- (i) subject the Purchaser to any tax, deduction or withholding with respect to any payments by or to the Purchaser pursuant this Agreement (other than any tax measured by or based upon the overall net income of the Purchaser imposed by any jurisdiction having control over the Purchaser);
- (ii) impose, modify, require, make or deem applicable to the Purchaser any reserve requirement, capital requirement, special deposit requirement, insurance assessment or similar requirement against any assets held by, deposits with or for the account of, or loans, letters of credit or commitments by, an office of the Purchaser;
- (iii) change the basis of taxation of payments due the Purchaser under this Agreement (other than by a change in taxation of the overall net income of the Purchaser);
- (iv) cause or deem agreements of the general nature and terms of this Agreement to be assets held by the Purchaser and\or as deposits on its books; or

- (v) impose upon the Purchaser any other condition with respect to such amount paid or payable to or by the Purchaser or with respect to this Agreement;

and the result of any of the foregoing is to increase the cost of the Purchaser of making any payment under this Agreement, or to reduce the amount of any payment (whether of principal, interest or otherwise) receivable by the Purchaser hereunder, or to reduce the rate of return on the capital of the Purchaser (taking into consideration the Purchaser's policies with respect to capital adequacy) or to require the Purchaser to make any payment on or calculated by reference to the gross amount of any sum received by it, or to reduce the amount of any sum received or receivable by the Purchaser under this Agreement with respect thereto, in each case by an amount which the Purchaser in its reasonable judgment deems material, then provided:

- (vi) the Purchaser shall notify the County in writing of the happening of such event within 180 days of its occurrence; and
- (vii) the Purchaser shall concurrent with such notice deliver to the County a certificate stating the precise nature of the Regulatory Change which has occurred and the tax, requirements, reduction of payments or other costs or conditions which have been imposed on the Purchaser as a result, together with the date thereof, the amount of such tax, cost, reduction of payment and a reasonable detailed description of the way in which such amount has been calculated (the Purchaser's determination of which, absent fraud or manifest error, shall be conclusive);

then the County shall pay to the Purchaser, within 90 days of the date of submission of such notice and certificate, the amount specified in such certificate as compensation to the Purchaser for such additional tax, cost or reduction of payment.

The protection of this paragraph shall be available to the Purchaser regardless of any possible contention of invalidity or inapplicability of the law, regulation or condition which has been imposed; provided, however, that if it shall later be determined by the Purchaser or a court of competent jurisdiction in a final, non-appealable judgment that any amount so paid by the County pursuant to this Section is in excess of the amount payable under the provisions hereof, the Purchaser shall refund such excess amount to the County. Notwithstanding the foregoing, for purposes of this Agreement all requests, rules, guidelines or directives in connection with the Dodd-Frank Act shall be deemed to be a Regulatory Change, regardless of the date enacted, adopted or issued.

(b) *Taxes.* If any payments to the Purchaser under this Agreement are made from outside the United States, the County will not deduct any foreign taxes from any payments it makes to the Purchaser. If any such taxes are imposed on any payments made by the County (including payments under this paragraph), the County will pay the taxes and will also pay to the Purchaser, at the time interest is paid, any additional amount which the Purchaser specifies as necessary to preserve the after-tax yield the Purchaser would have received if such taxes had not been imposed. The County will confirm that it has paid the taxes by giving the Purchaser official tax receipts (or notarized copies) within thirty (30) days after the due date.

(c) *Default Rate.* Upon the occurrence and during the continuance of an Event of Default, the Obligations shall bear interest at the Default Rate, which shall be payable by the County to each Bondholder (or, if applicable, the Purchaser) upon demand therefore and be calculated on the basis of a 365-day year and actual days elapsed.

(d) *Maximum Interest Rate.* (i) If the amount of interest payable on the Series 2014D Bonds or Series 2018 Bonds or with respect to any other Obligation for any period in accordance with the terms hereof exceeds the amount of interest that would be payable for such period had interest for such period been calculated at the Maximum Interest Rate, then interest for such period shall be payable in an amount calculated at the Maximum Interest Rate.

