment.

Additional efforts included eliminating workflows requiring hardcopy forms, automating multiple workflows to expedite review and approval and maintaining and increasing system resiliency and availability. Data and system standardization enabled integration between the CCSO and a myriad of partners.

BOIT continued efforts to harden enterprise security through implementing and continuing to refine a zero-trust security strategy. The CCSO continued to collaborate with the Cook County Information Security Office and the Information Security Working Group to adopt data handling best practices and expanded overall device and user security to ensure only CCSO-issued equipment and appropriately authorized users can access enterprise resources and data. BOIT expanded compliance efforts to integrate the CCSO Information Security Office into compliance review and enforcement processes.

OPERATIONAL OPPORTUNITIES: 2025 INITIATIVES AND GOALS

In 2025, CCSO will continue to expand the use of automation where possible and appropriate, eliminating all unnecessary paper related to operational processes, and identifying and engaging in partnership opportunities. CCSO will continue pursuing aggressive ROI on all forward-looking IT investment. BOIT will maintain and refine the processes that ensure data integrity and security while allowing for continued efficiencies and savings. Security, data governance and identity management will continue to be key to implementing a safe and secure work environment. Developing and implementing strong AI governance, in partnership with the Cook County Generative AI Advisory Board, will continue to be critical to determining safe, appropriate, responsible, and transparent use of Artificial Intelligence and will increase in importance going forward.

MISSION

Court Services provides a safe environment for employees, litigants, visitors, and all who enter courthouses, as well as timely and effective service of process and execution of court orders, including evictions.

MANDATES

55 ILCS 5/3-6023, 55 ILCS 5/3-6017, 55 ILCS 5/3-6019, 735 ILCS 5/2-202, 735 ILCS 5/9-101, 735 ILCS 5/9-107.5, 55 ILCS 5/4-12001, 55 ILCS 5/4-12001.1, 55ILCS5/3-6008, 55 ILCS 5/3-6011, 55 ILCS 5/3-6012.1

OPERATIONAL HIGHLIGHTS: 2024 INITIATIVES AND OUTCOMES

In FY24, Court Services processed all Firearms Restraining Orders received from the Cook County Circuit Court for service and entry into the Law Enforcement Agency Data System. The Sheriff’s Office (CCSO) coordinated with the involved Law Enforcement agency on each Firearm Restraining Order received and aided with enforcement of Firearm Restraining Orders and attempts to serve the corresponding summons, petitions, and orders where applicable.

Court Services completed the proof-of-concept assessment of a Computer Aided Routing System in the Skokie Civil Process Unit. The Computer Aided Routing System has been expanded to the entire Civil Process Unit to handle the high-volume workload of the Unit.

The Sheriff’s Office worked with both the Office of the Chief Judge and the Cook County Circuit Court appointed managers to ensure continued success of Early Resolution Program related to Eviction orders.

OPERATIONAL OPPORTUNITIES: 2025 INITIATIVES AND GOALS

In FY25, CCSO will continue to prioritize receiving, processing, and dispatching Protective Orders issued by the Court. Court Services will work to convert the paper copies received from the Circuit Court Clerk’s Office to digital and rapidly assign them for service attempts by deputy sheriffs.

CCSO will increase users on a first of its kind Survivor Portal. Survivors of gender-based violence who have obtained a protective order will have the ability to communicate with CCSO at a time/place that is safe for them to do so. The portal will provide attempt history and the date/time the protective order was served. The survivor will also have the ability to request assistance from a DV Liaison assigned to the unit. The CCSO DV Liaison will continue to connect the survivors with Domestic Violence Advocacy Agencies and provide information and services.

Court Services will continue to provide high quality security in courthouses for all criminal justice partners, justice involved individuals and the public.

BUDGET HIGHLIGHTS

- Court Services will continue to work with the CRC to review the eviction case files and connect vulnerable families to social services.
- Court Services will implement a system to more quickly receive, process, and dispatch Orders of Protection issued by the Court.
- Court Services will develop a first of its kind Survivor Portal.

MISSION

The Cook County Sheriff’s Police Department (CCSPD) strives to maintain peace through patrol and police services, community policing and non-traditional community support initiatives.

MANDATES

55 ILCS 5/3-6021, 55 ILCS 5/3-7001, Ord. No. 12-0-62, Ord. No. 15-6469, 11-18-2015, 725 ILCS 5/107-16, 730 ILCS 148, 730 ILCS 150, 730 ILCS 154, 730 ILCS 152/120(a-2), 55 ILCS 5/3-6019, County Code Ch. 58

OPERATIONAL HIGHLIGHTS: 2024 INITIATIVES AND OUTCOMES

CCSPD continued to deploy resources to those communities hardest hit by violence by utilizing new technologies, robust community engagement, and new tactics to take illegal guns off the street and to reduce crime. CCSPD continued to work with the Vehicular Hijacking Task Force, cataloguing every carjacking incident from 2020 to present and capturing detailed data outcomes. CCSO has solidified its reputation as a national leader through its expansion of the Treatment Response Team (TRT) and Co-Responder Virtual Assistance Program (CVAP). In FY24, CCSPD has 33 agreements in place with suburban agencies to adopt the CVAP program.

