Ciro Gaimari at (312) 603-0514
ciro.gaimari@cookcountyil.gov

*Inspections are required. Upon issuance of your permit
call the local County Field Plumbing Inspector.*

PLUMBING PERMIT REQUIREMENTS

The Plumbing Permit Application is used by these trades only: Plumbing, Sewer, Water, Septic, Well, Lawn Sprinkler, and Gas Installer.

The Plumbing Permit is applied for directly to the Plumbing Department, by email, fax or in person. The Plumbing Permit Application must be applied for by the registered contractor only if they are working directly for the owner and they are the sole contractor on the job. If you are working for a general contractor, or if multiple trades are involved, Do Not Use This Application, submit your letter of intent to the general contractor to be included in a Full Permit Application.

Listed below are the Plumbing Permit Application Requirements for each trade:

Plumbing:

1. Completed Plumbing Permit Application form with email address of contractor
2. Letter of Intent from the registered Plumbing Contractor on the company letterhead with a description of the proposed work signed with the authorized signature
3. Signed letter from the owner awarding the job to the contractor

Sewer:

1. Completed Plumbing Permit Application form with email address of contractor
2. Letter of Intent from the registered Sewer Contractor on the company letterhead with a description of the proposed work signed with the authorized signature
3. Signed letter from the owner awarding the job to the contractor
4. Drawing showing the proposed work
5. Sewer Utility approval (when applicable)
6. Township easement approval (when applicable)

Water:

1. Completed Plumbing Permit Application form with email address of contractor
2. Letter of intent from the registered Plumbing Contractor on the company letterhead with a description of the proposed work signed with the authorized signature
3. Signed letter from the owner awarding the job to the contractor
4. Drawing showing the proposed work
5. Water Utility approval (when applicable)
6. Township easement approval (when applicable)

PLUMBING PERMIT REQUIREMENTS

Septic

1. Completed Plumbing Permit Application form with email address of contractor
2. Letter of intent from registered Septic Contractor on the company letterhead with a description of the proposed work signed with the authorized signature
3. Signed letter from the owner awarding the job to the contractor
4. County Health Department stamped approved septic drawings and documents
5. Septic Bond and a \$2 check made out to the Cook County Clerk

Well:

1. Completed Plumbing Permit Application form with email address of contractor
2. Letter of intent from registered Well Contractor on the company letterhead with a description of the proposed work signed with the authorized signature
3. Signed letter from the owner awarding the job to the contractor
4. County Health Department approved State Well Permit and drawing

Lawn Sprinkler:

1. Completed Plumbing Permit Application form with email address of contractor
2. Letter of intent from registered Lawn Irrigation Contractor on the company letterhead with a description of the proposed work signed with the authorized signature
3. Signed letter from the owner awarding the job to the contractor
4. Drawing indicating the lawn sprinkler heads and RPZ locations
5. Letter of intent from the plumbing contractor installing the RPZ

Fire Sprinkler:

1. Registered Fire Sprinkler Contractors never use a Plumbing Permit Application
2. Registered Fire Sprinkler Contractor submits their letter of intent, the Fire Department stamped approved Fire Sprinkler shop drawings, and documents to the General Contractor, as a PDF attachment in an email, to be submitted to a full permit file.