(ii) Any interest that would have been due and payable for any period but for the operation of the immediately preceding subclause (i) shall accrue and be payable as provided in this subclause (ii) and shall, less interest actually paid to each Bondholder for such period, constitute the “*Excess Amount.*” If there is any accrued and unpaid Excess Amount as of any date, then, to the extent permitted by law, the County will pay to each Bondholder, at the time interest is paid, an additional amount equal to the difference between interest on the Bonds computed at the Maximum Interest Rate and the amount of interest actually paid, until payment to each Bondholder of the Excess Amount; provided, however, that no Excess Amount shall be due and owing to the Purchaser after the Commitment Termination Date, for Series 2014D Bonds or Series 2018 Bonds bearing interest at the Initial Index Floating Rate, or after the Amortization End Date, for Series 2014D Bonds or Series 2018 Bonds bearing interest at the Purchase Rate.

(e) *Survival.* The obligations of the County under clauses (a), (b) and (c) of this Section 4.02 shall survive the termination of this Agreement and the redemption or other payment in full of the Series 2014D Bonds and Series 2018 Bonds.

Section 4.03. Obligations Absolute. The payment obligations of the County under this Agreement shall be unconditional and irrevocable and shall be paid strictly in accordance with the terms of this Agreement under all circumstances, including without limitation the following:

(a) any lack of validity or enforceability of this Agreement, the Series 2014D Bonds or Series 2018 Bonds or any of the other Related Documents to which the County is a party;

(b) any amendment or waiver of or any consent to departure from all or any of the Related Documents, unless done in accordance with this Agreement to which the County is a party;

(c) the existence of any claim, set-off, defense or other right which the County may have at any time against the Purchaser, any other Bondholder or any other person or entity, whether in connection with this Agreement, the other Related Documents to which the County is a party, the transactions contemplated herein or therein or any unrelated transaction; or

(d) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing.

Notwithstanding this Section, the Purchaser acknowledges the County may have the right to bring a collateral action with respect to one or more of the foregoing circumstances. The County's payment obligations shall remain in full force and effect pending the final disposition of any such action. All fees payable pursuant to this Agreement shall be deemed to be fully earned when due.

Section 4.04. Purchaser Consent to Subsequent Index Floating Rate Period. (a) So long as the Purchaser is the Bondholder, at any time on or after the first anniversary of each respective Closing Date, the County may provide written notice to the Purchaser of its desire to create a new Index Floating Rate Period and request the Purchaser to purchase such Series 2014D Bonds or Series 2018 Bonds in such new Index Floating Rate Period or provide the liquidity or credit enhancement necessary to facilitate the conversion of the Series 2014D Bonds or Series 2018 Bonds to such new interest rate mode. The Purchaser will make reasonable efforts to respond to such request within one hundred eighty (180) days after receipt of all information necessary, in the Purchaser's reasonable judgment, to permit the Purchaser to make an informed credit decision. The Purchaser may, in its sole and absolute discretion, decide to accept or reject any such request and no consent shall become effective unless the Purchaser shall have consented thereto in writing. In the event the Purchaser fails to definitively respond to such request within such one hundred eighty (180) day period, the Purchaser shall be deemed to have refused to grant such request. The consent of the Purchaser, if granted, shall be conditioned upon the preparation, execution and delivery of documentation in form and substance satisfactory to the Purchaser (which may include, but not be limited to the delivery of a "no adverse effect opinion" of Bond Counsel to the Purchaser with respect to the tax-exempt status of the Series 2014D Bonds and Series 2018 Bonds as a result of the establishment of a new Index Floating Rate Period). In the event the County and the Purchaser fail to document in writing their agreement of the proposed rate(s) and terms of the succeeding period(s), and the conditions precedent to the Purchaser agreeing to hold Unremarketed Bonds bearing interest at the Purchaser Rate set forth in Section 4.01(b) hereof are not satisfied, the County shall continue to be required to repurchase the Series 2014D Bonds or Series 2018 Bonds for the Mandatory Tender Purchase Price on the Mandatory Purchase Date.

(f) *Bankruptcy.* (i) The County shall become insolvent or otherwise unable to pay its debts when they become due, or shall commence any case, proceeding or other action under any existing or future federal bankruptcy law or state moratorium law, seeking to have an order for relief entered with respect to it, or seeking to adjudicate it as bankrupt or insolvent, or seeking debt reorganization, debt arrangement, debt adjustment, winding up, liquidation, dissolution, composition or other relief with respect to it, or imposing a debt payment moratorium, debt

(a) In the case of an Event of Default arising under Section 7.01(a)(i) and (e), declare the unpaid principal amount of the Bonds, all interest accrued and unpaid thereon, and all other amounts owing or payable hereunder to be due and payable on the earlier to occur of (A) the 1st day of January following the 15th day of February next occurring after the date of such any Event of Default or (B) the last day of the Amortization Period; provided that, even after acceleration as provided in this subsection 7.02(a), interest payments shall continue to be due and payable on all Quarterly Payment Dates until all Outstanding principal is paid in full.