OPERATIONAL OPPORTUNITIES: 2025 INITIATIVES AND GOALS

In FY25, CCSPD will continue to expand TRT and CVAP and provide police services in the suburbs and the city, continuing work with local municipalities on warrant enforcement, firearms restraining orders, FOID revocations, human trafficking, and gun investigations. CCSPD will continue to expand its efforts to ensure public safety by enforcing traffic laws. CCSO will deploy a helicopter for a variety of mission profiles including incident response and situational awareness, emergency response, and search and rescue operations.

CCSPD will continue to address violence throughout Cook County and increase our presence in high crime areas. CCSPD will continue to play a leading role in the Vehicular Hijacking Taskforce Operation and continue working with the IL Attorney General as part of a Retail Theft Task force focused on organized criminal enterprises.

CCSPD will expand its efforts to remove guns from the streets and increase the use of violence prevention tools, such as firearms restraining orders and clear and present danger submissions while focusing on intelligence-driven firearms-related investigations to reduce crime.

The Special Victims Unit will continue to focus on sex trafficking demand suppression, “John” stings and internet crimes against children. The Child Protection Response Unit will continue to ensure that all necessary interventions are made to locate minors at risk.

Performance Metric Name	2022 Actual	2023 Actual	2024 Target	2024 Projection	2025 Target
Guns recovered, inventoried, and traced	963	993	1,000	1,200	1,300

Incidents drawn, overall 911 activity	995,315	1,001,500	1,150,000	1,000,000	1,200,000

BUDGET HIGHLIGHTS

- A third Community Safety Team will continue to address rising shootings, robberies, carjackings, and thefts.
- The Victim Support Services and Special Victims units will continue to expand services to survivors of domestic violence and human trafficking.
- The Child Protection Response Unit will continue to ensure that specific and necessary interventions are made to locate minors at risk.

OPERATIONAL HIGHLIGHTS: 2024 INITIATIVES AND OUTCOMES

In FY24, the EM program continued to research innovative and effective ways to manage the EM population. Participants charged with crimes of violence make up most of the EM population, and EM continues to work through the challenges of a population facing more violent charges than in previous years. The Sheriff’s Office has been working closely with Criminal Justice Stakeholders to comply with the Pre-Trial Fairness Act. The EM program ensures compliance with the PFA by providing the most recent and up-to-date information to the courts to aid Judges with reviewing conditions of pretrial release for EM participants as mandated by law.

In collaboration with the Community Resource Center (CRC), the EM population was connected to resources in areas of housing, substance abuse, mental health, and domestic violence. The services offered also extend to the families of program participants.

Between December 2023 and May 2024, a total of 6,085 participants were court ordered to SWAP, with an average of 36 participants reporting daily. SWAP continues working with contract partners (City of Chicago Streets and Sanitation and CTA) while also participating in community-based events (Chicago Polar Plunge, Special Olympics, etc.).

OPERATIONAL OPPORTUNITIES: 2025 INITIATIVES AND GOALS

With the guidance of data, EM will continue to assign staff to zones for an immediate response, continuity of services, and proactive monitoring of participants. EM will also continue collaborating with CRC and community organizations to help participants achieve success.

EM will continue to explore incorporating CAT-MH into its operations, which is a cloud-based mental health and substance abuse severity assessment tool. This tool can be introduced into current placement procedures to ensure that all participants placed on EM receive an assessment. This assessment will better prepare EM staff with knowledge of mental health and/or substance abuse challenges a participant may face when interacting with the participant in the community.

SWAP and RENEW will continue servicing program participants and the community, and further develop community partnerships to expand our reach and impact communities throughout Cook County.

BUDGET HIGHLIGHTS

- CCSO will continue collaborating with CRC and community organizations to help participants achieve success.
- SWAP will further develop community partnerships to expand our outreach and impact communities throughout Cook County.
- The Sheriff’s RENEW program will continue to train individuals in deconstruction techniques, remove abandoned properties and connect participants to employment.

MISSION

The Cook County Department of Corrections (CCDOC) strives to provide a safe, secure, humane, efficient, and constitutionally operated corrections environment for its staff, visitors, and those in its custody.

MANDATES

55 ILCS 5/3-6017, Illinois Administrative Code Title 20 Chapter I Part 701, 730 ILCS 5/5-8.12, 730 ILCS 5/5-8A-4, 730 ILCS 5/5-5-9, 42 U.S.C. § 1997

OPERATIONAL HIGHLIGHTS: 2024 INITIATIVES AND OUTCOMES

In FY24, CCDOC continued to enhance our family engagement initiatives to better serve the CCDOC population and the family members impacted by incarceration. CCDOC developed weekly resource events with community partners, CEDA, RUSH-SUD, R.E.S.T. (Reassemble Educate and Support Training), Southside Opioid Task Force, Cook County Health Systems, UIC Hearing and Speech Clinic, and Social Security to connect our community to services they need. These resources are coordinated through the Sheriff’s Visitation Program that has served over 2,500 community members and their loved ones who are incarcerated.