(b) Upon the occurrence of an Event of Default as specified in any provision in this Article VII, all amounts owed to the Purchaser under the Bonds shall bear interest at the Default Rate and, except as otherwise set forth in Section 7.02(a), the Purchaser shall have all remedies provided at law or equity, including, without limitation, to proceed to protect, exercise and enforce its rights and remedies under the Related Documents against the County and exercise such other rights and remedies as are provided by applicable laws or equity and specific performance. The Purchaser shall promptly provide written notice to the County of any acceleration of the amounts due hereunder. In the case of any Event of Default hereunder, the Purchaser shall have the right,

Section 7.03. Remedies Cumulative; Solely for the Benefit of Purchaser. To the extent permitted by, and subject to the mandatory requirements of, applicable law, each and every right, power and remedy herein specifically given to the Purchaser in the Related Documents shall be cumulative, concurrent and nonexclusive and shall be in addition to every other right, power and remedy herein specifically given or now or hereafter existing at law, in equity or by statute, and each and every right, power and remedy (whether specifically herein given or otherwise existing) may be exercised from time to time and as often and in such order as may be deemed expedient by the Purchaser, and the exercise or the beginning of the exercise of any power or remedy shall not be construed to be a waiver of the right to exercise at the same time or thereafter any other right, power or remedy.

The rights and remedies of the Purchaser specified herein are for the sole and exclusive benefit, use and protection of the Purchaser, and the Purchaser is entitled, but shall have no duty or obligation to the County, the Trustee or any other Person or otherwise, to exercise or to refrain from exercising any right or remedy reserved to the Purchaser hereunder or under any of the other Related Documents.

Section 7.04. Waivers or Omissions. No delay or omission by the Purchaser in the exercise of any right, remedy or power or in the pursuit of any remedy shall impair any such right remedy or power or be construed to be a waiver of any default on the part of the Purchaser or to be acquiescence therein. No express or implied waiver by the Purchaser of any Event of Default shall in any way be a waiver of any future or subsequent Event of Default.

Section 7.05. Discontinuance of Proceedings. In case the Purchaser shall proceed to invoke any right, remedy or recourse permitted hereunder or under the Related Documents and shall thereafter elect to discontinue or abandon the same for any reason, the Purchaser shall have the unqualified right so to do and, in such event, the County and the Purchaser shall be restored to their former positions with respect to the Obligations, the Related Documents and otherwise, and the rights, remedies, recourse and powers of the Purchaser hereunder shall continue as if the same had never been invoked.

ARTICLE VIII

INDEMNIFICATION

Section 8.01. Indemnification. To the extent permitted by law, the County agrees to indemnify the Purchaser, each legal entity, if any, who controls, is controlled by or is under common control with the Purchaser, and each of their respective directors, officers and employees (the “*Indemnified Parties*”), and to defend and hold each Indemnified Party harmless from and against any and all claims, damages, losses, liabilities and expenses (including all fees and charges of internal or external counsel with whom any Indemnified Party may consult and all expenses of litigation and preparation therefor) which any Indemnified Party may incur or which may be asserted against any Indemnified Party by any person, entity or governmental authority (including

any person or entity claiming derivatively on behalf of the County), in connection with or arising out of or relating to the matters referred to in this Agreement or in the other Related Documents or the use of any Advance, whether (a) arising from or incurred in connection with any breach of a representation, warranty or covenant by the County, or (b) arising out of or resulting from any suit, action, claim, proceeding or governmental investigation, pending or threatened, whether based on statute, regulation or order, or tort, or contract or otherwise, before any court or governmental authority; provided, however, that the foregoing indemnity agreement shall not apply to any claims, damages, losses, liabilities and expenses solely attributable to an Indemnified Party's gross negligence, recklessness or willful misconduct. The indemnity agreement contained in this Section shall survive the termination of the Series 2014D Bonds or Series 2018 Bonds, payment of any Advance and the assignment of any rights under the Indenture and this Agreement. The County may participate at its expense in the defense of any such action or claim.

Section 8.02. Survival. The obligations of the County under this Article VIII shall survive the payment of the Series 2014D Bonds or Series 2018 Bonds and the termination of this Agreement.