For volunteer year 2023-24, 795 individuals completed volunteer trainings, which increased programming offered to individuals in custody and the number of community members coming to the jail. Through the Sheriff’s Individualized Assessment and Strategic Assignment (IASA) program, we have referred and connected over 10,000 individuals in custody to a multitude of programs to address their biopsychosocial needs. Movement and supervision of individuals in custody within the community continues to increase with 95% of court appearances occurring in person versus 5% virtually. Additionally, we have worked with CCHHS to manage and support the individuals in custody who receive care offsite at Stroger Hospital and Fantus Clinic daily to ensure safety in our community.

OPERATIONAL OPPORTUNITIES: 2025 INITIATIVES AND GOALS

In FY25, CCDOC will continue to modify and improve our use of video monitoring to enhance visibility of issues to address incidents timely and effectively. We will continue to develop and deliver specialized training to equip our staff with best practices and procedures to work with people detained in the Jail, especially those who exhibit signs and symptoms of trauma and mental illness. Our increased programming initiatives (such as the Clinical Assessment and Rehabilitation Program noted in last year’s highlights) specifically designed for those who demonstrate violent and aggressive behaviors, will continue to expand to create a more rehabilitative approach to managing the people we serve at Cook County Jail.

Performance Metric Name	2022 Actual	2023 Actual	2024 Target	2024 Projection	2025 Target

Ratio of DOC program staff to program participants	40	41	45	45	50
Percentage of detainees receiving programming	72%	76%	80%	75%	78%

BUDGET HIGHLIGHTS

- The DOC will employ new and proven strategies to address the national overdose problems impacting the jail.
- The Clinical Assessment and Rehabilitation Program (CARP) will cultivate a healthier outlook on Individuals In Custody's (IIC) mental health.
- The DOC has modified and improved the use of video monitoring to enhance visibility of issues to address incidents timelier and effectively.

MISSION

The mission of the Cook County State's Attorney's Office (CCSAO) is to do justice in the pursuit of thriving, healthy, and safe communities.

MANDATES

The powers and duties of the State's Attorney are outlined in 55 ILCS 5/3-9005.

OPERATIONAL HIGHLIGHTS: 2024 INITIATIVES AND OUTCOMES

CCSAO achieved a strong hiring performance as shown by positive net hiring as of August 12, 2024 (+47), including positive net hiring for ASAs (+47), and a vacancy rate of just over 8%.

Attained an 85% approval rate in adult felony cases presented to the office by law enforcement and a 65% guilty rate for adult felony cases.

Realigned the Sexual Assault and Domestic Violence Division under the Special Prosecutions Bureau to underscore the CCSAO's dedication to addressing highly sensitive cases with increased attention and care.

Implemented digital applicant tracking and performance review systems.

Lauded by the Civic Federation for the implementation of the Pretrial Fairness Act. Judges approved over 60% of SAO detention requests.

Expanded access to second chances through new diversion opportunities by helping open a restorative justice courthouse in Sauk Village.

Prepared for the Democratic Convention through coordination with the Secret Service and other justice stakeholders since Chicago was announced as the convention site last May.

Sent over 300 data memos to nearly 500 elected officials and police chiefs with data on their jurisdictions. Created a data memo for police departments with CI information that is sent monthly to police chiefs.

Participated in hundreds of external-facing meetings, events, resource fairs, and seminars with a focus on building trust in the communities most impacted by violence.

OPERATIONAL OPPORTUNITIES: 2025 INITIATIVES AND GOALS

End reliance on the Cook County mainframe in addition to raising the technological capabilities of the office.

Find opportunities to attract new talent and retain current employees, especially Assistant State's Attorneys (ASAs).

Enhance trust with the community by building upon transparency and community relations initiatives.

Continue diversion expansion to include even more non-violent offense charges as alternatives to prosecution.

Maintain a presence in Springfield to advocate for policies that promote fairness and equity in the criminal justice system.

Search for appropriate opportunities to proactively litigate on behalf of the citizens of Cook County and defend their interests.

BUDGET HIGHLIGHTS

- Implemented a new salary schedule for ASAs in April 2024 by raising first-year ASAs by 15%; 3rd Chair by 12%, and 1st Chairs by 10%.
- Implemented two \$5,000 retention bonuses for front-line ASAs.
- Received a 4-year grant from the Department of Justice to address hate crimes.
- Invested in technology to enhance operations, lighten the administrative load on ASAs, and phase out the Cook County mainframe.