ARTICLE IX

MISCELLANEOUS

Section 9.01. Patriot Act Notice. The Purchaser hereby notifies the County that pursuant to the requirements of the Patriot Act it is required to obtain, verify and record information that identifies the County, which information includes the name and address of the County and other information that will allow the Purchaser to identify the County in accordance with the Patriot Act. The County hereby agrees that it shall promptly provide such information upon request by the Purchaser.

Section 9.02. Further Assurances. At any time, and from time to time, upon request by the Purchaser, the County will, at the County's expense, correct any defect, error or omission which may be discovered in the form or content of any of the Related Documents. Any such agreement, waiver or consent must be in writing and shall be effective only to the extent specifically set forth in such writing. In the case of any such waiver or consent relating to any

provision hereof, any Default or Event of Default so waived or consented to shall be deemed to be cured and not continuing, but no such waiver or consent shall extend to any other or subsequent Default or Event of Default or impair any right consequent thereto.

Section 9.04. No Implied Waiver; Cumulative Remedies. No course of dealing and no delay or failure of the Purchaser in exercising any right, power or privilege under this Agreement or the other Related Documents shall affect any other or future exercise thereof or exercise of any right, power or privilege; nor shall any single or partial exercise of any such right, power or privilege or any abandonment or discontinuance of steps to enforce such a right, power or privilege preclude any further exercise thereof or of any other right, power or privilege. Section 9.11. Counterparts. This Agreement may be executed in any number of counterparts and by the different parties hereto on separate counterparts each of which, when so executed, shall be deemed an original, but all such counterparts shall constitute but one and the same instrument.

The County may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Purchaser. Each Bondholder may, in its sole discretion and in accordance with applicable law, from time to time assign, sell or transfer in whole or in part, this Agreement, its interest in the Series 2014D Bonds or Series 2018 Bonds and the Related Documents in accordance with the provisions of paragraph (b) or (c) of this Section. Each Bondholder may at any time pledge or assign a security interest subject to the restrictions of paragraph (e) of this Section. PNC Bank, National Association shall be the Purchaser hereunder until such time as the Majority Bondholder designates an alternate Person to serve as the Purchaser hereunder by delivery of written notice to the County and the Trustee and such Person accepts and agrees to act as the Purchaser hereunder and under the Related Documents. The Majority Bondholder may so designate an alternate Person to act as the Purchaser from time to time. From and after the date the County, the Trustee and the selling Bondholder have received written notice and an executed Purchaser Letter, (A) the Non-Purchaser Transferee thereunder shall be a party hereto and shall have the rights and obligations of a Bondholder hereunder and under the other Related Documents, and this Agreement shall be deemed to be amended to the extent, but only to the extent, necessary to effect the addition of the Non-Purchaser Transferee, and any reference to the assigning Bondholder hereunder and under the other Related Documents shall thereafter refer to such transferring Bondholder and to the Non-Purchaser Transferee to the extent of their respective interests, and (B) if the transferring Bondholder no longer owns any Series 2014D Bonds or Series 2018 Bonds, then it shall relinquish its rights and be released from its obligations hereunder and under the Related Documents.

(d) *Participations.* The Purchaser shall have the right to grant participations in all or a portion of the Purchaser’s interest in the Series 2014D Bonds and Series 2018 Bonds, this Agreement and the other Related Documents to one or more other banking institutions; *provided, however,* that (i) no such participation by any such participant shall in any way affect the obligations of the Purchaser hereunder and (ii) the County and the Trustee shall be required to deal only with the Purchaser, with respect to any matters under this Agreement, the Series 2014D Bonds or Series 2018 Bonds and the other Related Documents and no such participant shall be entitled to enforce any provision hereunder against the County. Participants shall not have the right to pass on to the County any increased costs to such participant resulting from changes in laws or otherwise.

(e) *Certain Pledges.* The Purchaser may at any time pledge or grant a security interest in all or any portion of its rights under the Series 2014D Bonds or Series 2018 Bonds, this Agreement and the Related Documents to secure obligations of the Purchaser, including any pledge or assignment to secure obligations to a Federal Reserve Bank; *provided* that no such pledge or assignment shall release the Purchaser from any of its obligations hereunder or substitute any such pledgee or assignee for the Purchaser as a party hereto.

Section 9.13. Headings. Section headings in this Agreement are included herein for convenience of reference only and shall not constitute a part of this Agreement for any other purpose.

Section 9.14. Acknowledge and Appointment as the Calculation Agent and Market Agent. The Purchaser hereby acknowledges and accepts its appointment as Calculation Agent during the Initial Index Floating Rate Period and its appointment as Calculation Agent and Market Agent during any subsequent Index Floating Rate Period during which the Purchaser agrees to hold the Series 2014D Bonds or Series 2018 Bonds and the Amortization Period pursuant to the Indenture and acknowledges, accepts and agrees to all the duties and obligations of the Calculation Agent and Market Agent set forth in the Indenture.

Section 9.15. No Fiduciary Relationship. The County acknowledges and agrees that its dealing with the Purchaser are solely in the nature of a debtor/creditor relationship and that in no event shall the Purchaser be considered to be a partner or joint venturer of the County. Also, the County represents and warrants that it has independently evaluated the business transaction and has not relied upon, nor will it rely upon, the expertise, advice or other comments or statements of the Purchaser (including agents of the Purchaser), if any, in deciding to pursue such undertaking. As the County is experienced in business, in no event shall the Purchaser owe any fiduciary or similar obligations to it in connection with the subject transaction.

Section 9.16. Electronic Signatures. The parties agree that the electronic signature of a party to this Agreement shall be as valid as an original signature of such party and shall be effective to bind such party to this Agreement. The parties agree that any electronically signed version of this Agreement shall be deemed (i) to be “written” or “in writing,” (ii) to have been signed and (iii) to constitute a record established and maintained in the ordinary course of business and an original written record when printed from electronic files. Such paper copies or “printouts,” if introduced as evidence in any judicial, arbitral, mediation or administrative proceeding, will be admissible as between the parties to the same extent and under the same conditions as other original business records created and maintained in documentary form. Neither party shall contest the admissibility of true and accurate copies of electronically signed documents on the basis of the best evidence rule or as not satisfying the business records exception to the hearsay rule. For purposes hereof, “electronic signature” means a manually-signed original signature that is then transmitted by electronic means; “transmitted by electronic means” means sent in the form of a facsimile or sent via the internet as a “pdf” (portable document format) or other replicating image attached to an e-mail message; and, “electronically signed document” means a document transmitted by electronic means and containing, or to which there is affixed, an electronic signature.

EXHIBIT B
TO
THIRD AMENDED AND RESTATED CONTINUING COVENANT AGREEMENT

LIBOR REPLACEMENT RIDER

(a) **Benchmark Replacement.** Notwithstanding anything to the contrary in the Third Amended and Restated Continuing Covenant Agreement (the “Agreement”) or in any other Related Documents, if the Purchaser determines that a Benchmark Transition Event or an Early Opt-in Event has occurred, the Purchaser may amend the Agreement to replace LIBOR with a Benchmark Replacement in accordance with the provisions of this Rider; and any such amendment shall be in writing, shall specify the date that the Benchmark Replacement is effective and will not require any further action or consent of the County. Until the Benchmark Replacement is effective, amounts bearing interest with reference to LIBOR will continue to bear interest with reference to LIBOR; provided however, during a Benchmark Unavailability Period such amounts automatically will bear interest at the rate and on the terms that would have been applicable under the Agreement if the Purchaser had given notice that LIBOR had become unavailable.

(b) **Benchmark Replacement Conforming Changes.** In connection with the implementation of a Benchmark Replacement, the Purchaser will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary in the Agreement or in any other Related Documents, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of the County.

(c) **Notices; Standards for Decisions and Determinations.** The Purchaser will promptly notify the County of (i) the effectiveness of any Benchmark Replacement Conforming Changes and (ii) the commencement of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Purchaser pursuant to this Rider, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action, will be conclusive and binding absent manifest error and may be made in its sole discretion and without consent from the County, except, in each case, as expressly required pursuant to this Rider. In addition to any delivery method permitted pursuant to the terms of the Related Documents, the Purchaser may provide any amendment, notice or other communication to the County hereunder electronically (including to any electronic address that the County provides to the Purchaser) or through an automated platform that the Purchaser provides to the County.

(d) **Certain Defined Terms.** As used in this Rider:

“**Benchmark Replacement**” means the sum of: (a) the Benchmark Replacement Index and (b) the Benchmark Replacement Adjustment; provided that, if at any time the Benchmark Replacement as so determined would be less than the Benchmark Replacement Floor, the Benchmark Replacement will be deemed to be the Benchmark Replacement Floor for the purposes of the Agreement.

“Benchmark Replacement Adjustment” means, for each applicable LIBOR-based rate and tenor, the spread adjustment to the Benchmark Replacement Index, or method for calculating or determining such spread adjustment (which may be a positive or negative value or zero) that has been selected by the Purchaser (a) giving due consideration to (i) any selection or recommendation of a spread adjustment, or method for calculating or determining such spread adjustment, for the replacement of LIBOR with the applicable Benchmark Replacement Index by the Relevant Governmental Body or (ii) any evolving or then-prevailing market convention for determining a spread adjustment, or method for calculating or determining such spread adjustment, for such replacement of LIBOR for U.S. dollar-denominated credit facilities at such time and (b) which also may reflect adjustments to account for (i) the effects of the transition from LIBOR to the Benchmark Replacement and (ii) yield- or risk-based differences between LIBOR and the Benchmark Replacement.

“Benchmark Replacement Commencement Date” means the date a Benchmark Replacement has replaced LIBOR for all purposes under the Agreement in accordance with this Rider.

“Benchmark Replacement Conforming Changes” means, with respect to any Benchmark Replacement, any technical, administrative or operational changes (including, for example, changes to the definition of “Base Rate,” the definition of “LIBOR Interest Period,” timing and frequency of determining rates and making payments of interest and other administrative matters) that the Purchaser decides may be appropriate to reflect the adoption and implementation of such Benchmark Replacement and to permit the administration thereof by the Purchaser in a manner substantially consistent with market practice (or, if the Purchaser decides that adoption of any portion of such market practice is not administratively feasible or if the Purchaser determines that no market practice for the administration of the Benchmark Replacement exists, in such other manner of administration as the Purchaser decides is reasonably necessary in connection with the administration of the Agreement or any other Related Document).

“Benchmark Replacement Floor” means the minimum rate of interest, if any, specified for LIBOR under the terms of the Agreement or, if no minimum rate of interest is specified, zero.

“Benchmark Replacement Index” means the alternate benchmark rate that has been selected by the Purchaser to replace LIBOR giving due consideration to (a) any selection or recommendation of a replacement rate or the mechanism for determining such a rate by the Relevant Governmental Body or (b) any evolving or then-prevailing market convention for determining a rate of interest as a replacement to LIBOR for U.S. dollar-denominated credit facilities.

“Benchmark Replacement Transition Date” means the earlier to occur of the following events with respect to LIBOR:

- (1) in the case of clause (1) or (2) of the definition of “Benchmark Transition Event,” the later of (a) the date of the public statement or publication of information

referenced therein and (b) the date on which the administrator of LIBOR permanently or indefinitely ceases to provide LIBOR; or

- (2) in the case of clause (3) of the definition of “Benchmark Transition Event,” the date of the public statement or publication of information referenced therein.

“Benchmark Transition Event” means the occurrence of one or more of the following events with respect to LIBOR:

- (1) a public statement or publication of information by or on behalf of the administrator of LIBOR announcing that such administrator has ceased or will cease to provide LIBOR, permanently or indefinitely, provided that, at the time of such statement or publication, there is no successor administrator that will continue to provide LIBOR;
- (2) a public statement or publication of information by a Governmental Authority having jurisdiction over the Purchaser, the regulatory supervisor for the administrator of LIBOR, the U.S. Federal Reserve System, an insolvency official with jurisdiction over the administrator for LIBOR, a resolution authority with jurisdiction over the administrator for LIBOR or a court or an entity with similar insolvency or resolution authority over the administrator for LIBOR, which states that the administrator of LIBOR has ceased or will cease to provide LIBOR permanently or indefinitely, provided that, at the time of such statement or publication, there is no successor administrator that will continue to provide LIBOR; or
- (3) a public statement or publication of information by the regulatory supervisor for the administrator of LIBOR or a Governmental Authority having jurisdiction over the Purchaser announcing that LIBOR is no longer representative.

“Benchmark Unavailability Period” means the period, if any, beginning on the Benchmark Replacement Transition Date and ending on the Benchmark Replacement Commencement Date, it being understood that if the Benchmark Replacement Commencement Date occurs on or before the Benchmark Replacement Transition Date a Benchmark Unavailability Period will not occur.

“Early Opt-in Event” means a determination by the Purchaser that U.S. dollar-denominated credit facilities being executed at such time, or that include language similar to that contained in this Rider, are being executed or amended, as applicable, to incorporate or adopt a new benchmark interest rate to replace LIBOR.

“Governmental Authority” means the government of the United States of America or any other nation, or of any political subdivision thereof, whether state or local, and any agency, authority, instrumentality, regulatory body, court, central Purchaser or other entity exercising executive, legislative, judicial, taxing, regulatory or administrative powers or

functions of or pertaining to government (including any supra-national bodies such as the European Union or the European Central Purchaser).
